

Introducing PASSPort!

- **PASSPort replaces VENDEX.** The Mayor's Office of Contract Services (MOCS) launched a new online procurement tool, the Procurement and Sourcing Solutions Portal(PASSPort). PASSPort makes it easier for vendors to submit and keep disclosure documents up-to-date

Vendors interested in selling goods or services to NYCHA should be aware of the following updated requirements:

- PASSPort has replaced the paper VENDEX and Certificate of No Change (CNC) forms
- Vendors are required to login and register in PASSPort
- PASSPort-Vendor Login and Registration: <http://www1.nyc.gov/site/mocs/index.page>
- PASSPort Frequently Asked Questions (FAQ): <https://www.nyc.gov/site/mocs/passport/passport-faqs.page>
- All required enrollment information including vendor and principal questionnaires and e-Signatures are entered into PASSPort

If you have any questions please contact: MOCS at **vendors in PASSPort** or NYCHA at: vnc@nycha.nyc.gov
