The CCHR Employee Recognition Event in December was a memorable celebration of dedication, teamwork, and excellence. Colleagues came together to honor outstanding contributions, reflect on the year's achievements, and enjoy a festive atmosphere filled with appreciation and gratitude.

The celebration was made even more fun with delicious pizza and a variety of games that brought out everyone's playful side. Laughter and friendly competition filled the room, creating a relaxed and joyful vibe that perfectly complemented the spirit of recognition and togetherness.

Sometimes the best team building happens over a slice of pizza and a good game.
