Director, Employee Benefits Program

December 23, 2024

Dear City of New York Employee,

I am pleased to share that Memorial Sloan Kettering (MSK) and Anthem Blue Cross and Blue Shield (Anthem) have successfully concluded contract negotiations as of December 23, 2024. As a result, MSK will remain part of the Anthem network for the GHI/CBP plan in 2025 and beyond, ensuring no disruption to your care.

Active employees enrolled in the HIP HMO plan, as well as retirees covered under Senior Care and the HIP VIP plan, will also continue to have full access to MSK through their respective plans.

As noted in my September letter, contract renewals between insurers and healthcare providers are a standard and routine part of the health insurance process. Typically, these agreements span three years and are renegotiated at the end of each term.

Wishing you and your families a healthy and happy holiday season.

Sincerely,

Renee Campion
