FREEDOM TO CHOOSE YOUR DOCTOR

When you join the plan you have the freedom to choose your personal doctor from our list of highly-credentialed private-practice physicians. The doctor you choose will become your primary care physician (PCP) and will work with you to coordinate all of your health care needs, including referrals to specialists and admissions to hospitals. Doctor visits are \$15 and your annual physical is free. Chiropractic visits are a \$10 copay. As a UnitedHealthcare Group Medicare Advantage Member, you'll receive full coverage for hospitalization when arranged or authorized by your PCP. And, in the case of an emergency, members are covered anywhere in the world.

UnitedHealthcare Group Medicare Advantage encourages its members to take care of themselves, which is why you are entitled to a free annual physical, free yearly mammograms and Pap smears for women, as well as podiatry, vision and hearing aid benefits.
