

AETNA MEDICARE ADVANTAGE PPO ESA PLAN (PPO)

The Aetna Medicare Advantage PPO ESA Plan offers comprehensive coverage, all in one plan. Everything from routine physicals to preventive care beyond Original Medicare and hospitalization is covered, with the flexibility to visit a doctor or hospital of your choice. If your provider does not participate in the Aetna Medicare network but is willing to accept your PPO plan and the provider is eligible to receive Medicare payment, you can receive covered services at the same in-network cost sharing amount.

What's new for 2025:

The prescription drug plan (Part D) has a \$2,000 True Out of Pocket Maximum. Once you reach the catastrophic phase of \$2,000; you pay \$0 for the remainder of the year.

The Medicare Prescription Payment Plan:

This is also referred to as the M3P, a new payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading your monthly costs across monthly payments that vary throughout the year (January – December). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. All members are eligible to participate in this payment option, regardless of income level, for more information call the number on your Aetna ID card for more information.
