MEMO 2023-005: Qualtrax Name Change to Ideagen Quality Management

Qualtrax is a document control software that was owned by Qualtrax Inc. and has been in use by the Department of Forensic Biology since 2016. Qualtrax Inc. was acquired by Ideagen Plc. in 2021 and as of July 1, 2023, the Qualtrax document control software has been rebranded to Ideagen Quality Management. With the upgrade of our Qualtrax software from version 2022.36.0.0 to version 2023.15.0.0 on the date of this memorandum, the Qualtrax software used by the department underwent this rebranding.

Numerous Forensic Biology documents currently reference the use of the term Qualtrax. As it is not practical to update every instance of its usage, any instances of the use of the term Qualtrax in our memorandums, manuals, forms, etc. will be understood to be synonymous with Ideagen Quality Management.
