**Annual Transfer Period for
Active Employees – Fall 2021**

The Fall 2021 Annual Health Benefits Program Transfer Period begins **November 1, 2021** and ends **November 30, 2021**. Health plan changes requested during the Transfer Period will be effective January 1, 2022 and the new payroll deduction, if applicable, will begin with your first full paycheck in **January 2022**.

Employees who do not wish to make any changes to their current health plan do not need to do anything during the Transfer Period.

During the Annual Transfer Period, you may:

- Transfer into any health plan listed in this notice for which you are eligible,
- Add or drop the Optional Rider, or
- Add or drop dependent(s).

Family Status and Other Changes:

- If you have changed your address, please update your address through your ESS or your agency HR/Personnel.
- If you changed your marital status, contact NYCAPS Central or your agency HR/Personnel.
- If you changed your domestic partnership status, contact NYCAPS Central, your agency HR/Personnel and union/welfare fund. **This is important for taxation purposes.**
- You must contact your union/welfare fund so that your records can be updated accordingly.

To make changes, complete a Health Benefits Application. To obtain an application, contact one of the following offices:

- Employees of NYCAPS centralized agencies contact NYCAPS at (212) 487-0500
- DOE employees contact HR Connect at (718) 935-4000
- NYC H+H employees contact the HR Share Services Benefits Department office at (646) 458-5634
- All other employees and employees of non-NYCAPS centralized agencies should contact their agency HR/Personnel Office

Employee Self-Service (ESS): Employees with access to Employee Self-Service may make changes to their health benefits online.

Health Benefits Application: Employees who do not have access to ESS can make changes to their health benefits by completing this application, which is available on our website at nyc.gov/hbp. Completed applications should be submitted to your agency HR/Personnel Office for processing.

If you are making changes to your health benefits plan/option, please review the following Health Benefits Program materials on our website at nyc.gov/hbp:

- Health Plan Rate Chart for Employees
- Summary Program Description (SPD)

- Links to the Health Plans' websites for additional health plan and contact information

Many of the health plans will be offering informational webinars for employees to learn more about their health plan offering. Please visit the Health Benefits Program website at nyc.gov/hbp for registration information.

Prescription Drug Coverage:

- If your union/welfare fund provides prescription drug coverage, and you are selecting either HIP HMO or GHI-CBP, then prescription drug coverage (aside from those covered under the basic plan) will be available **only** through your union or welfare fund and **not** through the Optional Rider.
- If you are selecting any other health plan, you are eligible to select the Optional Rider for prescription drugs **in addition to** your union or welfare fund's prescription drug coverage. Your health premium deduction will be adjusted accordingly.
- Contact your union/welfare fund for your prescription coverage information.

Health Plan Coverage for Employees Hired On or After January 1, 2022:

City of New York employees, and employees of Participating Employers, hired on or after January 1, 2022, and their eligible dependents, will be eligible to enroll in all City Health Benefits Program health plan options.

After 365 days of employment, the employee will have the option of either remaining in the HIP HMO Preferred Plan or selecting a different health plan within 30 days before the end of the 365-day period. If a new health plan is selected, the new plan will be effective on the 366th day. Only after the 365th day can the employee participate in any Annual Fall Transfer Period.
