

## ● Highlight ●

ACS regularly hosts the popular “Self-Paced Paint and Relax” sessions for staff. This event, held in honor of Social Work Month, was open to all employees.

Staff were invited to “drop in and create your own painting” while enjoying music and using printed reference photos.

The event was organized in collaboration with Wellness Ambassadors Kimberly Columbo and Rhonda Glasgow from the Division of Preventive Services, and even the Deputy Commissioner of Financial Services joined in the fun.

## Self-Paced Paint & Relax

The event encouraged staff to take a break and enjoy some creativity, with the invitation: “Need a moment to be creative and unwind? Drop in and create your own painting.”
