NYCHA's Final Amendment to the Annual PHA Plan for FY 2022

Federal law allows a public housing authority to modify or amend its Annual PHA Plan or "Plan." Significant amendments to the Plan are subject to the same requirements as the original plan.

NYCHA's Final Amendment to the Annual PHA Plan for FY 2022 is available for public review on NYCHA's website: <http://www1.nyc.gov/site/nycha/about/annual-plan-financial-information.page>. NYCHA will also provide a copy of the Final Significant Amendment to each development's Resident Association President. The Final Plan will also be made available at the management office of every NYCHA public housing development during regular business hours.

NYCHA held a hybrid in-person and virtual public hearing on August 31, 2022, and accepted written comments on the Final Significant Amendment through September 2, 2022. Please see the Notice on page 2. NYCHA met with the Resident Advisory Board members on May 5, 2022, for their comments.

Capital Improvements – FY 2022 Capital Fund Annual Statement/Performance and Evaluation Report and 5-Year Action Plan

On May 5, 2022, NYCHA presented an overview of the Authority's Capital Planning Program and the FY 2022 Capital Plan and 5-Year Action Plan to the Resident Advisory Board (RAB).

NYCHA's FY 2022 Capital Fund Annual Statement/Performance and Evaluation Report and 5-Year Capital Plan are included in the Amendment in Attachment B, on pages 16 through 87.

NYCHA's FY 2022 Capital Plan continues to focus investment to address the key issues outlined in the HUD Agreement: (1) investment in roofs, facades, and plumbing components to help address mold, (2) investment in heating and elevator systems to address boiler and elevators deficiencies, (3) investments in waste management plan to control pest issues, and (4) safety and security investments in fire alarms, new entrances and CCTV systems. In addition, to address sites with a (i) high incidence of mold complaints and/or (ii) potential lead paint risks, NYCHA will be undertaking comprehensive modernization efforts with a variety of funding sources including federal funds.

The Capital Fund Program Action Plan is complemented by similar investments, including roofs, heating plants, elevators, waste management and comprehensive modernization projects, that will be funded with City and State resources.
