

NEW YORK CITY WATER BOARD

PUBLIC NOTICE IS HEREBY GIVEN THAT in accordance with the provisions of Section 1045-j (3) of Title II-A of the New York Public Authorities Law, the New York City Water Board (the “Board”) held public hearings by teleconference on May 25 and May 26, 2022 and held its annual meeting by teleconference on June 6, 2022, at which the Board adopted a resolution approving amendments to the Board’s Water and Wastewater Rate Schedule (the “Rate Schedule”) effective as of July 1, 2022. The amendments to the Rate Schedule include:

- (1) An increase of 4.9% to the metered and unmetered water and wastewater rates and rate-based billing programs for customers within New York City.
- (2) A Rate Schedule amendment concerning properties that were automatically enrolled in the Multi-Family Conservation Program (“MCP rate”), stating that the surcharge applicable to properties enrolled in the MCP rate but that did not yet administratively demonstrate compliance with the program’s terms would not be assessed the surcharge during Fiscal Year 2023.
- (3) Clarification of the terms of the inspection requirements necessary to obtain the billing provisions available under the Cap on Metered Charges.
- (4) Clarification of the requirements under which unmetered water and wastewater rates are available.
- (5) Additional clarifications of an administrative nature to existing policies and procedures.
