

**NEW YORK CITY WATER BOARD**  
**REQUEST FOR PROPOSALS FOR MANAGEMENT CONSULTING SERVICES**

DUE: NOVEMBER 11, 2022 AT 4:00 P.M. EASTERN TIME

The New York City Water Board (the “Board”) is soliciting proposals from firms to provide management consulting services to the Board and the New York City Department of Environmental Protection (“DEP”). The selected management consultant(s) will provide a strategic review of the utility and its divisional bureaus, including operational, financial, and organizational aspects of the agency. The consultant(s) shall provide the Board with a set of recommendations for adapting the organization to the challenges of climate change and an increasing complex operating environment, and for positioning the organization as the City confronts new challenges following the pandemic. The consultant’s recommendations will be documented in a written strategic plan, and the anticipated work will include performing analysis of agency data, conducting workshops with DEP personnel, and authoring interim reports and presentations, among the other tasks described in the RFP document set that is available on the Board’s website.

To obtain the Request for Proposals, please visit [nyc.gov/nycwaterboard](http://nyc.gov/nycwaterboard) or email [onazem@dep.nyc.gov](mailto:onazem@dep.nyc.gov) with the message subject line “Management Consulting RFP 2022”.

The dates and times of the procurement process, and the procedures for submitting a proposal, are explained in more detail in the Request for Proposals document.

Prospective bidders are required to adhere to the procedures for communicating with the Board and DEP that are described in the RFP document.
