(\*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.

(\*\*) Contributing factors are listed when known.

(\*\*\*) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.
