Physical Comparison	Fractured Item	Visual
Postmortem Interval/Taphonomy	Human Remains	Visual
Qualitative Determination	Remains	Visual
Segregation of Commingled Remains	Human Remains	Visual

When published on a forensic service provider's Scope of Accreditation, ANAB has confirmed the competence required to develop and validate methods and perform on-going quality assurance for accredited activities. For a listed component/parameter, the forensic service provider may add or modify methods for activities without formal notice to ANAB for items and key equipment/technology listed. Contact the forensic service provider for information on the method utilized for accredited work.

Pamela L. Sale
Vice President, Forensics
