2026 Express Scripts Drug List for the New York City PICA Program

The following is a list of the drugs included in the NYC PICA prescription plan. The list is not all-inclusive and does not guarantee coverage. In addition to using this list, you are encouraged to ask your doctor to prescribe generic drugs whenever appropriate.

PLEASE NOTE: Brand-name drugs may move to nonformulary status if a generic version becomes available during the year. For specific questions about your coverage, please call the phone number printed on your member ID card.
