Aetna Medicare is a PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal. See Evidence of Coverage (EOC) for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Out-of-network/non-contracted providers are under no obligation to treat members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
