

NEW YORK CITY WATER BOARD

PUBLIC NOTICE is hereby given pursuant to Section 1045 of Title II-A of the New York Public Authorities Law, in particular Section 1045-j (3), that the New York City Water Board (the “Board”) held a public hearing on May 31, 2023, followed by its annual meeting held on June 6, 2023, at which the Board adopted a resolution approving an increase in the rates charged for water provided to customers located north of New York City. The following rate changes, found in Part II, Section 4 of the Board’s Water and Wastewater Rate Schedule (the “Rate Schedule”), are effective as of July 1, 2023:

The regulated rate for water supply provided to customers located north of the City within the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York increased from \$2,083.48 per million gallons (“MG”) to \$2,224.32 per MG; and

The rate for water supply provided to users outside the City that is in excess of the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York increased from \$5,617.46 per MG to \$5,865.75 per MG.

A revised Rate Schedule is available on the Board’s website at nyc.gov/waterboard.
