1. Overview

A. Purpose

The purpose of this guide is to provide helpful steps on how to register as a Section 3 Business Concern (S3BC) with the New York City Housing Authority (NYCHA) in accordance with the United States Department of Housing and Urban Development's (HUD) [Section 3 policy](#)

B. Who Should Use the Guide?

This guide is intended as a tool for vendors who want to register as a S3BC with NYCHA. The instructions contained in this guide are applicable to both vendors registering as a S3BC for the first time, as well as vendors that were previously registered as a S3BC with NYCHA. Please note: registrants that previously registered as an S3BC in iSupplier will be required to re-register as NYCHA migrates the S3BC registry/directory into our new labor compliance software system (eComply).

C. Section 3 Business Concern Definition

1. What is a Section 3 Business Concern (S3BC)?
 - a. A business concern meeting at least one of the following criteria, documented within the last six-month period:
 - i. It is at least 51 percent owned and controlled by low- or very low-income persons¹;
 - ii. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers (see criteria for Section 3 Workers below); or
 - iii. It is a business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.
2. What is a Section 3 Worker?
 - a. Any worker who currently fits or when hired within the past five years fit at least one of the following categories, as documented:
 - i. The worker's income for the previous or annualized calendar year is below the income limit established by HUD;
 - ii. The worker is employed by a Section 3 Business Concern; or
 - iii. The worker is a YouthBuild participant.

2. Section 3 Business Concern Registry Overview

A. Purpose

NYCHA is committed to meeting its Section 3 obligations and providing opportunities to Section 3 Businesses. To foster these opportunities, NYCHA has created a Section 3 Business Concern registry, which is a list of firms that have self-certified that they meet one of the regulatory definitions of a S3BC. This registry is a helpful tool to assist NYCHA, prime contractors, and others in identifying S3BCs for contracting opportunities. The registry is maintained by NYCHA's Vendor Diversity team; questions regarding the registry can be directed to smp.section3@nycha.nyc.gov.

¹ See the [HUD Income Limits Portal](#) for up-to-date income limits

NYCHA S3BC Registration

B. Important Considerations

Please be advised that:

1. Businesses that register as a S3BC will have their business information added to a publicly accessible database.
2. Businesses that register as a S3BC with NYCHA may be subject to audits of S3BC status by NYCHA and/or HUD.
3. Businesses that register as a S3BC may receive certain preferences; however, such registration is not a guarantee of any such preferences or that the business will be awarded any contracts or subcontracts by NYCHA or its contractors/vendors.
4. NYCHA reserves the right to request businesses to re-register as a S3BC at any time. Failure to re-register as a S3BC, either after the status as an S3BC has changed or upon NYCHA's request, will ultimately result in the removal from the registry.
5. Although NYCHA's S3BC registration is a self-certification process, S3BC vendors will need to verify their status as a S3BC prior to contract award. As a result, NYCHA S3BC vendors shall maintain records of their S3BC status and provide such documentation to NYCHA upon request and at the time of registration.

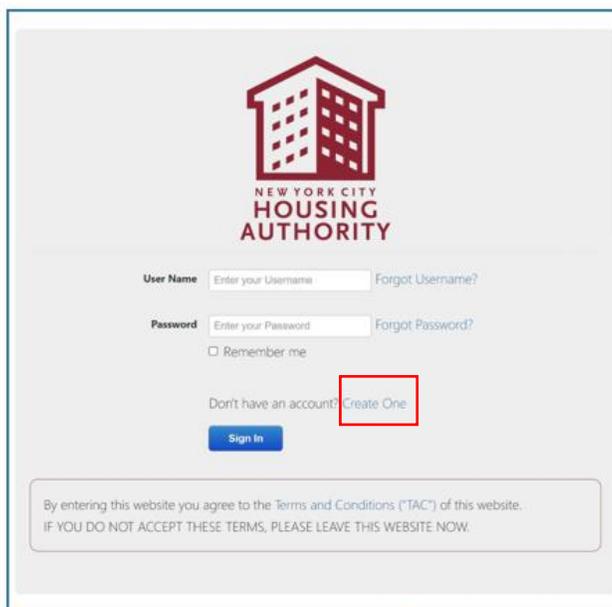

3. Registration Steps

A. Register in iSupplier

 - a. Vendors that do not have an iSupplier account must first [register their company](#) on iSupplier
