SECTION 11.01 Events of Default. An event of default shall exist hereunder (herein called “event of default”) if:

(a) Payment of the principal of or an installment of interest on any Note shall not be made by the Authority when the same shall become due and payable, either at maturity or otherwise; or

(b) The Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained herein or in the Notes on the part of the Authority to be performed and such default shall continue for forty-five (45) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by EFC; or

(c) An “event of default” within the meaning of the General Resolution, the Second General Resolution or any agreement or instrument providing for the issuance of any Parity Bond Anticipation Note or Parity Reimbursement Obligation within the meaning of the General Resolution or the Second General Resolution shall have occurred and be continuing.

SECTION 11.02 Enforcement of Remedies. Upon the happening and continuance of any event of default specified in Section 11.01 hereof, then and in every such case, EFC shall be entitled to proceed to protect and enforce EFC’s rights by such appropriate judicial proceeding as EFC shall deem most effectual to protect and enforce any such right, either by suit in equity or by action in law, whether for specific performance of any covenant or agreement contained herein, or in aid of the exercise of any power granted hereby, or to enforce any other legal or equitable right vested in EFC hereby or by the Notes or by law; **provided, however**, that the principal of all Outstanding Notes and the interest accrued thereon may not be declared to be due and payable except upon the happening and continuance of an event of default specified in Section 11.01(a) hereof. Except as limited by this Article XI, EFC shall have such remedies as may be provided by law, including, specifically, by Section 1045-p of the Act.

SECTION 11.03 Remedies not Exclusive. No remedy herein conferred upon or reserved to EFC is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 11.04 Priority of Payments After Default. If at any time the moneys held hereunder shall not be sufficient to pay the principal of and interest on the Notes as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of the Act), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in the Act or otherwise, shall, subject to the provisions of Section 13.03 hereof, be applied as follows:

(a) Unless the principal of all the Notes shall have become or has been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of interest then due in the order such interest is due, and, if the amount available shall not be sufficient to pay in full the interest then due, then to the payment thereof ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any Notes which shall have become due at maturity in the order of their Maturity Dates and, if the amount available shall not be sufficient to pay in full all Notes due on any Maturity Date, then to the payment thereof ratably, according to the amount of principal due on such Maturity Date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Notes shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Notes without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in the Notes.

ARTICLE XII.

DEFEASANCE

SECTION 12.01 Defeasance. (a) If the Authority shall pay or cause to be paid to EFC the principal of and interest thereon, at the times and in the manner stipulated therein and herein, then the pledge made hereby and all other rights granted hereby to such Notes and the covenants, agreements, and other obligations of the Authority shall cease, terminate and become void and be discharged and satisfied with respect to the Notes and EFC. In such event, all moneys or investment securities held by it pursuant to this Resolution which are not required for the payment of the Notes shall be paid or delivered by the Trustee as follows: first, to EFC, the amount, if any, certified by EFC to be remaining due or past due in respect of any Reimbursement Obligations under the Project Finance Agreement and second, the balance, if any, thereof to the Authority. If the Authority shall pay all Reimbursement Obligations incurred by the Authority under the Project Finance Agreement, then the pledge made hereby and all other rights granted hereby to EFC and the covenants, agreements and other rights of or obligations of the Authority to EFC hereunder shall cease, terminate and become void and be discharged and satisfied. Notes shall, prior to the maturity date thereof, be deemed to have been paid within the meaning and with the effect expressed in Section 12.01(a) hereof if there shall have been deposited in trust (through deposit of moneys or Defeasance Securities for such payment with a bank or trust company having a capital and surplus of not less than \$200,000,000, to be held in a separate account irrevocably in trust for EFC) either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which, when due, will provide moneys which, together with the moneys, if any, deposited in trust at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on said Notes on and prior to the maturity date thereof. Neither the Defeasance Securities nor the moneys deposited in trust pursuant to this Section 12.01(b) nor the principal or interest payments on such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Notes; **provided, however**, that any moneys not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal and interest to become due on the Notes on and prior to the maturity date thereof. Any income or interest earned by, or increment to, the investment of any such moneys so deposited, shall, to the extent in excess of the amounts required hereinabove to pay the principal and interest on the Notes, as realized, be paid as follows: first, to EFC, the amount, if any, certified by EFC to be remaining due or past due in respect of any Reimbursement Obligation under the Project Finance Agreement, and, then, the balance thereof to the Authority, and any such moneys shall be released from any trust, pledge, lien, encumbrance or security interest created hereby.

In case the Trustee, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority shall forthwith appoint a successor Trustee. Copies of any resolution of the Authority providing for any such appointment shall be delivered by the Authority to the successor Trustee so appointed and the predecessor Trustee. Any successor appointed under the provisions of this Section shall be a bank located in the State having trust powers or a trust company organized under the laws of the State or national banking association located in the State having a capital and surplus aggregating at least \$200,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby.

SECTION 8.04 Transfer of Rights and Property to Trustee. The Trustee then ceasing to act shall, on request by the Authority or of such successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over,

Notwithstanding any other provisions of this Article IX or Article X hereof, the Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes, and any such Supplemental Resolution shall become effective in accordance with its terms:

(f) To modify, waive or repeal any of the limitations upon the issuance of Notes contained in Section 2.03 hereof, or to modify the provisions of Sections 2.01 and 7.08 hereof regarding an increase in the aggregate principal amount of Notes which may be Outstanding at any time; **provided, however**, that such modification shall not adversely affect the interests of EFC;

(g) To provide for the issuance of the Notes as book-entry only Notes utilizing systems and procedures therefor of the Depositary or the nominee thereof in whose name the Notes are to be registered or to discontinue the issuance of Notes in such form and to issue the Notes in fully certificated form; or

SECTION 9.02 Supplemental Resolutions Effective With Consent of EFC. The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of EFC in accordance with and subject to the provisions of Article X hereof, such Supplemental Resolution to become effective upon the filing in the office of the Trustee of a copy thereof certified by an Authorized Representative of the Authority.

SECTION 9.03 General Provisions Relating to Supplemental Resolutions. The Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article IX and Article X hereof. Nothing contained in this Article IX or Article X hereof shall affect or limit the rights or obligations of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.04 hereof or the right or obligation of the Authority to execute and deliver to the Trustee any instrument elsewhere herein provided or permitted to be delivered to the Trustee.

A copy of every Supplemental Resolution adopted by the Authority, when filed in the office of the Trustee, shall be accompanied by an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Authority and enforceable in accordance with its terms. Notice of the adoption of every Supplemental Resolution adopted by the Authority to which the consent of EFC is not required by this Article IX or by Article X hereof shall be given, together with a copy of each such Supplemental Resolution, to EFC promptly after the adoption thereof.

No Supplemental Resolution changing, amending or modifying any of the rights or obligations of the Trustee, shall become effective without the written consent of the Trustee.

ARTICLE X.

AMENDMENTS OF RESOLUTION

SECTION 10.01 Powers of Amendment. Any modification or amendment hereof, and of the rights and obligations of the Authority and of EFC hereunder, may be made by a Supplemental Resolution, with the written consent of EFC and an opinion of Bond Counsel stating that such

Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions hereof, is authorized or permitted hereby, and is valid and binding upon the Authority and enforceable in accordance with its term.

SECTION 10.02 Exclusion of Notes. Notes owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and the Authority shall not be entitled with respect to such Notes to give any consent or take any other action provided for herein.

ARTICLE XI.

DEFAULTS AND REMEDIES

SECTION 11.01 Events of Default. An event of default shall exist hereunder (herein called “event of default”) if:

(a) Payment of the principal of or an installment of interest on any Note shall not be made by the Authority when the same shall become due and payable, either at maturity or otherwise; or

(b) The Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained herein or in the Notes on the part of the Authority to be performed and such default shall continue for forty-five (45) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by EFC; or

(c) An “event of default” within the meaning of the General Resolution, the Second General Resolution or any agreement or instrument providing for the issuance of any Parity Bond Anticipation Note or Parity Reimbursement Obligation within the meaning of the General Resolution or the Second General Resolution shall have occurred and be continuing.

SECTION 11.02 Enforcement of Remedies. Upon the happening and continuance of any event of default specified in Section 11.01 hereof, then and in every such case, EFC shall be entitled to proceed to protect and enforce EFC’s rights by such appropriate judicial proceeding as EFC shall deem most effectual to protect and enforce any such right, either by suit in equity or by action in law, whether for specific performance of any covenant or agreement contained herein, or in aid of the exercise of any power granted hereby, or to enforce any other legal or equitable right vested in EFC hereby or by the Notes or by law; **provided, however**, that the principal of all Outstanding Notes and the interest accrued thereon may not be declared to be due and payable except upon the happening and continuance of an event of default specified in Section 11.01(a) hereof. Except as limited by this Article XI, EFC shall have such remedies as may be provided by law, including, specifically, by Section 1045-p of the Act.

SECTION 11.03 Remedies not Exclusive. No remedy herein conferred upon or reserved to EFC is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 11.04 Priority of Payments After Default. If at any time the moneys held hereunder shall not be sufficient to pay the principal of and interest on the Notes as the same become due and payable (either by their terms or by acceleration of maturity under the provisions of the Act), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in the Act or otherwise, shall, subject to the provisions of Section 13.03 hereof, be applied as follows:

(a) Unless the principal of all the Notes shall have become or has been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of interest then due in the order such interest is due, and, if the amount available shall not be sufficient to pay in full the interest then due, then to the payment thereof ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any Notes which shall have become due at maturity in the order of their Maturity Dates and, if the amount available shall not be sufficient to pay in full all Notes due on any Maturity Date, then to the payment thereof ratably, according to the amount of principal due on such Maturity Date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Notes shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Notes without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in the Notes.

ARTICLE XII.

DEFEASANCE

SECTION 12.01 Defeasance. (a) If the Authority shall pay or cause to be paid to EFC the principal of and interest thereon, at the times and in the manner stipulated therein and herein, then the pledge made hereby and all other rights granted hereby to such Notes and the covenants, agreements, and other obligations of the Authority shall cease, terminate and become void and be discharged and satisfied with respect to the Notes and EFC. In such event, all moneys or investment securities held by it pursuant to this Resolution which are not required for the payment of the Notes shall be paid or delivered by the Trustee as follows: first, to EFC, the amount, if any, certified by EFC to be remaining due or past due in respect of any Reimbursement Obligations under the Project Finance Agreement and second, the balance, if any, thereof to the Authority. If the Authority shall pay all Reimbursement Obligations incurred by the Authority under the Project Finance Agreement, then the pledge made hereby and all other rights granted hereby to EFC and the covenants, agreements and other rights of or obligations of the Authority to EFC hereunder shall cease, terminate and become void and be discharged and satisfied. In the event of any discharge and satisfaction provided for in

this Section 12.01(a), the Trustee shall, upon request of the Authority, execute and deliver such documents to evidence satisfaction as may be reasonably required by the Authority.

(b) Notes for the payment of which moneys shall have been set aside and shall be held in trust (through deposit of moneys or Defeasance Securities for such payment with a bank or trust company having a capital and surplus of not less than \$200,000,000, to be held in a separate account irrevocably in trust for EFC) shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. Notes shall, prior to the maturity date thereof, be deemed to have been paid within the meaning and with the effect expressed in Section 12.01(a) hereof if there shall have been deposited in trust (through deposit of moneys or Defeasance Securities for such payment with a bank or trust company having a capital and surplus of not less than \$200,000,000, to be held in a separate account irrevocably in trust for EFC) either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which, when due, will provide moneys which, together with the moneys, if any, deposited in trust at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on said Notes on and prior to the maturity date thereof. Neither the Defeasance Securities nor the moneys deposited in trust pursuant to this Section 12.01(b) nor the principal or interest payments on such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Notes; **provided, however**, that any moneys not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal and interest to become due on the Notes on and prior to the maturity date thereof. Any income or interest earned by, or increment to, the investment of any such moneys so deposited, shall, to the extent in excess of the amounts required hereinabove to pay the principal and interest on the Notes, as realized, be paid as follows: first, to EFC, the amount, if any, certified by EFC to be remaining due or past due in respect of any Reimbursement Obligation under the Project Finance Agreement, and, then, the balance thereof to the Authority, and any such moneys shall be released from any trust, pledge, lien, encumbrance or security interest created hereby.

ARTICLE XIII.

All covenants, stipulations, promises, agreements, representations and obligations of the Authority contained herein shall be deemed to be the covenants, stipulations, promises, agreements, representations and obligations of the Authority and not of any member, officer or employee of the Authority in his individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claims based thereon or hereon against any member, officer or employee of the Authority or any person executing the Notes, all such liability, if any, being expressly waived and released by EFC by the acceptance of the Notes.

SECTION 13.06 Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein on the part of the Authority or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of the Notes.

SECTION 13.07 Parties of Interest. Nothing herein, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Authority and EFC any rights, remedies or claims hereunder or by reason hereof or any covenant, condition or stipulation thereof.
