IF THE POLICE STOP YOU, FOLLOW THESE STEPS:

- **Your Visor Card should be attached to the driver's side sun visor.**
- **Open your driver's side window. If it is dark, turn on your vehicle's dome light.**
- **Place both of your hands near the top of the steering wheel.**
- **When the officer is at your window, point to your Visor Card and remove it from the sun visor. Hand it to the officer.**
- **The officer can use the Visor Card to instruct you on what to do next. The pictures on the card can help both of you communicate better.**
