In February, the DYCD Wellness and Quality of Work Life Committees hosted Love and Appreciation in the Workplace.

On February 12th, staff wore pink and red and shared team photos to celebrate the day.

Three “walls of appreciation” were set up at 2 Lafayette (14th & 21st floors) and 123 William Street, where colleagues posted messages of gratitude.

Photos came in from across the agency, and staff shared how much they appreciated the chance to connect and reconnect with coworkers.

“It brought a little joy to our workday!”
