****Please note:** The selected laundry tenant will need to perform additional construction within the space before commencing operations. NYCHA must approve the planned work before construction begins. To assess the current state of the Pomonok laundry facility, prospective tenants can schedule a site visit to view the space.*

Notes:

- If you are not interested in the available rooms but would like to be notified of new rooms as they become available, then please submit an email to laundry@nycha.nyc.gov and we will put you on a notification list.
- NYCHA will start reviewing applications for laundry rooms within two weeks of the listed published date; however, NYCHA will continue to accept applications for each space for review until the space is filled.
- One application is required per laundry space; however, we encourage vendors to submit applications for multiple rooms.
