

## Before Starting the Project Listings for the CoC Priority Listing

**The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.**

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

# 1. Continuum of Care (CoC) Identification

**Collaborative Applicant Name:** New York City Department of Homeless Services

## 2. Reallocation

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

**Alert:**

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

## 2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

## Continuum of Care (CoC) Planning Project Listing

### Instructions:

Prior to starting the CoC Planning Project Listing, review the CoC Priority Listing Detailed Instructions available on HUD's website.

To upload the CoC planning project application submitted to this Project Listing, click the "Update List" button. This process may take a few minutes while the project is located in the e-snaps system. You may update each of the Project Listings simultaneously. To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If you identify errors in the project application, you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Only one CoC planning project application can be submitted and only by the Collaborative Applicant designated by the CoC which must match the Collaborative Applicant information on the CoC Applicant Profile.

**WARNING:** If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.
