## NYCHA Resident Roundtable Committee Overview

**NYCHA's Transformation Plan can only be successful if it creates a true partnership between residents and employees.**

The purpose of the Resident Roundtable is to create a formal role for resident participation in designing and informing the implementation of NYCHA's Transformation Plan. The Roundtable will enable resident led working groups as well as embed residents alongside NYCHA staff in project teams.

# Overview of the Resident Roundtable

**32 Residents = 1 for each Neighborhood, 2 RAD/PACT  
Aligned with NYCHA demographics**

The Roundtable will make recommendations on key areas of the Transformation Plan in subcommittees.

Roundtable members will also opt into project teams for Transformation Plan Implementation workstreams.

# Scope of Work and Duties

## Scope of Work

- The Roundtable will work in subcommittees, each focusing on a distinct issue area.

## Example Duties

- Attend roundtable and committee meetings
- Solicit topical input from residents (including those under connected or unconnected from the internet or computer)
- Make recommendations to NYCHA on policy and programs
- Advise and actively participate in implementation of approved recommendations
- Participate on Transformation Plan implementation workstreams
- Participate in other areas of feedback where NYCHA would like to engage with residents

# Resident Roundtable Training

**Facilitator: Ms. Kristen Dahlberg, Guidehouse**

## Resident Roundtable Follow-Up

- Send Resident Roundtable-related questions, comments and recommendations to NYCHA using this dedicated email address: ([resident.roundtable@nycha.nyc.gov](mailto:resident.roundtable@nycha.nyc.gov)).
- The Resident Roundtable mailbox is monitored on week days during regular business hours by multiple NYCHA staff who serve on the subcommittees
- Emails sent to the Resident Roundtable mailbox are typically responded to within one business day or sooner
- Please submit ALL outstanding paperwork and photos!!!

# Open Q&A Discussion

*Any questions?*
