**SECTION 1

If you have more than one Plan account, check each account for which the change(s) on the form should apply. Use another Change Form if you wish to designate different beneficiaries for each account.

**SECTION 2
PARTICIPANT INFORMATION**

Address changes will apply to all plans you might have (457, 401(k), 401(k) Special Rollover, and NYCE IRA). Acceptable documentation includes: copy of driver's license or passport.

**SECTION 4
NAME CHANGE**

Name changes will apply to all plans you might have (457, 401(k), 401(k) Special Rollover, and NYCE IRA). Acceptable documentation includes: name change order, marriage certificate, divorce decree, driver's license or passport.

**SECTION 5
SOCIAL SECURITY NUMBER CHANGE**

Social Security Number changes will apply to all plans you might have (457, 401(k), 401(k) Special Rollover, and NYCE IRA). Acceptable documentation includes: copy of new Social Security card **and** driver's license or passport.

**SECTION 7
BENEFICIARY ELECTION**

If you are naming a person as your beneficiary, you should select "A Person" in the first box, even if your beneficiary is a minor child. Do not select "A Trust" unless you have already created the trust (or arranged for one to be created under your will). The Plan cannot establish a trust for you.

You must name a beneficiary when you enroll. If you die, your account balance or remaining payments will be paid in this order:

1. To your surviving primary beneficiary(ies);
2. If there are no surviving primary beneficiaries, to your surviving contingent beneficiaries;
3. If there are no surviving primary or contingent beneficiaries, to your surviving spouse;
4. If there is no surviving spouse, to your estate.

You may designate more than one primary beneficiary. You must also indicate the percentage you wish each primary beneficiary to receive upon your death. The total must equal 100%. You may also designate more than one contingent beneficiary. The percentages you wish each contingent beneficiary to receive upon your death must also total 100%. For example, you elect two primary beneficiaries and specify that each primary should receive 50% of your account balance upon your death. You also elect three contingent beneficiaries and specify that one contingent should receive 50% and the other two should receive 25% each (totaling 100%). The contingent beneficiaries will only receive your account in the event there are no surviving primary beneficiaries.

Please note that if you are participating in both the 457 Plan and the 401(k) Plan, changing beneficiaries in one plan will not effect changes in the other plan, unless you indicate otherwise in Section 1 of the Change Form.
