All time during which an employee is in full pay status, except hours worked after a seven (7) hour shift and paid for as premium rate overtime, are to be counted towards computing the thirty-five (35) hours worked in a week for the purpose of earning overtime after thirty-five (35) hours worked.

Work performed by complainants herein employed by the Human Resources Administration, between the hours of *4:00 P.M. and 12 midnight*, shall be compensated in cash at the rate of time and one-half (1-1/2x).

Employees who are assigned to do taping, decorative, fire escape or scaffold and spray painting, uninterrupted for at least a four (4) hour working day, are to receive the rates provided for in discharge of these duties:

Effective May 3, 2008, the City of New York, et al., shall continue to contribute to the Local 1969 Civil Service Employees Annuity Fund ("the Annuity Fund") at the rate of \$3.56 per day per employee, for each day actually worked, regardless of hours in excess of seven (7), excluding annual leave days, sick leave days, vacations and other exclusions pursuant to regulatory provisions affecting the payment thereof. For the purpose of this supplemental benefit, a compensatory day off shall be considered a day worked. - l) The submission of any Labor Law complaint, effective on **November 25, 2017**, can be made at the Bureau of Labor Law, of the Office of the Comptroller on or after that date.

**Re: Lump Sum Cash Payments
2008-2017 Painters Agreement**

Dear Mr. Melish:

This is to confirm the understanding and agreement of the parties concerning lump sum cash payments related to the 2008-2010 round of bargaining for employees covered under the Painters Consent Determination for the period May 3, 2008 through November 24, 2017.

a. For those continuously employed and active on the date of payment:

7/1/2015 :	12.50%
7/1/2017:	12.50%
7/1/2018:	25.00%
7/1/2019:	25.00%
7/1/2020:	25.00%

b. Employees who retired before January 2, 2013, shall receive a single lump sum payment pursuant to the "Structured Retirement Claims Settlement Fund" equivalent to the difference between the amount the employee earned and the amount he/she would have earned if there was a general wage increase of 4% on 5/3/08 and an additional 4% general wage increase on 5/3/09.

- c. Employees who retire from active service from January 2, 2013 through June 30, 2020 shall receive lump sum payments based on the same schedule as actives, as set forth in Section 2(a), above.
- d. Bargaining unit employees who were laid off and returned to the unit for the City or a covered employer will be treated as "continuously employed" during the time between the layoff date and the return date, for purposes of the lump sum payments described in Section 2(a). For purposes of this paragraph, any earnings in a covered title for a covered employer (e.g. temporary work as a Painter at HHC) will be used to calculate the amount of the lump sum payments. For purposes of this paragraph, the employee who was laid off and returned to another DC9-represented title (i.e. Richard Mocciano) will be treated as "continuously employed" during the time between the layoff date and the hire date as a Bridge Painter.
- e. It is the intent of the Agreement that retirees and actives continuously employed as of the dates of payout and up to and including the final payment date of July 1, 2020, after having received all the lump sum payments, shall have received the total amount of lump sum cash equal to the amount they would have received if they had received 4% increases on 5/4/08 and 5/4/09, compounded.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,

ROBERT W. LINN

AGREED AND ACCEPTED ON BEHALF
OF LOCAL 1969:

BY:

STEPHEN P. MELISH

IN THE EVENT OF ANY INCONSISTENCY BETWEEN APPENDIX A AND REQUIREMENTS IMPOSED BY FEDERAL, STATE, OR LOCAL LAW, SUCH AS THOSE THAT APPLY TO MATERNITY LEAVE, THE FEDERAL, STATE, OR LOCAL LAW SHALL TAKE PRECEDENCE UNLESS SUCH FEDERAL, STATE, OR LOCAL LAW AUTHORIZES SUCH INCONSISTENCY.

APPENDIX A

Time and Leave Benefits:

1- ANNUAL LEAVE ALLOWANCE

Section 1

A combined vacation, personal business and religious holiday leave allowance, shall be established, which shall be known as "annual leave allowance".

Section 2 **EFFECTIVE MAY 1, 1970**

Annual leave allowance shall be granted to permanent employees who work at least a 250-day year, as follows:

<u>CATEGORY</u>	<u>ANNUAL LEAVE ALLOWANCE</u>	<u>MONTHLY ACCRUAL</u>
Employees who have completed 15 years of service.	27 Work Days (5 weeks and 2 days)	2 - 1/4 days
Employees who have completed 8 years of service .	25 Work Days (5 weeks)	2 days, plus 1 day at end of of vacation year.
All other employees	20 Work Days (4 weeks)	1 - 2/3 days

Section 3

There shall be a pro-rating of the above allowance for employees who work less than a 250-day year.

Section 4

For the earning of annual leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen's Compensation payments shall be considered as time "served" by the employee.

In the calculation of annual leave credits, a full month's credit shall be given to an employee who has been in full pay status for at least 15 calendar days during that month, provided however,

that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the annual leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period; and (b) if an employee loses annual leave credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the annual leave credits earnable in 1 month for each 30 days of such full pay status.

Section 5

Calculation of annual leave credits for vacation purposes shall be based on a year beginning May 1st, hereafter known as a "vacation year." All annual leave allowance of an employee to the employee's credit on April 30th and not used in the succeeding vacation year may be carried over from said vacation year to the next succeeding vacation year only, with the approval of the agency head; and any such time not used within the prescribed period shall be added to the employee's sick leave balance.

a. All annual leave accumulations to the credit of employees on May 1, 1961, which exceed the allowance permitted in Article I, Section 5, shall remain to their credit but shall be reduced to the maximum set by the Leave Regulations by May 1, 1970. This shall be accomplished in the following manner:

(1) Any accumulations in excess of 40 days shall be established as an annual leave reserve bank, which shall be in existence until May 1, 1970.

(2) Any time left in the annual leave reserve bank on May 1, 1970 shall be transferred to the sick leave balances of employees. If any such transfer causes an employee's sick leave balance to rise above the 180-day maximum established by the Leave Regulations, the sick leave surplus which exceeds 180 days shall be placed in the employees sick leave bank and shall remain to his credit, notwithstanding the provisions of Article II, Sec. 2.

(3) After May 1, 1970, the full provisions of Article I, Section 5 apply.

b. In the event, however, that the Mayor or an elected official of any department calls upon an employee to forego his vacation or any part thereof in any year, that portion thereof shall be carried over as vacation even though the same exceeds the limits fixed in Article I, Sections 5 and 5 (a) above.

Section 6

The normal unit of charge against annual leave allowance for vacation and personal business shall be one-half day. Smaller units of charge are authorized for time lost due to tardiness,

religious observance, and for the time lost by employee representatives duly designated by employee organizations operating under the Mayor's Executive Order No. 38 dated May 16, 1957, engaged in the following types of union activity:

- a. Attendance at union meetings or conventions.
- b. Organizing and recruitment
- c. Solicitation of member.
- d. Collection of union dues.
- e. Distribution of union pamphlets, circulars and other literature.

The agency is authorized to make such other exceptions as warranted.

Section 7

Earned annual leave allowance shall be taken by the employees at the time convenient to the department. In exceptional and unusual circumstances, an agency head may permit use of annual leave allowance before it is earned, not exceeding two weeks.

Section 8

Where certification of eligible lists permits, provisional and temporary employees shall have the same annual leave benefits as regular employees except that they may not be permitted to use annual leave allowances for other than religious holidays until they have completed four months of service.

Section 9

Penalties for unexcused tardiness may be imposed by the head of each agency in conformance with established rules of the agency. As a minimum, however, all unexcused tardiness both in the morning and upon return from lunch shall be charged to the annual leave allowance.

Section 10

Terminal Leave shall be allowed to employees who work at least 250 days per year at the rate of one month for every ten years of service, (a) the rates of which are fixed in accordance with a Comptroller's determination made under Section 220 of the Labor Law of the State of New York, and (b) of service under the Career and Salary Plan Leave Regulations, pro-rated for a fractional part thereof.

If the employee so selects, and as an alternative to the above method of computation, his Terminal Leave allowance may be computed on the basis of one day of Terminal Leave for each two days of unused sick leave accumulation, to a maximum of one hundred (100) days Terminal Leave Allowance. Under the latter option, Terminal Leave shall be computed on the basis of work

days, rather than calendar days.

II. SICK LEAVE ALLOWANCE

Section 1

Sick leave allowance of one day per month of service shall be credited to permanent employees, provisional employees and temporary employees and shall be used only for personal illness of the employee.

Section 2

Sick leave allowance shall be cumulative up to a maximum of 200 work-days. After this maximum is reached, no more sick leave credits may be earned by the employee except to the extent of restoring credits subsequently drawn for sick leave and thereby building up accruals again to the maximum of 200 work-days. Existing balances to the credit of employees at the time of adoption of these regulations shall remain to their credit.

Section 3

Sick leave may be granted at the discretion of the agency head and proof of disability must be provided by the employee, satisfactory to the agency head. Presentation of a physician's certificate in the prescribed form may be waived for absences up to and including three consecutive work days. In a case of a protracted disability, such certificate shall be presented to the agency head at the end of each month of continued absence.

Section 4

The normal unit for computation of sick leave shall be not less than one-half day. The agency head may authorize smaller units of charge in exceptional and unusual circumstances. Credits cannot be earned for the period an employee is on leave of absence without pay. For the earning of sick leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen's Compensation payments shall be considered as time "served" by the employee.

In the calculation of sick leave credits, a full month's credit shall be given to an employee who has been in full pay status for at least 15 calendar days during that month, provided however, that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the sick leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period, and (b) if an employee loses sick leave credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days

in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the sick leave credits earnable in one month for each 30 days of such full pay status.

Section 5

In the discretion of the agency head, employees except provisional and temporary employees, who have exhausted all earned sick leave and annual leave balances due to personal illness may be permitted to use unearned sick leave allowance up to the amount earnable in one year of service, chargeable against future earned sick leave.

Section 6

At the discretion of the agency head, permanent employees may also be granted sick leave with pay for three months after ten years of City Service, after all credits have been used. In special instances, sick leave with pay may be further extended, with the approval of the agency head. The agency head shall be guided in this matter by the nature and extent of illness and the length and character of service.

III. OTHER AUTHORIZED ABSENCES WITH PAY

Section 1

Absence of permanent employees, provisional employees and temporary employees for the reasons indicated below, shall be excusable in the discretion of the agency head without charge to sick leave or annual leave balances, upon submittal of evidence satisfactory to the agency head:

a. Absence not to exceed four work-days in the case of death in the immediate family. Family shall be defined for this purpose as spouse; natural, foster, step-parent, child, brother or sister; father-in-law or mother-in-law; or any relative residing in the household.

b. For Jury Duty. Leave for jury duty shall be granted to the employee provided that he endorses his check for jury duty to the City.

c. For Court Attendance Under Subpoena or Court Order. Leave to attend court shall be granted when neither the employee nor anyone related to him has a personal interest in the case, and where said attendance at court is not related to any other employment of the employee.

d. Absence required because of Health Department ruling with respect to quarantine.

e. For attendance at New York City Civil Service examination, or for official investigation interview or appointment interview in relation to the resulting eligible list.

f. For attendance of delegates and alternates at State or National conventions of veterans' organizations and volunteer firemen's organizations.

g. Absence by employee representatives, duly designated by employee organizations operating under the Mayor's Executive Order No. 38 dated May 16, 1957, acting on matters related to the interests of employees of their own respective departments, to negotiate with and appear before departmental and other City officials and agencies including the Board of Estimate, the City Council, and the Department of Personnel.

Section 2

Prior notice to and authorization by the agency head or his designated representative is required for absence under (b), (c), (e), (f), and (g) of Section 1 above. The employee shall give notice to the agency as soon as possible in all other cases.

Section 3

Agency heads shall grant any leave of absence with pay required by law.

IV LEAVES OF ABSENCE WITHOUT PAY

Section 1

Maternity Leave. Existence of pregnancy shall be reported by the employee, in writing, to the head of agency not later than the completion of the fourth month of pregnancy. Maternity leave of absence, commencing not later than the completion of the fifth month of pregnancy, shall be granted for a period of twelve months, and upon application of the employee, may be extended by the agency head for an additional period, not to exceed six months. Total leave for this purpose shall not exceed 18 months. An employee on maternity leave may be required to report for physical examination before resuming service.

Section 2

Leaves of absence without pay for reasons not covered in the foregoing rules may be granted to permanent employees by the agency head not to exceed one year. Extension of such leave may be granted by an agency head not to exceed an additional period of one year. Further extensions may be granted by an elected official, in an agency headed by such official, or by the City Personnel Director for agencies headed by appointed officials.

Section 3

Agencies shall grant any leave of absence without pay, such as military leave, required by law.

V. MISCELLANEOUS PROVISIONS

Section 1
