INTRODUCTION

As a condition of receiving U.S. Department of Housing and Urban Development (HUD) Office of Community Planning and Development (CPD) formula entitlement program funds (Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Housing Opportunities for Persons With AIDS (HOPWA), and Emergency Solutions Grant (ESG) funds), the City of New York is required to submit a Consolidated Annual Performance and Evaluation Report (CAPER). The 2022 CAPER reports on New York City's one-year progress (January 1, 2022, to December 31, 2022) in using its annual entitlement grants award to address the priority needs and goals articulated in the City's Consolidated Five-Year Strategic Plan for plan years 2021-2025. 2022 represents the second year of a five-year strategic plan.

New York City's performance and evaluation report was formulated using the federally mandated eCon-Planning Suite, a new electronic template for producing the (five-year) Consolidated Plan, One-Year Action Plans, and the associated Consolidated Annual Performance and Evaluation Report (CAPER) directly within HUD's Integrated Disbursement and Information System (IDIS).

Beginning October 1, 2021, the CAPER completed in the Sage reporting system replaces all CAPER forms in the jurisdiction's annual CAPER report submitted in the eCon Planning Suite. This includes forms CR-65, CR-70, and CR-75. Therefore, the reader is requested to please refer to the Sage CAPER attachments when reviewing ESG-related information.

Similarly, as per HUD's guidance on March 4, 2016 [HOPWA Grantee Reporting in IDIS](#), the City's comprehensive HOPWA household output and accomplishment data is reported and available in the HOPWA CAPER (HUD-40110-D). Therefore, in order to facilitate a comprehensive understanding of the City's HOPWA related programmatic expenditures and accomplishments the reader is also requested to refer to appendix HOPWA 2020 CAPER when reviewing HOPWA-related data.

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

HOPWA

In calendar year 2022, the New York City Department of Health and Mental Hygiene (DOHMH) administered the HOPWA grant to serve a total of 5,885 households across the NYC Eligible Metropolitan Statistical Area (EMSA) with permanent housing facilities, tenant-based rental assistance (TBRA), short-term rent, mortgage and utility (STRMU) assistance, and supportive services. In addition to providing stable, safe and affordable housing, the HOPWA program also contributed to improved quality of life indicators for HOPWA beneficiaries. On an annual basis, DOHMH carefully tracks and measures consumer outcomes such as retention in care; treatment adherence; COVID-19 rates among HOPWA consumers and viral load suppression.

The U.S Department of Housing and Urban Development (HUD) Office of HIV/AIDS Housing (OHH), has invited the NYC Department of Health and Mental Hygiene (DOHMH), the NYC Eligible Metropolitan Statistical Area (EMSA), to be part of its pilot cohort of the HOPWA Program Racial, Gender, and LGBTQ+ Equity Initiative. Under this initiative, pilot communities will work to assess their HOPWA program's ability to address equity and provide tools for communities to improve their systems such that people living with HIV (PLWH) have equitable access to housing and services. In 2022 we created our HOPWA Equity Initiative Core Committee consisting of four persons representing project sponsors in the NYC metro area and well as Westchester County. All four have completed their orientation and training and are mapping out the next steps. We began the process of looking into how we onboard persons with lived experience (PLE) into the work being done by the core committee with the goal of bringing on 2-3 PLEs in 2023. This project will continue to address the disparities in housing services for the impoverished Black, Indigenous, and people of color (BIPOC), women, and LGBTQ+ persons. With the assistance of Project Sponsors, the program will be able to reach out to the community and inquire about current needs that may be causes of inequities via questionnaires, interviews, and phone calls. These efforts will be reported to HOPWA in efforts to incorporate long term changes within housing service delivery. HOPWA will continue to work with project sponsors and other HOPWA jurisdictions to identify gaps in housing services and create tools to obtain data in efforts to improve systems.

In FY 22, as part of the changes to the NYC EMSA, HOPWA TBRA activities in Orange County were transitioned to the NY State Office of Temporary and Disability Assistance (OTDA). We also worked with the Township of Lakewood NJ to transition three NJ Counties to align with the changes to the NYC EMSA. All the programs were granted additional funds from previous year's underspending to provide for a seamless transition of services for consumers. The transition of the programs was fully complete as of December 31, 2022.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

HOPWA

The HOPWA program's expected outcomes exceeded annual projections in all areas except for Affordable Housing Non-homeless Special Needs. Specifically, our congregate facilities outcomes were lower than projected, as only 182 of the 268 projected goals were met. Our project sponsors faced barriers in recruiting consumers, however several of our HOPWA programs transitioned a few clients from their HOPWA programs to other housing programs or to independent living. Permanent Housing Placements for PLWHA exceeded projections. Please note our HOPWA Housing Placement Assistance contracts ended as of 12/31/2021, leaving only our Rental Assistant contracts providing placements as part of their funding.

Assessment of CDBG Program Performance

In 2022, the City's CD-funded programs generally met or exceeded their goals. However, several goals had actual accomplishments that were at least 25 percent higher or lower than their 2021 projections. Below is an explanation for each activity.

- Under Improve and Preserve NYC's Housing Stock, the programs within Housing Rehabilitation Administration, the Primary Prevention Program (PPP) did meet its accomplishment projections as the Program's average per-unit cost has increased dramatically since 2020; as a result, the same amount of funding can produce fewer units. In addition, in December 2021, the City of NY re-defined lead-based paint from 1.0 mg/sq cm as measured by X-ray fluorescence machine, to .5 mg/sq cm. Therefore, remediation scopes of work became more extensive and expensive. At the same time, the 7A Program, also within Housing Rehabilitation and Administration, did not meet its accomplishments as the program saw extreme delays associated with construction.
- Under the Make NYC more livable for people with disabilities goal Services for people with Disabilities did not meet their program goal due to staff turnover and the loss of access to data collection systems. Additionally, Project Open House did not meet its projected accomplishments for Homeowner Housing Units Rehabilitated. The program expected to finish two projects but was only able to complete one due to construction delays.
- The Modernize and improve public facilities projection was incorrectly recorded in the action plan. The Department for the Aging didn't finish out some of the projects they projected they would.
- Greenthumb exceeded its projected accomplishments in 2022 for Public Facilities Improvements because of the increase in garden buildouts and masonry work, including building foundations for new tool sheds.
- Elderly Safe-at-Home, under the goal Provide safety and independence for the elderly program appears to have exceeded the 2022 projections by more than 25 percent. However, it appears there was a data entry error where 7,254 became 4,254. Businesses assisted under the support economic development goal is listed as "0" businesses assisted, but the accomplishments should be reflected as Other, so both activities funded under Avenue NYC are recorded under the "Other" indicator.
- All accomplishments under the Hurricane Sandy Grant are recorded as "0", as the City did not draw on any expenditures associated with accomplishments in 2022.

CDBG Assessment of Addressing Specific Objectives

Program regulations state that every CD-funded activity must benefit either low and moderate-income (low/mod) persons, prevent or eliminate slums or blight, or meet an urgent need. Further, at least 70 percent of CD program funds must benefit low/mod persons. New York City maintains discretion in using its funds for housing renovation, maintenance, and services; economic development; improvements and renovations to public facilities; and public services. The goals identified in this module and the programs

that support them have been prioritized both for their ability to address the needs identified in the 2021-2025 Five-Year Strategic Plan and for their benefit to low/mod persons and communities. For Calendar Year 2022, 82.2 percent of CD funds were used to benefit low/mod persons. Calendar Year 2022 is the third year of the multi-year certification period for low/mod benefit. The program years covered in the multi-year certification are 2020, 2021, and 2022. The multi-year percent benefit to low/mod persons is 83.2.

The CD program is also limited in the programs that it can fund by the spending caps listed below. The City is close to both caps and cannot fund additional programs that would fall into these categories.

- A 15 percent cap on Public Services, which is calculated by dividing the sum of the Public Service expenditures and unliquidated obligations by the sum of the current year's grant and prior year's program income. In 2022, the City's Public Service percentage was 9.6 percent.
- A 20 percent cap on Planning and Administration activities, which is calculated by dividing the sum of the Planning and Administration expenditures and unliquidated obligations by the sum of the current year's grant and current year's program income. In 2022, the City's Planning and Administration percentage was 16.5 percent.

In 2022, the City had a total of \$532,588,803 available from the Federal Fiscal Year 2022 Entitlement, program income, revenue credits, and accruals. Total expenditures were \$364,009,263. This is an expenditure rate of 68.35 percent.

Please note the expenditure amount above includes \$41,784,289 in CDBG Entitlement funding related to COVID response. In 2020, the City received \$224,363,433 in CDBG-CV funding from the CARES Act to prevent, prepare for, and respond to COVID-19. Additionally, the City reallocated \$146,366,000 in prior year CDBG Entitlement funds to this effort, for a total of \$370,729,433 allocated to COVID-related programs. As of December 31, 2022, CDBG-CV reimbursements totaled \$170,917,840, with \$39,420,355 being drawn in Calendar Year 2022. Between the Entitlement and CV-funded programs, the City drew a total of \$403,429,618 in CDBG funding in Calendar Year 2022.

**APR 48 - Calendar Year 2022
Community Development Block Grant
Explanation of Adjustments to IDIS PR26 Report - CDBG Financial Summary Report**

The following adjustments were necessary to properly reflect New York City's financial summary data in the Integrated Disbursement and Information System (IDIS).

Line 07 - Adjustment To Compute Total Available:

Adjustment of 0.00 is the program income in Calendar Year 2022 that was attributable to the Barclays sale. This was accounted for in calendar 2018 for CAP calculations. We completed the use of these funds in APR 46.

Adjustment Components:	
<i>2022 Program Income Used -from Urban Renewal land sale:</i>	0
<i>Line 5a Status of Funds- 2022 NHS Program Income:</i>	0
Line 7 PR 26 Adjustment	-

Line 10 - Adjustment To Compute Total Amount Subject To Low/Mod Benefit:

Line 09 amt of \$ 330,022,146.00 is incorrect. The correct amount is \$ 330,022,147.00 on Line 10 of the Status of Funds which is the Total Expenditures Reported less the Planning & Administration expenditures.

<i>Line 09 PR 26</i>	<i>(330,022,146)</i>
<i>Line 10 Status of Funds</i>	<u>330,022,147</u>
Line 10 PR 26 Adjustment	1

Line 14 - Adjustment To Compute Total Expenditures:

Line 12 amount of \$ 33,987,116.00 is CORRECT. NO adjustment needed. The correct amount expended for Planning & Administration is \$ 33,987,116.00 on Line 9 of the Status of Funds.

Line 12 PR 26	(33,987,116.00)
Line 9 Status of Funds	33,987,116.00
Line 14 PR 26 Adjustment	0.00

Line 20 - Adjustment To Compute Total Low/Mod Credit:

Line 19 amount of \$ 159,812,356.00 is incorrect. The correct amount disbursed for other Low/Mod Activities is \$ 198,179,511.00 on Line 15 of the Status of Funds.

Line 19 PR 26	(159,812,356.00)
Line 15 Status of Funds	198,179,511.00
Line 20 PR 26 Adjustment	38,367,155.00

Line 30 - Adjustment To Compute Total PS Obligations:

Line 27 amount of \$ 60,286,267.00 is incorrect. The correct amount disbursed for Public Services is \$ 18,501,978.00 on Line 21 of the Status of Funds.

Line 27 PR 26	(60,286,267.00)
Line 21 Status of Funds	18,501,978.00
Line 30 PR 26 Adjustment	(41,784,289.00)

Line 34 - Adjustment To Compute Total Subject To PS CAP:

Adjustment of \$ (24,358,225.00) is a sum of reducing the prior year's program income by the value of the prior year's revenue credits, by the value of the prior year's program income from the NHS Revolving Loan Fund and the 2021 Program Income Used from the Urban Renewal Land sale.

Adjustment Components:	
Line 7 of Prior Year S of Funds -Prior Year's Rev Credits:	(24,358,225)
Line 5a Status of Funds -NHS prior year program income:	0
2021 Program Income Used - Urban Renewal land sale:	-
Line 34 Adjustment to PR26 PS CAP calculation:	(24,358,225)

Line 40 - Adjustment To Compute Total PA Obligations:

Line 37 amount of \$ 33,987,116.00 is CORRECT. The correct amount expended for planning and administration is \$ 33,987,116.00 on Line 31 of the Status of Funds.

Line 37 PR 26	(33,987,116.00)
Line 31 Status of Funds	33,987,116.00
Line 40 PR 26 Adjustment	0.00

Line 44 - Adjustment To Compute Total Subject to PA Cap:

Adjustment of \$ (32,545,298.00) is the sum of reducing the current year's program income by the value of the revenue credits and the the value of the program income used from the Urban Renewal land sale leaving just the current year's true program income for the Planning and Administration CAP calculation.

Adjustment Components:	
2022 Current Year Revenue Credits	(32,545,298.00)
Line 5a Status of Funds- 2022 NHS Program Income	0.00
2022 Program Income <u>Used</u> - Urban Renewal land sale:	0.00
Line 44 Adjustment to PR26 PS CAP calculation:	(32,545,298.00)

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).
91.520(a)

HOPWA

Since the below table does not capture all the racial and ethnic reporting categories available to HOPWA, please refer to the attached HOPWA table for a comprehensive break down of the racial and ethnic composition of households assisted with HOPWA funding in 2022. Moreover, you can refer to the HOPWA Consolidated Annual Performance and Evaluation Report (HOPWA 2022 CAPER) for race and ethnicity details for both HOPWA eligible individuals and their beneficiaries.

Category		HOPWA Eligible Individuals		All Other Beneficiaries	
		[A] Race [all individuals]	[B] Also identified	[C] Race [total]	[D] Also identified as

Narrative

ESG

In Fiscal Year 2022, New York City expended \$ 10,280,370.64 of ESG funding within four areas. The City expended \$ 5,533,545.92 of ESG funding for emergency shelter and essential services to create or staff new programs and to provide enhancements for existing programs. The City expended \$451,424.23 of ESG funding through contracts with five not-for-profit organizations to provide street outreach services. The City expended \$ 2,346,628.04 to support seven contracted local not-for-profit service providers operating 16 Homeless Prevention programs known as Homebase. Finally, New York City expended \$1,948,772.45 in ESG funds to support and enhance the HMIS system and provide administrative support.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
NYC	0	0	NYC
NYC HOPWA	97	0	Housing
Rockland County HOPWA	5	0	Housing
Westchester County HOPWA	2	0	Housing

Table 4 – Identify the geographic distribution and location of investments

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

HOPWA

In 2022, HOPWA dollars were combined with other Federal resources such as Ryan White Part A, as well as State and City funding, to support HIV/AIDS housing and other supportive services. HASA used City Tax Levy funds matching State and Federal dollars to fund case management, rental assistance, permanent and transitional congregate housing, and permanent scattered-site housing for low-income individuals and families living with HIV/AIDS.

In 2022 we also began to look at new ways to provide HOPWA Project Sponsors with additional funds to be used in the Rental Subsidy line in their budgets. We know that it is by far the largest expense project sponsors have and the cost is only going up. By partnering with HRSA we were able to receive an additional \$693,000 to be distributed to the 21 HOPWA contracts that provide rental subsidies to scattered site units as of July 2023.

The NY City Council initiated a new program called the Workforce Employment Initiative (WEI) which provided all 23 HOPWA contracts with additional funds to be used for employee retention and recruitment during FY22. In addition, the NY City Council provided HOPWA Project Sponsors with funds from COLA and Indirect Costs. Below is a breakdown of City Tax Levy funds designated for HOPWA Project Sponsors:

- COLA: \$527,702.70
- Indirect Costs: \$372,221.34
- WEI: \$218,815.35 (FY22, distributed in CY23)

Eligible clients also received medical assistance, homecare, and homemaking services funded with City, State and Federal dollars. HOPWA funds distributed to community-based organizations by DOHMH augmented City and State-funded services to persons with mental illness and HIV/AIDS. Though the NYC EMSA changed in 2022, we continued to utilize federal funds to support the Lower Hudson Valley and New Jersey County project sponsors though the transition to new a grantee so that there would be a no disruption in services to the target population. Grant and private foundation dollars provided additional support to community-based organizations funded through HASA and DOHMH. In summary, funding leveraged across all HOPWA programs in 2022 totaled \$567,530,141.

ESG

ESG The New York City Department of Social Services (DSS), which includes the Human Resources Administration (HRA) and the Department of Homeless Services (DHS), provides a dollar-for-dollar match

of the ESG award using City Tax Levy (CTL) funds. \$10.28 million of CTL funds were used to match the ESG funds received from HUD, for City Fiscal Year 2022. In addition to the required matching funds, DSS provides additional CTL funds for family and adult shelters; street outreach; prevention services including legal services, emergency rent arrears and community-based programs; rental assistance and permanent supportive housing; and program administration. DSS also receives Federal funding, including the Temporary Assistance for Needy Families (TANF) block grant, which is used for programs and services for families with children, and New York State funding, which serves adult households without children. In City Fiscal 2022, DHS expended approximately \$2.7 billion in City, State and federal funds, including special emergency COVID hotels and services.

HPD Capital matching Federal Funds

HPD's total capital commitments for calendar year 2022 from all funding sources (including HUD) was approximately \$1,041,763,142. Of that amount \$999,725,574 came from the City. Of the City funds, \$792,189,927 was committed for programs that used City funds in conjunction with Federal funds (CDBG, HOME, Section 8, etc.). The remaining \$207,535,647 of City funds was used in programs that did not receive Federal funds. The City used a portion of this \$792,189,927 figure to meet its 12.5% requirement to match HOME funds, in addition to using the appraised value of tax exemptions.

HPD Expense matching Federal Funds

HPD's total expense spending for calendar year 2022 from all funding sources (including HUD) was approximately \$921,977,332. Of that amount, approximately \$133,367,420 came from the City (tax levy, Inter-Fund Agreement (IFA), and Intra-City). Of the City funds, approximately \$75,505,330 was scheduled for programs that used City funds in conjunction with Federal funds (CDBG, HOME, Section 8, etc.). The remaining approximately \$57,862,090 of City funds was used in programs that did not receive Federal funds.

HPD Capital without Federal Funds

In Calendar Year 2022, HPD committed approximately \$207,535,647 in programs that received no Federal funds.

HPD Expense without Federal Funds

In Calendar Year 2022 HPD spent approximately \$57,862,090 in programs that received no Federal funds.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	963,746,816.85
2. Match contributed during current Federal fiscal year	14,575,839.25
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	978,322,656.10
4. Match liability for current Federal fiscal year	4,322,486.49
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	974,000,169.61

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	330	690
Number of Non-Homeless households to be provided affordable housing units	250	35
Number of Special-Needs households to be provided affordable housing units	439	373
Total	1,019	1,098

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	330	690
Number of households supported through The Production of New Units	439	373
Number of households supported through Rehab of Existing Units	0	0
Number of households supported through Acquisition of Existing Units	250	35
Total	1,019	1,098

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

HOME rental assistance continued seamlessly in 2022. The HOME First Downpayment Assistance program increased maximum assistance amounts in Fall 2021 which brought on an influx of program accomplishments that have been sluggish in more recent years. COVID delays from 2020, both in construction stoppage and funding constraints felt all over the City triggered residual delays in accomplishments for the Affordable Housing Development Program that continued into 2022. The program's expansion generated incredible interest from the public and the increased demand placed additional strain on program capacity and production. To address this, the program is actively recruiting additional staff to support daily operations. Additionally, in the Spring of this year, the program will release an RFQ to select an additional Loan Servicer to help streamline overall process flow. The program is also

exploring the adoption of client data technology that will increase the efficiency of the application approval process. Given these measures, we fully anticipate catching up to projected accomplishments in the remaining years of the Strategic Plan.

Discuss how these outcomes will impact future annual action plans.

In recent years the City has primarily allocated its HOME grant for either special needs/homeless housing or for down payment assistance for first time homebuyers. This year’s outcomes support the City’s belief that HOME funds can be used successfully in this way and the City expects this usage of funds to continue in future annual action plans.

However, rising home prices and the heightening of interest rates in 2022, which are progressively increasing to record highs in the current year, continue to impact the access to quality affordable homeownership opportunities for our HomeFirst target population. By expanding the amount of down payment assistance available through HomeFirst, HPD is providing our homebuyers with more options to purchase their first home, often in neighborhoods that they would not have been able to afford before. The City remains committed to the continued use of HOME funding to provide much needed gap financing to eligible LMI purchasers through its HomeFirst Down Payment Assistance Program and to creating even more opportunities to link these purchasers to city-sponsored homeownership developments well into upcoming years.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	0	1,024
Low-income	0	38
Moderate-income	0	32
Total	0	1,094

Table 13 – Number of Households Served

Narrative Information

HOME

In 2022, HOME provided TBRA assistance to 690 households, all of which were extremely low-income households. HOME also provided first time homebuyer assistance to 35 households of which 9% were very low-income and 91% were low-income households. Lastly, HOME saw the completion of 373 affordable housing rental units for special needs/homeless households, 369 of which were occupied during the program year, 91% by extremely low-income households and 9% by very low-income households.

Community Development Block Grant

NYC does not use CDBG funds for rental assistance, the production of new units, or the acquisition of existing units. While CD funds are used to rehabilitate existing units, these activities are aimed at eliminating hazardous conditions or increasing accessibility for people with disabilities, not at providing affordability. Accordingly, none of the City's CDBG-funded rehabilitation activities result in affordable rental housing as defined at 24 CFR § 92.252.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

ESG funding is used by DSS/DHS in conjunction with NYC's investment in a broad range of services to address unsheltered and sheltered homelessness in the City. NYC's large investment in prevention, emergency shelter and street outreach services has resulted in a relatively small proportion of unsheltered New Yorkers as a share of the out of the City's overall homeless population, compared to other CoC jurisdictions.

ESG funds support outreach activities that engage persons experiencing street homelessness while connecting them to services and helping them move into transitional and permanent housing. In 2022, ESG funds supported three street outreach programs that provide coordinated services and make placements into DHS ES locations (e.g., safe havens, stabilization beds, and shelters) as well as permanent housing settings. Many of these placements also provide unhoused individuals with meals, counseling, medical/psychiatric services, showers, laundry facilities, recreation space, referrals for employment, assistance in applying for benefits and other social services.

ESG funding also supported two drop-in centers. Similar to the outreach programs, Drop-in centers provided unhoused persons living on the street with food, shower/bathroom facilities and chairs to rest. Additionally, case managers and housing specialists work with clients to obtain any needed services, medical care, mental health treatment, public benefits, and permanent housing.

DHS manages and provides an array of services to people experiencing street homelessness. Multidisciplinary street outreach teams work 24/7, 365 days a year to locate people living in public spaces and link them to services with the goal of bringing them indoors. These outreach teams cover each borough in New York City and the NYC subway system. Outreach team case managers directly provide or offer linkages to services and supports including, but not limited to housing placement; mental health treatment, substance use and medical treatment; public benefits (e.g., Cash Assistance, Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income/Social Security Disability (SSI/SSD), Medicaid, Veterans Affairs (VA) benefits).

DHS manages the Joint Command Center, a 24/7 operation that acts as a clearinghouse for a range of issues related to street homelessness. The Joint Command Center reports on "hot spots," processing 311 requests and coordinating assessments by nurses authorized under Mental Health Law section 9.58 to assess and remove those who are a danger to themselves or others. In response to Covid-19, the City developed and implemented extensive, expanded efforts to engage individuals on the subways. Through these efforts, outreach teams helped hundreds of individuals accept and access low barrier ES beds. The City added resources in 2022 to expand the number of these beds, with a plan for 4,000 low barrier

specialized beds to help unsheltered individuals get off the streets and transition to permanency.

In the 2022 Action Plan, the City set a goal of placing 700 persons into temporary and permanent housing through homeless outreach programs supported by ESG funding. Cumulatively, ESG-supported outreach programs made 1338 placements into temporary and permanent housing, achieving 191.1% of the goal. This included 281 from drop-in centers and 1057 from street outreach. In 2022, these programs served a total of 3,757 persons, including 514 through ESG-funded drop-in facilities and 3243 through street outreach programs.

Addressing the emergency shelter and transitional housing needs of homeless persons

New York City provides temporary emergency shelter to families with children, adult families without minor children, and single adults. DHS collaborates with not-for profit partners to provide temporary shelter and services that homeless New Yorkers need to achieve and maintain housing permanency. In June 2022, The City released “Housing Our Neighbors: A Blueprint for Housing and Homelessness,” a comprehensive plan addressing affordable housing and homelessness across NYC. “Housing Our Neighbors” outlines the major steps that the City is taking to break down government silos to better measure and address homelessness, combat housing instability to help New Yorkers stay housed, improves shelter services for New Yorkers experiencing homelessness, help New Yorkers in shelter move into permanent housing more quickly, and reduce the risk of shelter return.

The City also continues to work to improve conditions within the existing shelter portfolio. A coordinated multi-agency Shelter Repair Squad inspects homeless shelters to identify and address building violations and shelters in need of repairs. DHS dedicated City Capital Budget funding, in addition to its operating budget, for shelter upgrades and has put in place a hotline for shelter residents so that DHS can respond quickly to residents' concerns. In the development of new shelter capacity, DHS worked (and continues to work) in partnership with non-profit providers to incorporate trauma-informed practices that accommodate the unique needs of the client population.

In 2022, ESG funding provided critical support to emergency shelter and essential services in the following ways:

- ESG funding supported twenty Single Adult shelter programs and one Adult Family Shelter program.
- DHS operates specialized emergency shelters, including some specifically for single adult clients who have substance use issues. ESG funding supported substance-use counselors as well as other substance-use services in these shelters in 2022. Acknowledging that mental health issues are a common barrier to housing permanency, ESG funding also supported mental health services within these funded shelters.

The City set a goal of serving 14,000 clients across the 20 ESG-supported emergency shelter programs in 2022, based on past experience with client entries and exits from shelter. In 2022, based on HMIS data, these ESG-supported programs served 12,568 clients, representing 89.8% of the annual goal. Although this goal was not met, the number of people served increased by 3,803 from the last program year. In

2022, there was a return to pre-pandemic trends of shelter entry; dedensification, which spread clients among more sites, was ended so that participating shelters had more bed capacity for provision of these services.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The Homebase program remains at the center of New York City's homeless prevention efforts. Homebase is a community-based homelessness prevention program, that is the first point of entry for those at risk of losing housing in their home borough. ESG funds for prevention services are allocated to 16 of the 26 Homebase programs covering all five boroughs.

Located in areas of high need, Homebase assists families and individuals to overcome immediate housing issues that could result in homelessness and helps them remain housed in their community. The program is overseen by DSS/HRA. The agency works with the not-for-profit providers to use data analytics to proactively target prevention services for the most at-risk, customizing assistance to meet the needs of each household. Services include tenant/landlord mediation; household budgeting; access to emergency rental assistance; job training and placement; benefits access and referral (childcare, SNAP, cash assistance, tax credits, public health insurance); and, in 2022, assessment and application submission for the federal funded Emergency Housing Voucher (EHV) program. HRA staff assist Homebase providers to expand processing and triage for HRA benefits, including cash assistance, and rental assistance programs.

In the 2022 Action Plan, the City set a goal of assisting 3,500 persons in households without children in Homebase programs with the support of ESG funds. In 2022, ESG-funded Homebase programs assisted 6,019 persons in households without children, achieving 172.0% of the goal. This goal was surpassed due to continued high demand for prevention services for many at-risk households throughout NYC.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Since the launch of the current five-year Consolidated Plan (2021-2025), New York City has continued to invest in a broad range of programs that support homeless persons in transitioning to permanent housing. From July 2014 through November 2022, a total of 207,870 formerly homeless and at-risk individuals in 83,851 households were placed into permanent housing through New York City's expansive portfolio of rental assistance and subsidized housing programs by DSS alone.

The City local housing voucher program, CityFHEPS, was created in 2018 to better serve the community as a streamlined program that replaced several other City funded voucher programs. Families are also prevented from becoming homeless and able to exit shelter if they have an eviction history through the joint New York City/New York State funded FHEPS Program. In 2022, both CityFHEPS and State FHEPS rent levels were enhanced to NYC FMR levels, matching NYCHA S. 8 standards.

New York City also continues to follow through on the largest ever municipal commitment to build and expand supportive housing. Supportive housing integrates case management and connection to mental health and substance use disorder treatment along with referrals to counseling, medical care, and other social and supportive services as needed. It has a proven record of helping stabilize lives while reducing reliance on homeless shelters, hospitals, mental health institutions and jails. In 2016, the City announced a commitment to fund 15,000 additional units over 15 years and created a task force of nonprofit providers and charged them with analyzing the best way to develop and deliver on the plan. The Task Force developed essential recommendations for operationalizing the plan, including the prioritization of these units for those most in need. As of December 31, 2022, 6,931 15/15 awards had been made, 3,232 households with 4,366 people therein moved into 15/15-funded units. The Adams Administration will target City funds to accelerate supportive housing development and achieve the 15,000-unit production target by 2028—two years earlier than previously expected. The City will also advance policy and process changes to allow more households that would benefit from supportive housing to qualify for it, speed up housing placements to fill new units faster, and reduce administrative burden for residents.

In 2017, the City committed to providing universal access to legal services for all New York City tenants facing eviction in housing court through enactment of the United States' first right-to-counsel law. Tenants facing eviction cases in housing court with household incomes at or below 200% of the federal poverty guidelines have access to full legal representation, with those making more able to receive brief legal assistance. After implementing right-to-counsel in targeted high-need neighborhoods, the program underwent an accelerated citywide expansion at the beginning of the COVID-19 pandemic, an approach that was later codified and signed into law in 2021.

In 2022, the City continued to devote significant resources towards placing unhoused persons and those at risk of becoming homeless into permanent housing funded through the Emergency Housing Voucher Program. As of December 30, 2022, 4,266 households had submitted a rental package using an EHV voucher, and 2,749 of these households had moved into housing.

New York reopened Section 8 housing vouchers and New York City Housing Authority (NYCHA) apartments to a targeted number of homeless families. From July 2015 through December 2022, a total of 16,920 formerly homeless individuals in 8,799 households were placed into permanent housing as part of the Section 8 program administered by NYCHA.

Actions taken to address the needs of public housing

As of February 2023, the New York City Housing Authority (“NYCHA” or the “Authority”) provides affordable housing to 528,105 authorized residents in 177,569 apartments within 335 housing developments and units leased through the Section 8 program. NYCHA serves 330,118 authorized residents in 161,585 apartments within 274 housing developments through the conventional public housing program (Section 9) and 30,852 authorized residents in 15,984 units within 61 developments that were converted to PACT/RAD. Through federal rent subsidies (Section 8 Leased Housing Program), NYCHA also provides rental subsidies to 95,628 families in locating and renting units in the private market. In addition, NYCHA facilitates access to social services through a variety of programs. NYCHA employs a service coordination model and partners with community-based organizations citywide to connect residents to a variety of social and economic programs designed to promote independence and well-being.

Transforming NYCHA

I. PACT to Preserve

As part of its Permanent Affordability Commitment Together (PACT) initiative, NYCHA is committed to providing comprehensive repairs in 62,000 apartments – a third of its units and home to approximately 140,000 New Yorkers. PACT relies on partnerships with private and non-profit development partners and converts developments to a more stable, federally funded program called Project-Based Section 8.

All 62,000 apartments converted to Section 8 funding will remain permanently affordable. The Project-Based Section 8 program provides a more stable flow of federal subsidy and allows NYCHA and its development partners to raise external financing to address a development’s capital repair needs. Once developments are converted, new professional property managers are responsible for maintaining and operating the buildings. Non-profit community organizations are brought on-site to provide enhanced services and programs to all residents. Residents in PACT developments benefit from much needed renovations, enhanced property management and social services, while maintaining the same basic rights they possess in the public housing program. Residents will only pay 30 percent of their household income towards rent, their household will not be re-screened as the property converts to Section 8, and authorized family members will continue to have succession rights.

Comprehensive repairs include upgrades to kitchens, bathrooms, windows, and common areas while addressing critical repairs to elevators, boilers, roofs, and facades. PACT renovations are being completed on a rolling basis – between 7,500 and 10,000 apartments per year – through the year 2028.

Since 2016, the PACT program has generated more than \$3.6 billion in capital funding for comprehensive apartment renovations and building infrastructure improvements for nearly 16,000 households. Approximately \$1 billion in renovations have already been completed, and \$2.5 billion in major upgrades

are underway with more starting this year. An additional 20,120 households are part of active development projects in the process of resident engagement or pre-development. In sum, NYCHA has more than 36,100 apartments completed, in construction, or in a stage of resident engagement or pre-development.

[Build to Preserve](#)

With the "Build to Preserve" program, NYCHA will redevelop underused land to raise funding for building rehabilitation. Build to Preserve is expected to fund approximately \$2 billion in capital repairs.

New residential buildings will be subject to Mandatory Inclusionary Housing (MIH) levels of affordability and increase the permanently affordable housing stock. 100% of the funds generated by new construction will first be used to fully renovate the adjacent development, and any remaining proceeds will go to repairs at other developments in the same neighborhood. NYCHA will ground lease—not sell—the land and will create plans with community input for comprehensive campus improvements. Renovations at existing NYCHA public housing apartments are performed at the same time as new buildings are constructed.

[Transfer to Preserve](#)

NYCHA continues to tap into its extensive unused development rights, known as "air rights," in order to raise revenue for the Authority. By transferring a portion of the Authority's approximately 80 million square feet of air rights, NYCHA expects to generate \$1 billion in capital repairs for adjacent apartments. The sale of unused transferable development rights to owners of privately owned sites, has already generated \$55M in revenue to pay for capital repairs at NYCHA developments. In 2020, NYCHA completed two air rights transfers, one at Ingersoll Houses in Brooklyn for nearly \$25 million and another at Hobbs Court in Manhattan for \$2.6 million. In 2022, NYCHA completed another sale at Manhattanville for \$28 million.

II. PACT Conversions

Between October 2018 and December 2022, NYCHA closed on 13 PACT conversions as outlined below. Extensive capital improvements are under construction at all the sites, including upgrades to roofs, elevators, boilers, security systems, and grounds, as well as apartment interiors, including new kitchens and bathrooms. All rehab work is occurring with tenant in-place or with temporary moves happening on-site due to the nature of repair work happening in an apartment; no residents are being permanently relocated or displaced.

PACT/RAD at Betances: This conversion provided \$145 million for comprehensive repairs to 1,088 apartments across 40 buildings in the Mott Haven neighborhood of the Bronx. NYCHA entered into a public-private partnership with MDG Design + Construction (developer), the Wavecrest Management Team (property manager), Catholic Charities Community Services, and Archdiocese of New York (social services provider). The project was financed with conventional debt and developer equity. Repairs were

completed in 2021.

PACT/RAD at Twin Parks West: This conversion is providing \$46 million for comprehensive repairs to 312 apartments in the Fordham Heights neighborhood of the Bronx. NYCHA entered into a public-private partnership with Gilbane Development Company (developer), Dantes Partners (developer), Apex Building Group (general contractor), and Kraus Management, Inc. (property manager). Social services are being provided by BronxWorks. The project is being financed with conventional debt. Phase I repairs are now complete and Phase II repairs will be completed in 2023.

PACT/RAD at Highbridge-Franklin: This conversion is providing \$38 million for comprehensive repairs to 336 apartments across 14 buildings in the Highbridge and Claremont neighborhoods of the Bronx. NYCHA entered into a public-private partnership with Gilbane Development Company (developer), Dantes Partners (developer), Apex Building Group (general contractor), and Kraus Management, Inc. (property manager). Social services are being provided by BronxWorks. The project is being financed with conventional debt and a subsidy loan from the New York City Department of Housing Preservation and Development. Phase I repairs are now complete and Phase II repairs will be completed in 2023.

PACT/RAD at Hope Gardens: This conversion will provide \$280 million for comprehensive repairs to 1,321 apartments across 60 buildings in the Bushwick neighborhood of Brooklyn. NYCHA entered a public-private partnership with Pennrose Properties (developer), Procida Construction (general contractor), Pinnacle City Living (property manager), and Acacia Network (social services provider). Repairs are now substantially completed.

PACT/RAD at Brooklyn Sites: This conversion will provide \$434 million for comprehensive repairs to 2,625 apartments across 38 buildings in Brooklyn. NYCHA entered a public-private partnership with the Arker Companies, Omni New York LLC, Dabar Development Partners, Bedford Stuyvesant Restoration Corporation (developer joint venture), Renewal Chateau LLC (general contractor), Reliant Realty Services LLC and Progressive Management of NY V LLC (property managers), and Bedford Stuyvesant Restoration Corporation (social services provider). Repairs were completed in 2022.

PACT/RAD at Manhattan Sites: This conversion will provide \$383 million for comprehensive repairs to 1,718 units across 16 developments in Manhattan. The development team is a joint venture between Monadnock Development LLC (developer & general contractor), Cornell Pace Inc. (property manager), and Community League of the Heights, Inc. (social services provider). Repairs began in 2020 and will be completed in late 2023.

PACT/RAD at Boulevard-BSA-FP: This conversion will provide \$483 million for comprehensive repairs to 1,673 units across 29 buildings in Brooklyn. The selected development team comprises The Hudson Companies, Inc., Property Resources Corporation and Duvernay + Brooks LLC (developers), Broadway Builders LLC and Melcara Corp (general contractors), Property Resources Corporation and Lisa Management, Inc. (property managers), and CAMBA (social services providers). Repairs are expected to be completed in 2024.

PACT/RAD at Linden-Penn: This conversion will provide \$430 million for comprehensive repairs to 1,922

units across 25 buildings in Brooklyn. NYCHA entered a public-private partnership with Douglaston Development, L+M Development Partners, Dantes Partners, and SMJ Development Corp (developers), L+M Builders Group and Levine Builders (general contractors), Clinton Management and C&C Apartment Management LLC (property managers), and University Settlement (social service providers). Repairs are expected to be completed in 2024.

PACT/RAD at Williamsburg: This conversion will provide \$493 million for comprehensive repairs to 1,621 units across 21 buildings in Brooklyn. The development team consists of RDC Development (developer), MDG Design + Construction LLC (general contractor), Wavecrest Management Group LLC (property manager), and St Nicks Alliance Corp and Grand Street Settlement (social services provider). Repairs are expected to be completed in 2024.

PACT/RAD at Harlem River: This conversion will provide \$236 million for comprehensive repairs to 693 units across 8 buildings in Manhattan. The development team comprises Settlement Housing Fund Inc and West Harlem Group Assistance (developers), L+M Builders Group (general contractor), C&C Apartment Management LLC (property manager), and C+C Social Services providing case management and onsite services (social services provider). Repairs are expected to be completed in 2024.

III. Recently Completed “Transfer to Preserve” Air Rights Transfer

Hobbs Court, Manhattan – In March 2020, NYCHA completed its first Transfer to Preserve transaction. NYCHA received \$2,664,000 from an adjacent property owner for 9,000 square feet of unused development and parking rights at Hobbs Court in Upper Manhattan. Hobbs Court is not a public housing development. As such, proceeds from this transaction will be used to make repairs at nearby Metro North Plaza. The development and parking rights will facilitate construction of a 115,000 square foot mixed-used building with 164 apartments and 13,000 square feet of commercial space. The project will provide affordable housing for 30% of the new units under the Affordable New York Housing Program. Construction is currently underway.

Ingersoll, Brooklyn – In June 2020, NYCHA received \$24,850,000 from an adjacent property owner for a parcel of approximately 6,000 square feet (part of Block 2050, Lot 1) along with an additional 90,634 square feet of surplus development rights. The proceeds from the transaction will be used to make repairs at Ingersoll Houses. The parcel and development rights will facilitate construction of a 400-unit mixed-use building, of which 100 units will be affordable. Construction is currently underway.

Manhattanville, Manhattan- In October 2022, NYCHA closed an agreement to transfer 280,000 feet of development rights and 12,500 square feet of land from Manhattanville Houses to an adjacent private property at 1440 Amsterdam Avenue. The transactions generated \$28 million in funding, which will be used exclusively at Manhattanville Houses for comprehensive building repairs and upgrades to be implemented through NYCHA’s PACT program. In addition to the rehabilitation work at Manhattanville Houses, the new building at 1440 Amsterdam Avenue will include approximately 120 rent-restricted apartments, with current NYCHA residents receiving priority for 25 percent of the apartments.

Construction is expected to begin in 2023.

IV. New Housing Construction

Halletts Point Building 7, Queens - In 2019, NYCHA sold a parcel for the development of a 163-unit affordable development in Astoria, Queens. Construction is complete and the building is currently leasing up.

East 165th Street- Bryant Ave, Bronx - In 2019, NYCHA leased a parcel of approximately 11,000 square feet on Block 2750, Lot 32, for the construction of a 62-unit supportive housing development. Construction was completed, and the new building opened in 2021.

Van Dyke I, Brooklyn – In 2019, NYCHA leased a portion of Block 3777, Lot 1 for construction of a 180-unit family housing development. Construction was completed in 2021.

Betances V, Bronx – In 2019, NYCHA leased a portion of Block 2287, Lot 26, for construction of a 152-unit senior housing development. Construction was completed in 2022.

Morrisania Air Rights, Bronx – In 2020, NYCHA leased a portion of Block 2409, Lot 98, for construction of a 171-unit family housing development. Construction is underway.

Twin Parks West, Bronx – In 2020, NYCHA leased a portion of Block 3143, Lots 234, 236 and 240, for construction of a 182-unit family housing development. Construction is expected to be complete in 2023.

Sumner Houses, Brooklyn - In 2021, NYCHA leased a portion of Block 1580, Lot 1, for construction of a 190-unit senior housing development. Construction is underway.

Sotomayor Houses, Bronx - In 2021, NYCHA leased a portion of Block 3730, Lot 1, for construction of a 205-unit senior housing development. Construction is underway.

Betances VI, Bronx - In 2021, NYCHA leased a portion of Block 2291, Lot 1, for construction of a 101-unit family housing development. Construction is underway.

Bushwick II (Group E), Brooklyn - In 2021, NYCHA leased a portion of Block 3325, Lot 1, for construction of a 152-unit senior housing development. Construction is underway.

Morris Senior, Bronx - In 2022, NYCHA leased a parcel of approximately 13,000 square feet on Block 2902, Lot 36, for construction of senior affordable housing development with approximately 150-200 units. NYCHA issued an RFP in collaboration with HPD in 2019 and construction is underway.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

NYCHA has offered residents of its single-family FHA Repossessed Houses the opportunity to qualify and purchase the home they rent. Primarily located in Southeast Queens, the homes are part of the U.S. Department of Housing and Urban Development (“HUD”) approved 5(h) Project HOME Homeownership Plan. In accordance with the plan, NYCHA is repairing the homes to ensure that they meet HUD standards.

Residents with incomes sufficient to pay real estate taxes, assessments, utilities, and maintenance on the homes will receive homeownership and financial counseling to prepare them to assume responsibility for owning their homes. Prospective buyers were offered contracts of sale in 2014; closings commenced in the summer of 2015 and are on-going.

Activities planned for 2022 include:

FHA 5(h):

- Conveyance of single-family homes to NYCHA residents at properties approved via HUD’s Section 5(h) program.

Other NYCHA FHA Homeownership Opportunities:

- Completed construction of 72 new affordable homeownership units at Soundview Houses in the Bronx. These homes are currently being marketed to NYCHA residents.
- Monitoring the rehabilitation of 15 vacant units conveyed to Restored Homes for re-sale to low- and moderate-income families, and the rehabilitation/re-development of 13 homes conveyed to Habitat for Humanity for the re-sale to low- and moderate-income families.
- Monitoring the rehabilitation of 18 homes throughout The Bronx, Brooklyn and Queens for re-sale to moderate-income public housing residents through the Small Homes Rehab- NYCHA Program. NYCHA has partnered with NYC HPD, Restored Homes HDfC and Neighborhood Housing Services of Queens.

Financial Capability and Asset Building

Family Self-Sufficiency (FSS)

The Housing Choice Voucher Family Self-Sufficiency (FSS) Program is a HUD initiative that promotes economic self-sufficiency among participating families by referring them to educational, career counseling, money management, job training and job placement services. Participants receive a savings account which grows as the family’s earned income increases. Upon completion of educational and employment goals, the family receives the money accumulated in the account, provided that no member received cash public assistance over the preceding 12 months and the head of household is employed. The money may be used as a down payment on a home, payment for higher education, startup capital for a business or to pursue other personal goals. Participating families do not jeopardize their Section 8 vouchers and may continue to receive Section 8 assistance upon graduation from the program if they continue to meet Section 8 eligibility criteria. A total of 1,021 NYCHA Section 8 voucher holders are currently enrolled in the FSS program as of December 31, 2022. Of those, 378 are earning escrows with account balances totaling \$2,828,692. Likewise, FSS graduated 75 participants and disbursed \$756,976.38 in 2022.

Homebuyer Education: NYCHA’s Office of Resident Economic Empowerment & Sustainability (“REES”) continues to collaborate with homebuyer education partners to host homeownership workshops. Through these efforts, from 2018 to January 2020, nine residents successfully closed and purchased their

own single-family homes (formally FHA homes). In 2022, NYCHA and its partners conducted 13 financial education workshops and 15 homebuyer education workshops for NYCHA residents, with a total of 1,225 NYCHA residents attending. Likewise, in 2022, REES promoted two affordable homeownership opportunities for NYCHA residents – FHA Small Homes Rehab Project and Soundview Co-op Project. REES coordinated two Information Sessions for NYCHA residents for each project, which included Spanish translation; sent out e-blasts, posted flyers at all developments and Customer Contact Centers; and included the information in the REES e-newsletter.

REES is also exploring ways to help residents build positive credit history, which is essential in the home buying process, by exploring alternative means of credit. In 2020, REES organized an internal working group to explore an expansion of NYCHA’s Rent as a Credit Building pilot. Under the expansion NYCHA would directly report to a credit bureau the positive rent payments of NYCHA residents who opt-into the program. NYCHA continues to explore the appropriate rent reporting partnership. NYCHA also continued to implement online financial counseling e-referrals and Free Tax Preparation Services in NYCHA Communities during the 2022 tax season.

Resident Associations

Most NYCHA developments have resident associations, also known as tenant associations, resident councils, or resident associations. These democratically elected organizations are dedicated to improving the quality of life in NYCHA developments and the surrounding neighborhoods. Resident associations may actively participate through a working partnership with NYCHA giving residents a voice in the operation of their developments. Each resident association’s executive board is elected by the eligible voting members (anyone 18 and over on the lease and/or listed as head of household) from their development and typically consists of a president, vice-president, secretary, treasurer, and sergeant-at-arms. NYCHA helps residents create a resident association if their development does not already have one.

The Citywide Council of Presidents

Every president of a recognized resident association is a member of the City-Wide Council of Presidents which is geographically structured into 10 District Committees in the city. Resident association presidents elect an Executive Board to represent their district. Members of the CCOP’s district Executive Boards automatically become members on the Resident Advisory Board, described below. CCOP works with senior NYCHA staff on the issues affecting life in NYCHA developments, engaging with government at all levels (local, state, and federal).

The Resident Advisory Board

The Resident Advisory Board (RAB) consists of public housing and Section 8 residents. It primarily addresses various aspects of NYCHA’s annual and five-year agency plans, which set forth NYCHA’s priorities and policies in 18 core areas and chart the course for NYCHA’s short-term and long-term future. RAB members express concerns, make recommendations, and advise NYCHA management as the plans are drafted. RAB’s recommendations for the final plan are incorporated when the plan is submitted to the U.S. Department of Housing and Urban Development. RAB members are responsible for informing

residents in each development/district about the plans' development at both the draft and final stages. As of February 2023, the RAB consists of 65 elected resident association presidents and one Section 8 representative.

DSS

DSS/HRA/DHS serves millions of NYC residents with social services programs designed to fight poverty and ensure basic needs are met. Through the Career Services division, this includes offering Cash Assistance and other clients' opportunities to increase their job skills and build a career that will lead to success and financial security. HRA's Career Services works closely with clients to find opportunities that match their skills, needs, and career goals, and help them work toward opportunities to grow and build a successful career.

Actions taken to provide assistance to troubled PHAs

The New York City Housing Authority is not currently designated as troubled.

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

NYCHA's Accessibility Activities

The New York City Housing Authority (NYCHA) is the largest public housing authority in North America. As of February 2023, NYCHA's conventional Public Housing Program has 161,585 apartments in 274 developments throughout the City in 2,103 residential buildings containing 3,090 elevators.

In accordance with the Voluntary Compliance Agreement (VCA) signed jointly with the Department of Housing and Urban Development in 1996, NYCHA agreed to convert five percent of its total stock of units, currently equivalent to 8,800 units, into Section 504 fully accessible units available to residents or applicants with mobility impairments.

In addition, NYCHA provides accessibility via reasonable accommodations and greater accessibility to existing conventional apartments via accessibility features.

To date, NYCHA has converted 6,746 Section 504 units which meet varying levels of accessibility. Of these converted units, 4,734 are fully accessible in 147 developments citywide, and were reported to the Department of Housing & Urban Development (HUD) in the end of quarter report for 2022. In 2022, NYCHA embarked on ground improvement that sought to bring grounds, walkways, common areas, parking lots and play areas to full accessibility for use by mobility impaired residents and visitors. The numerous upgrades through the elevator program have started to positively impact accessibility.

NYCHA has completed 18,089 apartment modifications to conventional units. Apartment modifications may include but is not limited to widening doorway, installation of grab bars, audio/visual alarms, lowered kitchen cabinets, and other mobility impaired modification.

NYCHA also offers reasonable accommodations in policies, procedures and practices that will make non dwelling facilities, services and programs accessible to persons with disabilities.

As of February 2023, NYCHA also provides housing assistance through the Section 8 (Housing Choice Voucher) program to an additional 203,852 New Yorkers, in cooperation with over 25,000 private property owners. Over 525,000 people in New York City are served by NYCHA's public housing, Section 8, and RAD/PACT programs.

Our administration will work with a wide range of industry experts and practitioners, including our minority and women-owned business partners, to gather information on and develop action plans to address these challenges, which may require legislative, regulatory, and process reforms. We will remove unnecessary barriers to development, embrace innovation in new building techniques, and streamline agency processes to seize upon technological advancements that can boost speed and efficiency. This includes the Building and Land Use Approval Streamlining Taskforce (BLAST), led by the Deputy Mayor for Economic and Workforce Development and the Chief Efficiency Officer, as well as other ongoing efforts across city government.

The City will pursue a package of zoning and regulatory changes to encourage a wider range of unit sizes and housing types. We will seek to increase flexibility for small homes and residential conversions, enable accessory units and other options in existing low-density districts, and remove obstacles to supportive and affordable housing development, among other strategies.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

HOPWA

In the Spring of 2020, DOHMH requested HUD to waive certain requirements due to COVID-19 Pandemic. Effective May 1, 2020, Housing Inspections were waived through 2021 and virtual housing inspections were conducted for new leases in new units but not for existing units in the portfolio. In addition, FMR standards were waived through June 30, 2021, and HOPWA consumers were able to self-certify HIV status and/or income status if they were unable to provide proof of documentation at the time of enrollment. HOPWA grant recipients were instructed to follow up on required eligibility documentation as soon as COVID-19 social distancing measures were lifted by local public health officials.

As we entered 2022 DOHMH decided to move towards a hybrid model of supporting our project sponsors and consumers by incorporating virtual support with in-person site visits. Due to vaccines being widely accessible in 2022 and through the use of PPEs, DOHMH staff resumed in-person site visits to project sponsor locations to provide supports, education and monitoring to the agencies who serve HOPWA consumers.

However, it is important to note that also in 2022, the COVID-19 pandemic, as well as the MPOX outbreak, continued to present obstacles to consumer/household health outcomes, food insecurity, increased utility costs, job-loss, fear of using public transportation, and decrease in medical visits, to name a few. In 2022 DOHMH prepared to re-establish the annual in-person HQS/Habitability as of March 2023 visits so that we can have the opportunity to meet and speak with HOPWA Project Sponsors and consumers to gauge ongoing needs and trends in service delivery. The DOHMH Housing Services Unit Director has her Certified Specialist of inspection Housing Quality Standards (CSI-HQS) and has initiated the use of standardized forms for all HOPWA Project Sponsors, including but not limited to HUD forms and other internal reporting documents.

HOME

In 2022, the City published the Equitable Development Data Explorer (EDDE) and a Displacement Risk Index (DRI) as required by Local Law 78 of 2021. The law also requires certain applicants undergoing the land use review process to complete the Racial Equity Reports on Housing and Opportunity (RER). This law and its associated tools will promote deeper engagement among the public about how the pipeline of development projects across the city relates to the City's requirement and commitment to affirmatively further fair housing.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

HPD

The City's Department of Housing and Preservation Development operates several programs to investigate lead-based paint hazards as well as treat and remove lead-based paint hazards in privately owned dwellings where owners are unwilling or unable to do so after receiving NYC Local Law 1 of 2004 lead-based paint violations issued by HPD. Additionally, where a lead-poisoned child is identified and the DOHMH orders the owner to abate lead paint hazards, but the owner fails to do so, HPD's Emergency Repair Program (ERP) will do the work and place a lien against the property for the cost.

During Calendar Year 2022, HPD utilized 10 requirements-type contracts for lead hazard reduction with a cumulative total contract maximum of \$6,205,348. HPD also awarded some lead hazard reduction work to vendors outside of the requirement contract, utilizing city procurement rules to bid and award this work. In addition, HPD had 3 contracts for dust wipe analysis at a total contract maximum of \$234,998.

In Calendar year 2022 HPD's Division of Code Enforcement attempted 60,770 lead-based paint inspections, issuing a total of 18,042 violations. 1,842 reinspection's were attempted. 2,141 violations were certified as corrected; 9,442 violations (including violations issued in prior years) were removed due to corrections by either the owner or HPD.

New York City Housing Authority

The first major overall action planned to reduce lead-based paint ("LBP") hazards is to continue to work to fulfill the LBP requirements set forth in the January 31, 2019, settlement agreement with HUD, the U.S. Attorney's Office for the Southern District of New York ("SDNY") and the City of New York to fix the physical conditions in NYCHA properties, including LBP, mold, heat, elevators and pests ("HUD Agreement").

The HUD Agreement aims to ensure that NYCHA provides decent, safe and sanitary housing for all NYCHA residents. Bart Schwartz was appointed to serve as the Monitor (Section IV.A paragraph 16). The purpose of the Agreement is to ensure that NYCHA complies with its obligations under federal law, reform the management structure of NYCHA, and enable cooperation and coordination between HUD, NYCHA and the City during the term of this agreement (Section I paragraph 8).

Exhibit A of the HUD Agreement sets forth NYCHA's responsibilities with respect to LBP. Exhibit A includes the following requirements:

- Continuous, ongoing compliance with HUD's Lead Safe Housing Rule, EPA's Renovation Repair and Painting (RRP) Rule, and EPA's Abatement Rule, and twice-yearly certifications describing NYCHA's compliance with these rules;
- Performance of certain lead hazard remediation work in specific priority apartments (apartments with children under age six);
- Abatement of NYCHA apartments with LBP and associated interior common areas by 2039 (with specified interim deadlines);

- Performance of biennial risk assessment reevaluations by January 31, 2021;
- Establishment of a Memorandum of Agreement with the New York City Department of Health and Mental Hygiene (DOHMH) regarding elevated blood lead level (EBLL) cases to facilitate ongoing reporting of EBLL cases to HUD;
- Specific obligations to enhance compliance with EPA’s RRP Rule;
- Disclosure of LBP information in accordance with HUD’s Lead Disclosure Rule.

On January 20, 2021, the Federal Monitor approved NYCHA’s Initial Lead Paint Action Plan (“Initial LBP Action Plan”), which sets forth 11 specific Actions. The Initial LBP Action Plan sets forth the steps that NYCHA will take to meet key obligations under Exhibit A of the Agreement. The Initial LBP Action Plan is currently in the implementation phase and was updated in 2022. The Initial Lead Action Plan is also closely associated with the City Capital Action Plan, which sets forth NYCHA’s plan to abate all apartments, prioritizing apartments with children under 6. While NYCHA has had some challenges implementing certain actions, it has also been able to make significant progress on others, such as the implementation of the TEMPO Repair, TEMPO Abatement, and TEMPO Visual Assessment Programs.

The HUD Agreement also requires NYCHA to establish a Compliance Department (“Compliance”) and an Environmental Health and Safety Department (“EH&S”), both of which are currently operational. Together, Compliance and EH&S will provide oversight of NYCHA’s LBP programs and identify areas of non-compliance. The most recent report on NYCHA’s compliance with the HUD Agreement’s provisions on lead-based paint was released on January 31, 2023 and is available on NYCHA’s public website.

To date, despite significant progress, NYCHA has not been able to certify under the HUD Agreement full compliance with the Lead Safe Housing Rule or the RRP and Abatement Rules. However, NYCHA has taken specific steps to provide LBP-related training to its work force, improve its compliance with lead abatement requirements, lead safe work practices, implement IT controls geared towards better and more reliable lead compliance, and devote resources to field and documentary monitoring and oversight. NYCHA still has much work to do to meet its compliance obligations, and NYCHA will continue to work with the Federal Monitor to address compliance shortfalls and craft a proactive and protective Initial LBP Action Plan.

NYCHA XRF Initiative

The second major overall action planned to reduce LBP was NYCHA’s initiative to perform LBP inspections in approximately 134,000 apartments using XRF analyzer devices at the federal standard for lead-based paint of 1.0mg/cm². The goal of this project was to definitively identify which apartments do and do not contain LBP and, if the apartments do contain LBP, which specific components in each apartment contain LBP. These testing results are shared with residents and uploaded into an online portal. The results are also integrated into NYCHA’s Maximo work order system, further improving NYCHA’s ability to implement lead safe work practices.

As of January 5, 2023, NYCHA has completed LBP inspections at 1.0 mg/cm² in 108,230 apartments and, of these, received the testing results for 102,183 apartments. Of the 102,183 apartments, 25,527 have tested positive for LBP components and 76,656 have tested negative. Due to the City of New York’s new more stringent standard for lead-based paint, as outlined below, NYCHA has halted testing at the 1.0 mg/cm² standard, and now performs testing at the new 0.5 mg/cm² standard.

On December 1, 2021, the New York City Department of Housing Preservation and Development (HPD) issued a regulation implementing new City legislation changing the definition of lead-based paint from paint with lead content measured at 1.0 mg/cm² to paint with lead content measured at 0.5 mg/cm² for purposes of New York City's Local Law 1. The federal standard for lead-based paint remains 1.0 mg/cm². This significant change has prompted changes to NYCHA's lead programs, including:

- Presuming that all painted surfaces in apartments and common areas in pre-1978 buildings where a child under 6 lives or visits for 10 or more hours per week are positive until these apartments and common areas have been retested at the new 0.5 mg/cm² standard and, if applicable, receive an exemption from HPD.
- Testing all NYCHA apartments in pre-1978 covered buildings at turnover at the 0.5 mg/cm² standard and abating all components above this standard.
- Proactively XRF testing all apartments where children under 6 live or visit for 10 or more hours per week at the 0.5 standard starting in January 2022.

Once NYCHA retests apartments at the 0.5 standard, it prepares to abate these apartments to this standard. This includes NYCHA's continued efforts to fully abate apartments during apartment turnover, also now at the 0.5 standard. In 2022, NYCHA also commenced the TEMPO Abatement Program, which will abate NYCHA apartments to the 0.5 standard, starting with apartments where children under 6 live or visit for 10 or more hours per week.

As of January 5, 2023, NYCHA has completed LBP inspections at 0.5 mg/cm² in 29,055 apartments and, of these, received the testing results for 23,229 apartments. Of the 23,229 apartments, 8,370 have tested positive for LBP and 14,859 have tested negative.

HUD Visual Assessments, TEMPO Visual Assessments, and Associated Interim Controls

Under the federal Lead Safe Housing Rule, NYCHA must conduct visual assessments of all apartments in "target housing" unless otherwise exempt under 24 CFR §35.115. Target housing means any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless a child of less than six years of age resides or is expected to reside in such housing for the elderly or persons with disabilities) or any zero-bedroom dwelling.

In addition to these HUD-required apartments, NYCHA also must conduct additional visual assessments pursuant to Local Law 1, and through its proactive TEMPO Visual Assessment Program, which performs two inspections per year in all apartments where children under 6 live or visit for 10 or more hours per week, unless they test negative at the new 0.5 standard.

Table 1 below provides an update for 2022 on visual assessments and interim controls in the HUD required category.

Table 2 below provides an update for 2022 on visual assessments and interim controls in Local Law 1 only and the TEMPO Visual Assessment category.

2022 Activity HUD Required	Date Started	Number as of 01/01/2023
Visual assessments of HUD-required apartments completed	2022	23,447 completed apartments (out of 28,836 apartments in the HUD required universe). ^[1] Visual assessments were attempted in all apartments.
Completed Interim Controls in Apartments to Correct Paint Deficiencies Identified in 2022 Visual Assessments	2022	1,976 completed apartments (out of 9,265 apartments with deficiencies requiring interim controls). ^[2] The work to complete the interim controls ongoing.
Visual assessments of common areas completed	2022	2,851 (out of 3,048 common areas where visual assessments are required)

Table 14 - HUD required category visual assessments and interim controls

2022 Activity LL1 and TEMPO Visual Assessment Program	Date Started	Number as of 01/01/2023
Visual assessments of LL1 and TEMPO Visual Assessment apartments completed	2022	25,429 completed apartments (out of 29,203 apartments in LL1 only and TEMPO Visual Assessment Universe). ^[3] Visual assessments were attempted in all apartments.
Completed Interim Controls in Apartments to Correct Paint Deficiencies Identified in 2022 Visual Assessments	2022	2,186 completed apartments (out of 9,856 apartments where interim controls are required to be performed pursuant to LL1 and/or the TEMPO Visual Assessment Program). ^[4] Interim control work is ongoing.

Table 15 - in Local Law 1 only and the TEMPO Visual Assessment and interim controls

Update on 2021 Interim Controls: Activities surrounding interim controls based on 2021 visual assessments have concluded – 4,207 units have completed interim controls as part of the 2021 interim control universe; an additional 3,003 units had attempts made as part as part of the 2021 interim control universe.

Update on 2020 Interim Controls: Activities surrounding interim controls based on 2020 visual assessments have concluded – 3,313 units have completed interim controls as part of the 2020 interim control universe; an additional 2,109 units had attempts made as part of the 2020 interim control universe.

Local Law 1 of 2004 Apartment Abatement

Under Local Law 1 of 2004, NYCHA also tests and abates apartments upon turnover where LBP has not been previously ruled out or abated. Since December 1, 2021, all testing and abatement is performed to meet the 0.5 mg/cm². This abatement provides for the removal of all lead-based paint.

2022 Activity	Numbers
Apartments tested upon turnover in 2022	5,067
Apartments tested negative upon turnover in 2022	3,462
Apartments tested positive upon turnover in 2022	1,605
Apartments abated upon turnover in 2022	897
Apartments abated in 2022 based on testing done 2021	233
Total Apartments abated in 2022 irrespective of testing year	1,130

Table 16 - Department of Health Orders to Abate

Department of Health Orders to Abate

NYCHA also responds to Commissioner Orders to Abate (COTA) issued by the New York City Dept of Health and Mental Hygiene arising from elevated blood lead levels in children under 18 residing in NYCHA developments. Statistics regarding blood lead levels for children under the age of 18 are available in the Childhood Blood Lead Level Surveillance reports for 2022.

^[1] Pursuant to the TEMPO Visual Assessment policy, NYCHA attempts to perform two visual assessments per year in any apartment where a child under 6 lives of visits for 10 or more hours per week. For purposes of this chart, NYCHA is presenting the total number of apartments where visual assessments were performed, irrespective of whether 1 or 2 visual assessments were performed in that apartment.

^[2] The total number of deficiencies identified in 2022 is higher than the number of deficiencies reported in this chart. The reason is that deficiencies are excluded from consideration in this chart is that subsequent lead inspection results determine the paint is not lead based paint, and thus interim controls are not required.

^[3] Pursuant to the TEMPO Visual Assessment policy, NYCHA attempts to perform two visual assessments per year in any apartment where a child under 6 lives of visits. For purposes of this chart, NYCHA is presenting the total number of apartments where visual assessments were performed, irrespective of whether 1 or 2 visual assessments were performed in that apartment.

^[4] The total number of deficiencies identified in 2022 is higher than the number of deficiencies reported in this chart. The reason is that deficiencies are excluded from consideration in this chart is that subsequent lead inspection results determine the paint is not lead based paint, and thus interim controls are not required.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

DSS

DSS/HRA/DHS serves millions of NYC residents with social services programs designed to fight poverty and ensure basic needs are met. Through the Career Services division, this includes offering Cash Assistance and other clients' opportunities to increase their job skills and build a career that will lead to success and financial security. HRA's Career Services works closely with clients to find opportunities that match their skills, needs, and career goals, and help them work toward opportunities to grow and build a successful career. Complementing existing efforts, in 2022, HRA was awarded \$18.6 million from the U.S. Department of Commerce/Economic Development Administration, as part of the highly competitive Good Jobs Challenge grant opportunity. Implemented in collaboration with the Mayor's Office of Talent and Workforce Development, HRA's Pathways to Industrial and Construction Careers (PINCC) will connect thousands of disadvantaged New Yorkers to high quality jobs in the industrial and construction sectors through training and other supports.

HPD HOME Program

Harness Affordable Housing Investments to Generate Quality Jobs

In addition to HPD's implementation of the Section 3 program, discussed later in this response, the City's investment in affordable housing seeks to leverage greater Minority and Women-Owned Business enterprises (M/WBE) participation in housing development. Expanding opportunities for M/WBEs expands the pool of developers and contractors that can build affordable housing in New York City and strengthens the housing industry. More specifically, the City has implemented several programs to expand M/WBEs' access to capital, build their capacity, and provide opportunities to increase the participation of M/WBEs in affordable housing development projects through the Building Opportunity Initiative.

- To build the capacity of M/WBEs, HPD partnered with the NYC Small Business Services and created a program specially designed for affordable housing developers. To date, HPD's capacity building program has graduated more than 110 M/WBEs and non-profit development firms.

- To create pathways for qualified M/WBE professional service providers and construction contractors to work on HPD/HDC-supported affordable housing projects, HPD created its M/WBE Build Up program. The program requires 25% of all City supported cost in any new construction or preservation project receiving \$2 million or more from the City be spent on M/WBEs businesses during the design or construction phase of an affordable housing project. To date, 298 projects are now subject to the Build Up program requirements with an anticipated \$1.3 billion dollars in subcontracting opportunities for M/WBE businesses.
- HPD also created a Build Out program, which provides networking opportunities between development teams and qualified M/WBEs and small business contractors interested in working on affordable housing projects. The program also provides a seminar series dedicated to capacity building particularly to increase the business acumen and capacity of these M/WBEs and local firms to be more competitive and be able to seize the agency's opportunities.
- HPD's Division of Economic Opportunity and Regulatory Compliance enforces compliance with the both the Build Up and Build Out programs, facilitates connections between M/WBE firms and non-M/WBE partner developers or general contractors, and continuously identify ways to promote changes in the affordable housing industry to increase the participation of M/WBEs.

New York City Housing Authority

NYCHA's Office of Resident Economic Empowerment & Sustainability ("REES") supports residents with increasing income and assets through programs, policies, and collaborations in four key areas:

Employment and Advancement; Adult Education and Training; Financial Literacy and Asset Building; and Resident Business Development.

Intake, Referrals, and Service Coordination

NYCHA's outcome-driven resident economic opportunity platform—the Zone Model —is focused on leveraging NYCHA resources to support residents in increasing their income and assets. REES continues to move forward with full implementation of the Zone Model across all of New York City, vetting and maintaining a network of 80+ high quality local and city-wide economic opportunity partnerships.

Information Sessions: Recruitment and information sessions are held on-site at various NYCHA developments throughout the city, providing NYCHA residents of all communities with access to services offered by REES partners. Information sessions are also conducted twice per week at REES' Central Office. In March 2020, REES temporarily paused in-person information sessions due to the COVID-19 pandemic and relaunched them in June 2020 as virtual events. REES continues to host virtual events with in-person sessions conducted as requested. In 2022, REES hosted 38 info sessions.

REES Hotline: Residents can also find information about economic opportunity services, events and job opportunities available through REES and its partners through a dedicated hotline. The REES hotline facilitates over the phone referrals to partner programs and serves as a resource for residents to RSVP for upcoming events, testing and information sessions. In 2022, the hotline received 15,436 calls.

Opportunity Connect: Residents can be connected with economic opportunity service providers using a web-based referral system, Opportunity Connect. As of December 2022, nearly 22,185 referrals have been generated by NYCHA staff and nearly 5,759 residents have made self-referrals through Opportunity Connect. REES collaborated with NYCHA’s Information Technology department to develop a provider platform which allows partners to respond to referrals and update resident connection outcomes. In 2019, REES received the 2019 Award of Merit for Opportunity Connect from the National Association of Housing and Redevelopment Officials (NAHRO). In 2022, REES continues to partner with NYCHA’s IT department to develop an employer portal to receive job orders, refer residents to employment opportunities and to obtain referral outcomes.

Employment and Advancement

REES facilitates direct job placement through the Section 3 mandate, NYCHA hiring and training requirements, the NYCHA Resident Training Academy, and outside employers.

Section 3/Resident Employment Program

In 2022, NYCHA facilitated 834 direct job placements. These job placements included 488 resident job placements leveraged in accordance with the employment–related provisions of the Housing and Urban Development (“HUD”) Section 3 mandate and additional NYCHA hiring and training requirements. NYCHA REES continues to offer virtual events and has increased phone banking efforts to connect residents to employment and training opportunities across various industries and skillsets. NYCHA-REES continued efforts to strategically work with its vendors, as well as increased efforts to directly connect with residents have continued to result in increased placement opportunities for our residents.

Jobs-Plus is a proven place-based employment program that provides customized employment services, financial counseling, rent-based incentives, and peer to peer support to working age residents in targeted NYCHA Developments. In 2021, the NYC Jobs-Plus programs expanded to operate 13 sites serving 44 developments citywide, including three (3) new Jobs-Plus sites (2 in queens and 1 in Brownville) and a HUD -funded Jobs Plus Program in the East New York section of Brooklyn, that closed in 2022.

In September 2016, NYCHA was awarded a \$2 million grant from HUD for the Jobs Plus Initiative Program. HUD’s commitment allowed NYCHA to bring the Jobs Plus program to the 687 residents of the Pennsylvania-Wortman Houses located in East New York, Brooklyn. In 2022, after five years of serving the residents of Penn-Wortman, the grant ended March 31, 2022. In total, 405 residents were enrolled—139.66% of the revised HUD cumulative contract goal of 290. The program continued to work to connect members to job opportunities and/or address the barriers to employment, resulting in 91 members being placed in full-time (69) or part-time (22) employment from inception to contract end. 20 members who were already employed moved to a new job or from part-time to full-time employment.

There were 371 members who received financial coaching or education, including 57 who received the Jobs Plus Earned Income Disallowance program benefits resulting in over \$300K in rent savings for those residents.

The NYCHA Resident Training Academy (NRTA) is a public/private initiative funded by the Robin Hood Foundation. The NRTA began in August 2010 as a citywide, employment-linked training program for NYCHA residents. Training tracks have been conducted in the areas of construction, janitorial, pest

control, and maintenance. The NRTA is a recognized direct entry provider by the New York State Department of Labor, that provides NRTA graduates opportunities to interview directly with union apprenticeship programs post-graduation. Residents receive training from some of New York City's premier vocational training providers in preparation for jobs with NYCHA, its contractors, and the private sector. By the end of 2022, over 3,435 NYCHA residents have graduated from the Academy with about 83% moving on to employment directly with NYCHA and in various construction-related positions with NYCHA contractors and external affordable housing developers.

Zone Partner Highlight: Green City Force

Green City Force has partnered with REES since 2009 to recruit qualified NYCHA Residents, ages 18-24, for the full-time AmeriCorps program. Green City Force provides its members with hands-on experience under the supervision of senior GCF staff. Service initiatives respond to needs in public housing communities, cultivating and distributing fresh produce, building sustainable green infrastructure, and reaching residents with sustainability programs. Corps Members train for and take the GPRO (Green Building Professional) certification administered by the U.S. Green Building Council, as well as the OSHA-30 (Occupational Safety and Health Administration) certification and 10-hour NYC Site Safety training. Training in agriculture, culinary skills, and nutrition, electrical, carpentry, pest management, recycling and compost processing prepare Corps Members with technical skills for a range of sustainable career pathways. Professional Development workshops build job interview, networking, and resume writing skills, while Personal Development sessions equip members with transferable and life skills. REES and GCF have hosted virtual weekly information sessions to recruit residents citywide. In 2022, 36 NYCHA residents graduated from Green City Force over two cohorts.

Resident Business Development: Food Business Pathways (FBP): 271 residents have graduated from FBP across 9 cohorts with 189 registered businesses. The program bridges the financial and educational gaps and provides access to affordable spaces for NYCHA public housing residents and NYCHA Section 8 voucher holders seeking to formally launch and grow their food businesses.

In 2019, NYCHA launched Catering Business Pathways, an iteration of FBP, focused on starting and growing resident catering businesses. In March 2020, 24 NYCHA residents graduated from Catering Business Pathways.

Child Care Business Pathways: 99 residents have graduated from Childcare Business Pathways across 6 cohorts with 39 receiving licenses. The program offers free training for childcare providers as required for licensing by New York State, free supplies to launch their childcare business, and technical assistance to complete the NYS childcare business application and to prepare their homes for the required Department of Health and Mental Hygiene inspections.

In 2022, NYCHA provided support to Business Pathways graduates by connecting them to market access opportunities, business resources and tailored workshops. For the Food Expansion Program, funded under the NYC Taskforce on Racial Inclusion and Equity, six Food Business Pathways graduates provided 7,300 meals to NYCHA families impacted by gas outages; generating \$109,500 in business revenue for NYCHA resident food business vendors. Additionally, two Childcare Business Pathways graduates were recommended to provide childcare services for a community financial education training program. In total

there were eight Business Pathways alumni support workshops in 2022. In 2023, NYCHA will conduct one new training cohorts for Food Business Pathways and one for Childcare Business Pathways.

In 2021, NYCHA secured funding through the Fund for Public Housing from the JP Morgan Chase Foundation to launch Construction Business Pathways (CoBP) and conduct 2 training cohorts. Construction Business Pathways provides business education and mentorship services to NYCHA residents, who want to start or grow a construction business. Cohort 1 was launched in Q3 2021 and completed with 20 residents in December 2021. Cohort 2 was launched in September 2022. There were 20 residents selected for the program, 18 residents accepted to participate and started the program; and 13 completed the program in November 2022.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

New York City Housing Authority

The NYCHA Board is comprised of seven (7) members appointed by the mayor, to include three (3) resident members. The Mayor designates one of the members as the Chair. Members' duties include voting on contracts, resolutions, policies, motions, rules and regulations at regularly scheduled meetings.

The Chief Executive Officer of the Authority is responsible for the supervision of the business and affairs of the Authority. A majority of the departments within NYCHA are clustered into one of five groups, each headed by an Executive Vice President reporting to the Chair: Finance, Information Technology, Administration, Legal Affairs, Leased Housing, and Strategy and Innovation. The Chief Asset & Capital Management Officer reports to the Chief Executive Officer and oversees the Real Estate Development, Capital Projects, and Comprehensive Modernization teams. The Chief Operating Officer (COO) also reports to the Chief Executive Officer and oversees property management operations and several other departments that support operations including Healthy Homes, Tenancy Administration and Quality Assurance. The Executive Vice-President for Resident Services, Partnerships and Initiatives also reports to the COO.

Several other departments comprising the Executive Group report directly to the Chief Executive Officer including the Chief Compliance Officer, Intergovernmental Affairs, Communications, Environmental Health and Safety, and Equal Opportunity.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

DSS

DSS/HRA/DHS serves millions of NYC residents with social services programs designed to fight poverty and ensure basic needs are met. DSS/HRA provides access to major benefit programs, including Supplemental Nutrition Assistance Program (SNAP), cash assistance benefits, Medicaid and administers NYC funded rental assistance subsidies for a variety of eligible populations. HRA's Career Services program works with cash assistance and other clients to find opportunities that match their skills, needs, and career goals, and provides both educational and employment opportunities. Complementing existing efforts, in 2022, HRA was awarded \$18.6 million from the U.S. Department of Commerce/Economic Development Administration, as part of the highly competitive Good Jobs Challenge grant opportunity. Implemented in

collaboration with the NYC Mayor's Office of Talent and Workforce Development, HRA's Pathways to Industrial and Construction Careers (PINCC) will connect of disadvantaged New Yorkers to high quality jobs in the industrial and construction sectors through training and other supports.

New York City Housing Authority

Since 2003, NYCHA has collaborated with HPD to construct new affordable housing on NYCHA properties. In 2022, construction was completed at Betances V, totaling 152 affordable senior units, renovated public amenities, a community health clinic, and supportive services to residents, specifically youth, living in the Mott Haven Neighborhood of the Bronx. Construction of more than 1,000 affordable units continued at six additional NYCHA developments.

Activities planned for 2022 include:

- Ground lease of a site for construction of 100% affordable senior housing at Bushwick II – Group E in Brooklyn;
- Developer selection of a site for construction of 100% affordable senior housing at Kingsborough; and
- Developer selection of a site for construction of 100% affordable housing at West Brighton II.

Family Partnerships Elderly Safe at Home

The Elderly Safe-at-Home program provides services geared towards enhancing the general quality of life of elderly and non-elderly disabled residents who reside in 21 NYCHA developments (Bronx 11, Brooklyn 3, Manhattan 4, Queens 3). This program employs dedicated employees that provide on-site social services to help improve safety and security and enhance health and well-being. As a result, residents continue to live independently in their homes and prevent premature placement in nursing homes or other forms of institutionalization.

This program provides support and crime prevention services, crisis intervention, and crime victim assistance to address and prevent crimes perpetrated against this vulnerable population. The program also assists residents with maintaining daily life, accessing public entitlements, and coordinating services with outside providers. Residents can meet with the assigned worker in the social service office or in their homes. Workers are also expected to conduct regular home visits and telephone reassurance.

This program also recruits and trains resident volunteers who are organized into a floor captain/buddy system and maintain daily contact with residents in their respective developments. The floor captains are the eyes and ears of the program. They are often the first to detect if something is wrong or identify an incident requiring immediate attention and are obligated to report back to program staff. This program also offers workshops on crime prevention, safety and security, and crime victims' rights and the criminal justice process. Information on these and other topics is disseminated through pamphlets and regularly scheduled meetings at program sites. Residents who need more comprehensive crime victim services are referred to community-based organizations and/or City agencies that specialize in this field.

During 2022, the program provided 33,050 units of support services to approximately 934 residents monthly and conducted 5,854 home visits.

Naturally Occurring Retirement Community (NORC) Program

The NORC Program was developed to address the needs of concentrations of seniors who have aged in place, in non-elderly housing. The program was designed to coordinate a broad range of health and social services to help support well and frail elderly residents, 60 years of age and older who continue to live in their own homes. Approximately 20.5% of the NYCHA senior population does not live in senior-designated buildings.

The NORC program concept is to provide “client-directed,” bilingual supportive services to the elderly who do not live in units built for the elderly through building community infrastructure. The program helps to identify needed services and service providers that embodies the needs of the residents. The NORC program services provides: Bilingual on-site assessment, information and referral services, case management, counseling, education/ prevention/wellness programs, recreational/socialization programs, and volunteerism. One of the key components is the assistance to access needed health care services, which includes nursing, health screenings, in-home assessments, medication management, and home visits by doctors, when needed. Additionally, the program provides ancillary services such as transportation, shopping, financial management, housekeeping, personal care, support groups, and intergenerational activities, among many others.

Based on DFTA’s reports, from 01/01/2022 to 12/31/2022 the NYCHA NORC program provided services to nearly 4,450 active clients. In Fiscal Year 2021, DFTA awarded \$3,763,206.00 to 11 NYCHA NORCs- (Bronx 1, Brooklyn 3, Queens 1, Manhattan 6).

Coordination

NYCHA Re-Entry Program

The NYCHA Family Re-Entry Program (FRP) was launched in November 2013 and is designed to reunite formerly incarcerated individuals with their families in Public Housing and provide them the opportunity to be permanently added to the family composition. The goal of the FRP is to address admissions for individuals with a history of criminal justice involvement at a unique juncture and people who are close to release from incarceration, and thus in greatest need of supportive services to prevent recidivism and find stability.

Program participants are provided case management services geared to help them reunite with their families and build supportive social networks. After program completion, the participant can be added to the lease. One of the challenges faced by the program is providing these individuals with opportunities for obtaining economic stability that will enable them to maintain their viability. To meet this challenge, the Program is seeking to partner with Community-Based Organizations that have funding, or are in the process of obtaining funding, to provide services. NYCHA is also continuing to advocate for public and private funding for the program and/or our external partners. This new funding will give service providers and NYCHA the ability to enhance and expand services to more NYCHA families.

As of December 2022, the Family Re-Entry Program currently has 325 applications and has reunited 184 people with their families. Of those, 146 have completed the program, 53 have been added to the lease and less than 10 or 4% have had new convictions.

DSS

DSS works with its partners, including the public housing agencies, to support low-income New Yorkers to access and maintain housing. DSS/HRA funds 26 HomeBase homelessness prevention agencies throughout NYC to provide services including application for housing supports and subsidies in the community and aftercare services to formerly homeless households. DSS also serves as the conduit for resources to support rehousing, including public benefits for moving, apartment search, furniture and more; and provides assistance in the form of rent and utility arrears to keep low-income tenants in their homes. In addition to being part of the consortium of agencies that develop and fund the City's portfolio of supportive housing units, DSS funds rent subsidies in private properties as well as HPD-set asides to make them accessible to formerly homeless and at-risk households.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

HPD

The City of New York follows a balanced approach to advancing fair housing. The City makes substantial housing, infrastructure, and service investments in under-resourced neighborhoods and facilitates the construction and preservation of affordable housing opportunities in amenity-rich neighborhoods. Together, such investments are designed to empower New Yorkers with realistic choices to live in thriving, integrated neighborhoods and to ensure that no one is deprived of access to fundamental resources because of their race, ethnicity, disability, religion, or other protected characteristic.

Since its October 2020 release the City has met or made progress on over three-fourths of the 81 commitments laid out in Where We Live NYC. Where We Live NYC, the culmination of a two-year development process led by HPD and NYCHA, is the City's five-year plan to break down barriers to opportunity and build more integrated, equitable neighborhoods, which includes crucial recovery efforts in response to the disproportionate impact the COVID-19 pandemic has had on low-income communities of color. In 2022 the City advanced the following initiatives in support of this plan:

- Expanded the financial support provided by HPD's down payment assistance program, HomeFirst, to enable low-income New Yorkers to buy their first homes in more neighborhoods, including places that are now largely out of reach due to high prices.
- Provide education and navigation services for litigants in Housing Court. Providing awareness of and resources for organizations that help tenants navigate Housing Court will continue to reduce evictions, ensure tenants receive necessary repairs, and otherwise improve the accessibility and experience of Housing Court for New York City's most vulnerable tenants.
- In collaboration with the Department of Social Services, HPD increased the number of referrals in its marketing process for homeless households who use City-funded rental assistance. This new program will open more affordable apartments to homeless households, quickening the transition to permanent, high-quality housing.

- Developed online portals to help HPD voucher holders and their landlords submit and receive documents and payments electronically. These new portals improve efficiency and reduce the number of necessary in-person visits.
- Offer regular trainings for frontline staff, such as case managers, health care workers, housing specialists, and marketing staff on housing rights, resources, and best practices in outreach and for providing reasonable accommodations for people with disabilities.
- Included a description of racial characteristics of the project area in the analyses accompanying and underpinning the environmental review for proposed land use changes.

NYCHA'S Services for Homeless Families

In 2014, NYCHA reinstated the highest housing priority for homeless families in NYC Department of Homeless Services (DHS) shelters, upgrading their need-based priority from N-4 to N-0 (the highest Need-Based priority). NYCHA also gives preference to DHS homeless families on the NYCHA Working Family list for public housing apartments available for new rentals. NYCHA’s plan not only addresses local housing needs but is also in line with the national objectives of using existing housing assistance programs as an essential part of achieving former President Obama’s goals of the 2010 Federal Strategic Plan to End Homelessness. In further support of the Mayor’s Housing Plan, NYCHA also connected homeless families holding top priority on the Section 8 waiting list with available Section 8 project-based units in the Authority’s 13 LLC developments. NYCHA will continue to prioritize homeless individuals for the Section 8 wait list.

NYCHA's Responses to Allegations of Housing Discrimination

NYCHA affirmatively furthers fair housing by providing equal housing opportunities to residents, applicants, and Section 8 voucher holders. NYCHA’s DEO is responsible for investigating complaints of discrimination from employees, applicants, residents, and Section 8 voucher holders. Employees, applicants, residents, and Section 8 voucher holders may file employment or housing discrimination complaints with NYCHA via the DEO Mailbox, Movaris Web Form on NYCHA Connect, Walk-Ins, Calling DEO, or externally using the NYCHA I-Sight portal or QR code.

In 2022, DEO reviewed 31 new fair housing matters and 11 had basis for investigation. DEO closed 32 fair housing complaints with 12 having basis for investigation in 2022.

FH Closed Complaint Basis	2022
Sexual Harassment	5
Other	2
National Origin	1
Gender Identity	1
Race, Sexual Harassment	1

Race	1
Age, Lawful Source of Income	1
Total	12

In 2022, NYCHA’s Services for People with Disabilities (SPD) was transferred to NYCHA’s Public Housing Management Services. The NYCHA Fair Housing Non-Discrimination Policy Statement is available on NYCHA’s [website](#) and in audio format at 212-306-4600. DEO provides annual updates to NYCHA’s non-discrimination policies, including the NYCHA Fair Housing Policy; Reasonable Accommodation Policy for Tenants, Housing Applicants and Section 8 Voucher Holders; Equal Employment Non-Discrimination Policy; and Sexual Harassment Prevention Policy. These NYCHA policies were last revised on January 6, 2021 and include the provision of reasonable accommodations for applicable protected classifications, including disability and victims of domestic violence, under relevant federal, state, and local laws.

NYCHA Assisting LEP Persons

NYCHA’s policy is to take reasonable steps to ensure Limited English Proficient (LEP) persons may effectively participate in, and benefit from, NYCHA programs and services. The policy is in accordance with the U.S. Department of Housing and Urban Development notice entitled “Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient (‘LEP’) Persons.” This final notice was published in the Federal Register at 72 FR 2732 (January 22, 2007).

NYCHA’s Language Assistance Services Standard Procedure, updated most-recently on February 7, 2019, provides procedures and staff responsibilities to ensure NYCHA’s language access policy is achieved. Specifically, the standard procedure addresses, among other things: procedures for identifying LEP individuals with the assistance of language identification cards; staff procedures and supervisor responsibilities for obtaining translation or interpretation services for LEP individuals; the posting of notices in public areas within Development Management Offices, Borough Offices and waiting rooms informing LEP individuals of no-cost language access services; training requirements to ensure awareness of and compliance with NYCHA’s language access procedures; language access reporting and oversight responsibilities; and a requirement that NYCHA’s language access policies be reviewed every three years.

NYCHA’s Language Access Coordinator and the Language Services Unit (LSU) oversee NYCHA’s language access policies. The LSU team is currently staffed by six full-time interpreters (two Spanish language interpreters, two Chinese language interpreters fluent in both Mandarin and Cantonese, and two Russian language interpreters). In addition to providing translation and interpretation services, the LSU serves as a resource for staff in understanding and applying NYCHA’s language access procedures, coordinates requests from NYCHA departments for written translation and interpretation services, as well as manages outsourcing to external vendors for assistance with providing various language services, including American Sign Language. LSU also tracks language access metrics for HUD reporting.

NYCHA relies on staff and vendors to provide language services including telephonic, remote meeting and in-person interpretation as well as paper, webpage, or other electronic document translations. In providing these services, NYCHA staff serve in several primary functions. First, bilingual staff may directly serve LEP individuals they or their departmental colleagues encounter. In 2022 and now, NYCHA continues to use external language vendors for various services, such as in-person or virtual oral interpretation, written translations, American Sign Language, and more. Finally, departments that frequently encounter LEP individuals, including the Customer Contact Center, Department of Equal Opportunity, Office of Impartial Hearings, Operations, Public Housing Property Management, Leased Housing's Section 8 program, and Resident Economic Empowerment & Sustainability and Resident Services Partnerships & Initiatives, assign a staff member to serve as the department language liaison. Liaisons serve as language access ambassadors for their department as well as identifying vital documents requiring translation.

To supplement staff resources, NYCHA's language access vendors provide interpretation services as well as primary document translation. Through NYCHA staff and vendors, language services are available in over 100 languages.

During normal operations and since the onset of the COVID-19 pandemic, resident communications have been provided in Spanish, Russian, Chinese Simplified, and Chinese Traditional, which are the most frequently requested languages for translation and interpretation services at NYCHA. In addition, contracted services were executed with an external language vendor to translate essential communications in the following eight other languages: Arabic, Bengali, French, Haitian Creole, Korean, Polish, Urdu, and Yiddish. Key documents are also translated and posted on NYCHA's website in Spanish, Russian, Chinese Simplified, and Chinese Traditional.

In 2022, LSU handled 23 of the total 440 interpretation requests and 1,390 translations requests comprising 3,234 pages. This year (as of mid-February 2023), LSU has handled 4 interpretation requests and outsourced 38 requests to an external vendor for interpretation services. LSU has also translated 237 requests comprising of 510 pages.

For telephonic interpretation services, LSU can provide the services directly or transfer the call to the Language Assistance Hotline (212) 306-4444 for assistance through an external language vendor that provides on demand over-the-phone interpretation services in more than 100 languages.

NYCHA property management staff also utilize the Language Assistance Hotline which continues to improve customer service for LEP residents; reduces wait times for over-the-phone interpretations; improves tracking and reporting for language services; and enhances efficiency in the delivery of language assistance.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

CDBG Monitoring Activities

In 2022, the Community Development Unit created a compliance and monitoring team. The new team is responsible for monitoring for compliance with 24 CFR 570 and 2 CFR 200 across the CDBG portfolio. Using the Unit's Risk Assessment tool, updated on an annual basis, the team will continue to conduct program and crosscutting requirement-specific monitoring throughout the program year. In 2022, the NYC Office of Management and Budget's (OMB) Community Development (CD) Unit conducted the following monitoring activities in compliance with its responsibilities under 2 CFR §200.331:

Connected NYCHA

In 2021, the CD Unit completed a review of vendor invoices related to the Connected NYCHA program. The review determined that CD funds were used to pay for unapproved devices and erroneous equipment tax charges. OTI, the City agency that administers the vendor contract on behalf of the Department for the Aging (DFTA), was notified of the discrepancies on January 20, 2022, and worked with the vendor to correct. In 2022, the CD Unit conducted a monitoring of DFTA program spending. As a result of this review, a small population of expenditures were determined to be ineligible. For those expenditures, CD funds were not used..

Parks Construction and Renovation

In 2022, the CD Unit initiated a monitoring of labor standards, including Davis-Bacon and Related Acts and the Copeland "Anti-Kickback" Act for the Parks Construction and Renovation Vale of Cashmere project. The monitoring is ongoing, and results will be reported in 2023 Annual Performance Report.

Various - Property Registers and Equipment Management Monitoring

The CD Unit typically performs two equipment use and tracking reviews each summer. The purpose of these visits is to ensure CD-funded equipment is properly labeled and located where each program's equipment listing (called a Property Register) indicates. In 2022, the Unit initiated virtual monitoring of property registers and equipment for the following programs: Connected NYCHA, School Kitchen, and Pelham Bay Park. As for the results, the Unit deemed one laptop purchased for the Connected NYCHA program was misplaced, and ultimately replaced by the subrecipient organization using its own funds. For the School Kitchen property register, the Unit initially noted 53 instances of items that were missing from the list, all but 5 were ultimately accounted for. At the end of the program year the CD Unit was continuing to work with DOE to resolve the tracking issues. No issued were reported for the Pelham Bay Park Property Register.

Alternative Enforcement (AEP) and Demolition

In 2022, OMB CD and HPD staff continued a quarterly claims process for the Alternative Enforcement (AEP) and Demolition programs. This process monitors and verifies expenditure eligibility for CD funding. The OMB CD Fiscal Unit compiles a list of expenditures for the most recent quarter – using Info Advantage and the system acceptance date – and sends this template to HPD to populate with additional information. Once provided by HPD, OMB reviews various fields including voucher and invoice values and locational data to ensure that the properties have gone through the required environmental review process.

Recreation Services: Minipools

In 2021, the CD Unit began a desk review monitoring of the Recreation Services: Minipools program, which is run by NYC Parks and Recreation. The monitoring is focused on the program's City Fiscal Year 2019 expenditures and aims to ensure that CD funds were spent on eligible activities. The monitoring was completed in 2022, however, due to staff turnover, a final report had not yet been issued by the end of 2022, so outcomes will be reported in the 2023 Annual Performance Report.

GreenThumb

In 2022, the CD Unit continued to review timesheets submitted by NYC Department of Parks and Recreation's GreenThumb Program. CD eligibility of the GreenThumb gardens is determined if the garden is in a CD-eligible census tract (at least 51.0 percent low/mod and 50.0 percent residential or its proximity to a NYCHA development), not located in the 100-year flood zone, and reviewed for archeological and architectural significance. NYC Department of Parks and Recreation submits quarterly timesheets that include CD-funded employees' time spent at GreenThumb gardens. If a garden or activity is determined to be ineligible, the time spent and the associated costs will be journalled to a non-CD funding source.

City Educational Facilities

In 2022, the CD Unit continued to implement a claims review process for the DOE programs: City Educational Facilities - Accessibility Improvements and City Educational Facilities - Health & Safety (Code Violation Removal and Clearance). The CD Unit reviews all claims submitted by DOE for their CD-funded programs to ensure sites and work conducted are eligible for CD funds prior to reimbursement. Costs for ineligible sites or ineligible work are journalled to a non-CD funding source.

Various - Personnel Costs

The CD Unit reviews agencies' requests to hire staff throughout the year as an ongoing monitoring activity. The Unit is electronically notified every time an agency requests to fill a CD-funded position. If the CD Unit determines that a position is not CD-eligible, it will not approve the hire. The requesting agency must then either use another funding source for the position or make necessary adjustments to the position's duties. Agencies are also instructed to correct positions that are CD-eligible but are not being charged to the appropriate eligibility category or national objective.

HOPWA Monitoring Activities

DOHMH staff monitors HOPWA project sponsors' performance and spending compliance on a monthly basis. Technical assistance is routinely delivered to address programmatic and/or fiscal challenges. On a quarterly basis, DOHMH staff convenes a review of all HOPWA contracts to determine if there are new or emerging trends or common challenges experienced among project sponsors that should prompt additional training and technical assistance. As necessary, DOHMH seeks technical assistance from Collaborative Solutions and the Cloudburst Group.

Due to the COVID-19 pandemic, DOHMH paused all on-site program, fiscal and habitability monitoring visits during 2021. During 2022, DOHMH staff while continuing to provide support to HOPWA Project Sponsors via telephone, Zoom, they also resumed in person on-site monitoring visits to review program and fiscal documentation as needed with project sponsor staff in attendance. The fiscal portal was launched in 2021 and fiscal staff continue to complete virtual desk audits via the uploading of fiscal documents as well as in order to process payments. DOHMH is also working on a new client portal to support project sponsors in conducting needs assessments and obtaining documents to recertify consumer eligibility.

As the designated grantee for the New York City Eligible Metropolitan Statistical Area (EMSA), DOHMH administers, coordinates, and oversees the HOPWA formula grant. The EMSA is comprised of the five boroughs of the City of New York together with Westchester, Rockland and Putnam Counties in NY State. In 2022, due to restructuring of the NYC EMSA by HUD we no longer oversee the following counties: Orange in the Lower Hudson Valley and Middlesex, Monmouth and Ocean Counties in New Jersey. DOHMH works with these counties and eligible localities therein to plan and evaluate their use of HOPWA funds to provide housing subsidy assistance and support services for low-income individuals living with HIV/AIDS and their families. In 2022, as in previous years, the majority of the HOPWA funds were passed through to the HIV/AIDS Services Administration (HASA), a program of the NYC Human Resources Administration (HRA).

All contracts procured by the New York City Department of Health and Mental Hygiene (DOHMH) are governed by the New York City Procurement Policy Board (PPB). The PPB is authorized to promulgate rules governing the procurement of goods, services, and construction by the City of New York under Chapter 13 of the Charter of the City of New York.

DOHMH adheres to PPB rules and processes HOPWA contracts internally through its Agency's Chief Contracting Officer (ACCO). In addition, the ACCO submits all DOHMH contracts, including HOPWA contracts, through various City oversight agencies, including the City Law Department, Mayor's Office of Contract Services (MOCS), and the City of New York Comptroller's Office. These agencies ensure that contracts are compliant with City, State, and Federal laws and guidelines pertaining to procurement. In accordance with the Uniform Guidance, the Division communicates grant requirements and funding information to its sub-recipients through authorization letters and program policy guidelines.

DOHMH conducts routine monitoring activities of its HOPWA-funded sub-recipients and providers (i.e., project sponsors). Monitoring activities are conducted on-site and remotely on an annual basis. With the use of detailed HUD-approved checklists to ensure compliance, habitability inspections to ensure units

supported with HOPWA dollars meet HUD's Housing Quality Standards (HQS) are also conducted annually.

DOHMH staff understands the high importance of client confidentiality and take necessary steps to ensure that it and sub-recipients comply with the AIDS Housing Opportunity ACT of 1992 to protect the privacy of those receiving HOPWA assistance. DOHMH also provides annual confidentiality training to staff and the provider community.

As of the receipt of the HOPWA Grant Agreement, DOHMH learned it must implement and monitor compliance with 2 CFR Part 2429, Requirements for Drug-Free Workplace (financial assistance). Therefore, DOHMH staff drafted and issued a Program Policy Guidance (PPG) to HOPWA-funded providers (i.e. sub-grantees and project sponsors) outlining their roles and responsibilities to comply with and maintain a drug-free workplace in May 2020. Following the release of the PPG and implementation of activities, DOHMH staff will incorporate 2 CFR Part 2429 as part its regular ongoing monitoring activities, namely the on-site program site visits to verify program compliance.

ESG Monitoring Activities

The NYC Department of Social Services (DSS), incorporating HRA and DHS, receives ESG funds to engage unhoused individuals living on the street, to operate and provide essential services to residents in emergency shelters serving adults without minor children, and to help prevent homelessness. ESG grant allocations and funding priorities related to ESG under the Consolidated Plan are managed by the Federal Homeless Policy and Reporting unit (FHPR) within the Office of Research and Policy Innovation (ORPI), within NYC DSS.

- FHPR is responsible for submitting the ESG section of the NYC Consolidated Plan (Con Plan) and all related plans and reports.
- To develop the upcoming AAP report, FHPR reaches out to each DSS/HRA and DHS Division receiving ESG funds on at least an annual basis to discuss program budgets, eligible ESG activities and documentation requirements.
- FHPR meets with each program area (DHS Emergency Shelter, DHS Street Outreach, HRA Prevention, and DSS ITS/Technology) to discuss all requested, or required, programmatic investment changes for the upcoming Annual Action Plan year.
- FHPR works with Programs and DSS Budget/Finance to finalize the ESG Budget and ensure all necessary actions are taken to fully draw down on the funds for eligible activities.
- FHPR provides DHS and HRA Programs with any performance related information used in Federal planning and reporting.

In accordance with practices described in the Consolidated Plan AAP, DSS Finance is responsible for the fiscal administration of the ESG grant. DSS Finance submits in IDIS the drawdowns for revenue associated with eligible ESG expenses in the activities/contracts identified. ESG expenditures and claims are all subject to the appropriate internal controls as governed by Directive One. Beginning in 2018 and on a quarterly basis, Finance has provided FHPR and program areas with updates on grant expenditures and IDIS drawdowns.

The DHS and HRA program areas receiving ESG dollars coordinate any necessary corrective action planning with FHPR, the Agency audit unit and other program areas or contracted vendors as appropriate. NYC CoC HMIS-derived performance data is shared with Programs as needed.

The FHPR unit meets with the relevant program divisions and DSS finance on a quarterly basis. These meetings focus on program performance reports from the NYC CoC HMIS system and the spending/drawdown reports generated by Finance. DSS utilizes HUD's standard performance measures to evaluate ESG funded provider performance. DSS shares this framework with the Continuum of Care Steering Committee and reviews periodically with the NYC CoC Data Management Committee

For more information regarding ESG performance standards, readers should refer to the "Project Outcomes" section of the Sage CAPER report, which is included as an attachment.

HOME Monitoring Activities

Annual Owner Certification and Site Visit/File Review to assure records properly collected and retained:

HPD requires each owner of a HOME-assisted property to submit an Annual Owner Certification (together with a rent roll and other supporting documentation) to confirm that their projects are in compliance with all applicable program restrictions. HOME units are required to have physical unit inspections. Further, each year the agency visits the offices of the owners of selected HOME properties to perform a detailed review of tenant files to assure records are properly collected and retained and that tenants meet HOME funding requirements and are charged rents that are within the prescribed limits. These site visits generally are performed in the first year after a project is "placed in service" and every third year thereafter; however, site visits may be more frequent when new information is discovered that demands our investigation. The agency conducts these site visits throughout the compliance period under the owner's HOME Written Agreement to ensure that the owner continues to properly collect and retain all required documentation.

Suspicion of Fraud:

HPD works closely with the New York City Department of Investigation (DOI) to address fraud, including any fraud involving HOME Program funds. If the agency suspects fraud, then a further review is conducted by agency staff and, if appropriate in accordance with local legal requirements, a referral is made to DOI. The Marketing Handbook requires that Developers use certain forms during all tenant selection processes. These forms include: IRS Form 4506 Request for Copy of Tax Return; IRS Form 4506-T Request for

Transcript of Tax Return; NYS DTF-505 Form Authorization for Release of Photocopies of Tax Returns and/or Tax Information; and an Authorization to Release Information form. If an applicant file contains inconsistent information, these forms can be used by agency staff and DOI in order to clarify the information or to determine if any fraud exists. On occasion, DOI has referred matters to appropriate prosecutors' offices. Furthermore, Developers are made aware that they must forward any suspicious information directly to the agency and/or DOI. Lastly, if any inconsistent or suspicious information is brought to the agency's attention regarding a Developer and or its agent, the matter is referred to DOI for

further investigation.

Citizen Participation Plan 91.105(d); 91.115(d)

The [Citizen Participation Plan](#) (CPP), is New York City's framework to promote a community-wide dialogue to identify housing and community development priorities and guide the use of funding received from the Community Planning and Development (CPD) formula entitlement grant programs administered by the United States Department of Housing and Urban Development (HUD). New York City's CPP sets forth the procedures adopted to encourage citizen participation in formulating the Plan and provides for citizen participation throughout the consolidated planning process.

HOPWA

The U.S Department of Housing and Urban Development (HUD) Office of HIV/AIDS Housing (OHH), has invited the NYC Department of Health and Mental Hygiene (DOHMH), the NYC Eligible Metropolitan Statistical Area (EMSA), to be part of its pilot cohort of the HOPWA Program Racial, Gender, and LGBTQ+ Equity Initiative. Under this initiative, pilot communities will work to assess their HOPWA program's ability to address equity and provide tools for communities to improve their systems such that people living with HIV (PLWH) have equitable access to housing and services.

This project will address the disparities in housing services for the impoverished Black, Indigenous, and people of color (BIPOC), women, and LGBTQ+ persons. With the assistance of Project Sponsors the program will be able to reach out to the community and inquire about current needs that may be causes of inequities via questionnaires, interviews and phone calls. These efforts will be reported to HOPWA in efforts to incorporate long term changes within housing service delivery. HOPWA will continue to work with project sponsors and other HOPWA jurisdictions to identify gaps in housing services and create tools to obtain data in efforts to improve systems.

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City notified the public of the Consolidated Plan Annual Performance and Evaluation Report (CAPER) for review, utilizing multiple notification methods to announce the public comment period. Over 1,300 notifications were emailed to New York City residents, organizations and public officials inviting their review and comments on the report. In addition, notices were published in three local and minority newspapers: an English-, a Spanish-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted and translated in Arabic, Bengali, Chinese (Simplified and Traditional), French, Haitian Creole, Korean, Polish, Russian, Spanish and Urdu on the NYC Mayor's Office of Operation Consolidated Plan webpage.

The 15-day public comment period will begin June 13, 2023, and end June 28, 2022. The public was instructed to submit their written comments on the 2022 Consolidated Plan Annual Performance and Evaluation Report close of business, June 28, 2023 either by mail to: Lisa Rambaran, New York City

Consolidated Plan Program Manager, Mayor's Office of Operations, 253 Broadway 10th Floor, New York, New York 10007, or by email: ConPlanNYC@cityhall.nyc.gov

The Mayor's Office of Operation posted the 2022 Performance Report on the Consolidated Plan webpage and may be accessed at: <https://www1.nyc.gov/site/operations>

Comments received will be summarized and agencies' responses incorporated into the version submitted to HUD.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

For Federal Fiscal Year (FFY) 2022, the City's CDBG Entitlement award was \$166,259,543, a decrease of \$10,389,347 from its FFY 2021 grant. The CD program is subject to a 20 percent cap on activities categorized as Planning or Administration, which means for every \$1M the grant was cut, the City loses \$200,000 in room under the cap allowance. Accordingly, the City was forced to make several programmatic changes that took effect as of July 1, 2022. These actions included:

- Community Planning: CDBG funds are no longer used to cover certain agency costs or staff that works on City Environmental Quality Reviews at the Department of City Planning. These costs are now covered with City tax levy.
- HPD Administration: CDBG funds previously paid for several staff-members overseeing portions of the City's HOME Investment Partnerships Program. These positions are now funded by HOME.
- The following three programs' proposed budgets were reduced as follows:
 - Code Enforcement: (\$1.275M)
 - Emergency Repair Program: (\$1.332M)
 - Emergency Relocation: (\$.773M)
- The remaining CDBG funds for the following programs were reallocated to support the overall CDBG budget:
 - Schoolyards to Playgrounds: The funds had been intended to convert the schoolyard at I.S. 228 in Brooklyn into a playground, but the City withdrew the project following community opposition.
 - DOE School Kitchen Renovations: The Department of Education received CDBG funds to install walk-in refrigerators at five schools. However, the School Construction Authority performed the work using other funding.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

During 2022 there were 420 HOME projects under compliance monitoring. The projects included 1,168 buildings containing 13,067 HOME units. Of 163 projects selected for the site visit during calendar year 2022, 100 were found in compliance and 63 had non-compliances recorded. The majority of non-compliances were flagged for missing tenant income certification, missing lease and or missing VAWA rider. In addition to the site visit, we conduct Housing Quality Standard (HQS) inspections. Out of 2,197 units scheduled for the HQS inspection; 723 passed, 860 had no access, 127 failed and corrected within 90 days and 487 failed without a correction in 2022. Units that were not inspected in 2022 will be included in 2023 for a revisit.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The NYC Department of Housing Preservation and Development (HPD), in conjunction with the New York City Continuum of Care (NYC CoC) rents up permanent supportive housing (PSH) units, some of which are partially funded with HOME, through a Coordinated Entry (CE) process. PSH providers receiving HOME funds must follow the Policies and Procedures of NYC's CE process, called Coordinated Assessment and Placement System (CAPS). CAPS ensures eligible applicants are prioritized based on a standardized assessment and vulnerability index. PSH projects must follow a housing-first, low threshold intake process that does not screen out potential tenants for income, criminal justice involvement, substance use disorder, lack of adherence to mental health treatment and PSH providers must maintain satisfactory records evidencing adherence to these policies. All other HOME-funded units either follow the CE process or are subject to the HPD Marketing Handbook and its associated affirmative marketing requirements.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

HPD utilized program income on one project in 2022. The project is a supportive senior housing development located in the Bronx. It is comprised of 176 units, 13 of which are HOME assisted.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

The housing related activities within the Consolidated Plan support the broader housing strategy articulated in the Mayor's Housing Our Neighbors: A Blueprint for Housing and Homelessness as well as the previous administration's plan Housing New York, which set affordable housing production goals to extend to 2026. In 2022, the various New York City agencies that administer the City's federally-funded Consolidated Plan housing and supportive housing programs continued to work toward the Mayor's Housing Plan objectives and goals.

During the 2022 funding grant year, we utilized approximately \$1,041,763,142 in local capital funds, along with our HOME allocation and tax credit and bond authority to support new construction efforts including permanent supportive housing, senior housing, multifamily rental housing serving a wide variety of income levels, 1-4 family rental buildings, and down-payment assistance for qualified low-income homebuyers. In addition to new construction, the preservation of existing affordable units is a key priority of the Mayor's Housing Plan. The City's preservation strategies include enforcement of the Housing Maintenance Code, outreach to owners about how to proactively address maintenance and financial challenges and providing local financing and tax exemptions to rehabilitate properties in return for a regulatory agreement that guarantees long-term affordability.

CR-55 - HOPWA 91.520(e)

Identify the number of individuals assisted and the types of assistance provided

Table for report on the one-year goals for the number of households provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities developed, leased, or operated with HOPWA funds.

Number of Households Served Through:	One-year Goal	Actual
Short-term rent, mortgage, and utility assistance payments	45	1
Tenant-based rental assistance	280	364
Units provided in transitional housing facilities developed, leased, or operated with HOPWA funds	0	0
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	2351	2097
Total	325	429

Table 14 – HOPWA Number of Households Served

Narrative

As the designated grantee for the New York City Eligible Metropolitan Statistical Area (EMSA), the New York City Department of Health and Mental Hygiene's (DOHMH) administers, coordinates and executes the HUD HOPWA formula grant. The EMSA is comprised of the five boroughs of the City of New York together with Westchester, Rockland and Putnam Counties in the Lower Hudson Valley. The Division of Disease Control works with these three counties and eligible localities therein to plan and evaluate their use of HOPWA funds and to ensure the consistency of their efforts with those in the rest of the EMSA.

In calendar year 2022, DOHMH administered the HOPWA grant to serve the NYC EMSA with permanent housing facilities, permanent housing placement assistance, tenant-based rental assistance (TBRA), short-term rental, mortgage and utility (STRMU) assistance and supportive services. In the permanent housing facilities category, HOPWA funds assisted 5493 households with permanent supportive housing. HOPWA funds were also used to provide housing information and permanent housing placement services. In 2022, 49 households benefited from permanent housing placement (**data not reflected in the table above). Within the TBRA and STRMU categories, 365 households were served with TBRA services in 2022, and STRMU funds increased housing stability for 1 household, helping these households avoid homelessness.

Narrative

HOPWA

The City of New York does not use its HOPWA funds for construction. Therefore, no training, employment nor contracting opportunities are required.

In 2022 there were no reports of Section 3 Workers or hires. Our subgrantees currently do not fall into the targeted Section 3 population which includes: (i) A resident of public housing or Section 8-assisted housing; (ii) A resident of other public housing projects or Section 8-assisted housing managed by the local Public Housing Authority that is providing the assistance; or (iii) A YouthBuild participant. For these reasons we have no Section 3 Workers, Activities or Worker Hours to report upon.

ESG

The City of New York does not use its ESG funds for construction. Therefore, no training, employment nor contracting opportunities are required.

CDBG

Since the Section 3 Rule change from 24 CFR Part 135 to 24 CFR Part 75, agencies that conduct HUD-funded construction work have sought guidance about implementing the updated regulations governing the tracking of labor hours completed on Section 3 covered projects. The agencies administering the City’s HUD grants collaborated with staff who conduct construction activities, and have provided technical assistance, trainings, and updated Section 3 reporting forms for agencies and contractors. However, in view of questions about the scope of the regulation’s definition of a Section 3 project, among other issues, the City has been unable to collect the relevant data for Section 3 and Targeted Section 3 benchmarks in Calendar Year 2022. The City has requested HUD technical assistance regarding interpretation of 24 CFR Part 75.

HOME

The City of New York, to the greatest extent feasible, is committed to directing job training and employment opportunities to low- and very low-income New Yorkers. The Department of Housing

Preservation and Development (HPD) has undertaken various affirmative efforts to realize the benefits of Section 3 for residents and local businesses:

HPD includes information on Sec. 3 requirements in the equal opportunity packages provided to HPD loan recipients, contractors and their sub-contractors at weekly Pre-Award Conferences.

- HPD includes the Section 3 clause in its HUD-funded contracts, alerting each entity of the program and its obligations. The clause also requires its placement in every subcontract subject to Section 3 regulations.
- HPD has created and posted a HUD Section 3 webpage at the HPD website. The webpage contains an explanation of the regulations, reporting forms, a Section 3 Business Concern application, a Business Concerns directory and a listing of employment/training referral sources. The webpage provides firms working with the agency easy access to information they need to comply. It is available [here](#).
- HPD, in line with the policy of the City of New York, posts job notices on its website. Job notices are also available at the NYC Dept. for Citywide Administrative Services website and at public bulletin boards throughout the City.
- HPD has partnered with the NYC Department of Small Business Services (DSBS) to provide the employment and training services of DSBS's Workforce1 Centers. HireNYC is a free program designed to help New Yorkers access training and jobs through the City's purchases and investments. Under HireNYC, the NYC Department of Small Business Services' Workforce1 provides high-quality recruitment services to employers and high-quality employment services to jobseekers. HPD is now partnering with HireNYC to better connect low-income workers to construction job opportunities generated by our affordable housing development projects.

The Pathways to Opportunity initiative - was created to further the Administration's commitment to create fair and equitable access to affordable housing.

- Phase one of this initiative is the Marketing Agent Training, which aims to increase the supply of Minority-and-Women-Owned Business Enterprises (M/WBE) and nonprofits qualified to serve as marketing agents that the housing developers must hire to conduct the Housing Connect lottery, lease-up, and sales processes for each project.
- The second phase is the Housing Career Pathway Initiative, which seeks to train and connect New Yorkers with low incomes to a range of quality, permanent jobs with career pathways in the affordable housing industry.

Marketing Agent Training: Funded by Goldman Sachs, HPD worked with partners to provide free training for firms to gain essential compliance skills to act as marketing agents for affordable housing projects.

- More than 80 firms applied to the program, 118 individuals from 58 organizations received free compliance training over three cohorts.
- 33 M/WBEs and non-profit organizations passed all exams and graduated from the program.

- Once trained, participants have the basic requirements to become HPD prequalified marketing agents, which are selected through the Agency RFQ.

Housing Career Pathways Initiative (HCP) is a groundbreaking, scalable program that helps ensure that the affordable housing industry, a tremendous economic engine for New York City, generates quality and permanent jobs for people living in communities served by affordable housing providers.

Working in conjunction with Enterprise Community Partners and NYCHA, HPD developed the second phase of the Pathways to Opportunity program, which has a workforce development focus. Doubling-down on the affordable housing investment, low-income residents currently living in affordable housing are eligible to gain training experience in the affordable housing industry. Using Enterprise funding, Brooklyn Workforce Innovations has begun to train and connect workers to a range of quality, permanent jobs in affordable housing development, management, and preservation.

To date, from the first two HCP cohorts:

- 26 participants have graduated
- 20 participants have secured job placements, with several more in the process of onboarding and beginning their roles
- Jobs secured have an average salary of \$45,000 per year

---	----

Project Outcomes

Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 5 on screen AP-90: "Describe performance standards for evaluating ESG."

NYC Department of Homeless Services (DHS) uses an evaluation framework to assess performance of all ESG funded projects. This framework is shared with the Continuum of Care (CoC) Steering Committee and will be periodically reviewed with the NYC CoC Performance Management Committee. DHS will utilize HMIS to monitor performance through the following indicators:

- Length of time homeless
- Returns to homelessness within 6 to 12 months; returns within two years
- Number of persons served
- Number of first-time homeless persons
- Placement from Street Outreach and retention of Permanent Housing

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. *If they are not measurable as written type in N/A as the answer.*

ESG-funded homelessness prevention programs served a total of 6,019 clients, representing 172% of the target of serving 3,500 total clients.

ESG-funded outreach programs served a total of 3,757 clients (no target was established for clients served) and had 1,338 client exits to positive destinations, representing 191% of the target of 700.

2. Briefly describe what you did not meet and why. *If they are not measurable as written type in N/A as the answer.*

ESG-funded shelter programs served a total of 12,776 clients, representing 91.3% of the target of 14,000 and an increase of 4,011 over the previous year.

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? *If they were measurable and you answered above type in N/A as the answer.*

For ESG-funded shelter programs, 8,144 of a total of 11,159 entries (73%) were "first-time homeless," defined as having no entries into shelter, DHS-funded Safe Havens, TH, or PH in the previous 24 months). This outcome is listed here because no target was assigned to it in the 2021 AAP.

Housing Opportunities for Persons With AIDS (HOPWA) Program

Consolidated Annual Performance and Evaluation Report (CAPER) Measuring Performance Outcomes

OMB Number 2506-0133 (Expiration Date: 11/30/2023)

The CAPER report for HOPWA formula grantees provides annual information on program accomplishments that supports program evaluation and the ability to measure program beneficiary outcomes as related to: maintain housing stability; prevent homelessness; and improve access to care and support. This information is also covered under the Consolidated Plan Management Process (CPMP) report and includes Narrative Responses and Performance Charts required under the Consolidated Planning regulations. Reporting is required for all HOPWA formula grantees. The public reporting burden for the collection of information is estimated to average 41 hours per manual response, or less if an automated data collection and retrieval system is in use, along with 60 hours for record keeping, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD's requirements for reports submitted by HOPWA formula grantees are supported by 42 U.S.C. § 12911 and HUD's regulations at 24 CFR § 574.520(a). Grantees are required to report on the activities undertaken only, thus there may be components of these reporting requirements that may not be applicable. This agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number. While confidentiality is not assured, HUD generally only releases this information as required or permitted by law.

Overview. The Consolidated Annual Performance and Evaluation Report (CAPER) provides annual performance reporting on client outputs and outcomes that enables an assessment of grantee performance in achieving the housing stability outcome measure. The CAPER fulfills statutory and regulatory program reporting requirements and provides the grantee and HUD with the necessary information to assess the overall program performance and accomplishments against planned goals and objectives.

HOPWA formula grantees are required to submit a CAPER demonstrating coordination with other Consolidated Plan resources. HUD uses the CAPER data to obtain essential information on grant activities, project sponsors, housing sites, units and households, and beneficiaries (which includes racial and ethnic data on program participants). The Consolidated Plan Management Process tool (CPMP) provides an optional tool to integrate the reporting of HOPWA specific activities with other planning and reporting on Consolidated Plan activities.

Table of Contents

PART 1: Grantee Executive Summary

1. Grantee Information
2. Project Sponsor Information
5. Grantee Narrative and Performance Assessment
 - a. Grantee and Community Overview
 - b. Annual Performance under the Action Plan
 - c. Barriers or Trends Overview

PART 2: Sources of Leveraging and Program Income

1. Sources of Leveraging
2. Program Income and Resident Rent Payments

PART 3: Accomplishment Data: Planned Goals and Actual Outputs

PART 4: Summary of Performance Outcomes

1. Housing Stability: Permanent Housing and Related Facilities
2. Prevention of Homelessness: Short-Term Housing Payments
3. Access to Care and Support: Housing Subsidy Assistance with Supportive Services

PART 5: Worksheet - Determining Housing Stability Outcomes

PART 6: Annual Report of Continued Use for HOPWA Facility-Based Stewardship Units (Only)

PART 7: Summary Overview of Grant Activities

- A. Information on Individuals, Beneficiaries and Households Receiving HOPWA Housing Subsidy Assistance (TBRA, STRMU, PHP, Facility Based Units, Master Leased Units ONLY)
- B. Facility-Based Housing Assistance

Continued Use Periods. Grantees that used HOPWA funding for new construction, acquisition, or substantial rehabilitation of a building or structure are required to operate the building or structure for HOPWA-eligible beneficiaries for a ten (10) years period. If no further HOPWA funds are used to support the facility, in place of completing Section 7B of the CAPER, the grantee must submit an Annual Report of Continued Project Operation throughout the required use periods. This report is included in Part 6 in CAPER. The required use period is three (3) years if the rehabilitation is non-substantial.

Record Keeping. Names and other individual information must be kept confidential, as required by 24 CFR 574.440. However, HUD reserves the right to review the information used to complete this report for grants management oversight purposes, except for recording any names and other identifying information. **In the case that HUD must review client-level data, no client names or identifying information will be retained or recorded. Information is reported in aggregate to HUD without personal identification. Do not submit client or personal information in data systems to HUD.**

In connection with the development of the Department’s standards for Homeless Management Information Systems (HMIS), universal data elements are being collected for clients of HOPWA-funded homeless assistance projects. These project sponsor records would include: Name, Social Security Number, Date of Birth, Ethnicity and Race, Gender, Veteran Status, Disabling Conditions, Residence Prior to Program Entry, Zip Code of Last Permanent Address, Housing Status, Program Entry

Date, Program Exit Date, Personal Identification Number, and Household Identification Number. These are intended to match the elements under HMIS. The HOPWA program-level data elements include: Income and Sources, Non-Cash Benefits, HIV/AIDS Status, Services Provided, Housing Status or Destination at the end of the operating year, Physical Disability, Developmental Disability, Chronic Health Condition, Mental Health, Substance Abuse, Domestic Violence, Medical Assistance, and T-cell Count. Other HOPWA projects sponsors may also benefit from collecting these data elements. HMIS local data systems must maintain client confidentiality by using a closed system in which medical information and HIV status are only shared with providers that have a direct involvement in the client’s case management, treatment and care, in line with the signed release of information from the client.

Operating Year. HOPWA formula grants are annually awarded for a three-year period of performance with three operating years. The information contained in this CAPER must represent a one-year period of HOPWA program operation that coincides with the grantee’s program year; this is the operating year. More than one HOPWA formula grant awarded to the same grantee may be used during an operating year and the CAPER must capture all formula grant funding used during the operating year. Project sponsor accomplishment information must also coincide with the operating year this CAPER covers. Any change to the period of performance requires the approval of HUD by amendment, such as an extension for an additional operating year.

Final Assembly of Report. After the entire report is assembled, number each page sequentially.

Filing Requirements. Within 90 days of the completion of each program year, grantees must submit their completed CAPER to the CPD Director in the grantee’s State or Local HUD Field Office, and to the HOPWA Program Office: at HOPWA@hud.gov. Electronic submission to HOPWA Program office is preferred; however, if electronic submission is not possible, hard copies can be mailed to: Office of HIV/AIDS Housing, Room 7248, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, D.C., 20410.

Definitions

Adjustment for Duplication: Enables the calculation of unduplicated output totals by accounting for the total number of households or units that received more than one type of HOPWA assistance in a given service category such as HOPWA Subsidy Assistance or Supportive Services. For example, if a client household received both TBRA and STRMU during the operating year, report that household in the category of HOPWA Housing Subsidy Assistance in Part 3, Chart 1, Column [1b] in the following manner:

HOPWA Housing Subsidy Assistance		[1] Outputs: Number of Households
1.	Tenant-Based Rental Assistance	1
2a.	Permanent Housing Facilities: Received Operating Subsidies/Leased units	
2b.	Transitional/Short-term Facilities: Received Operating Subsidies	
3a.	Permanent Housing Facilities: Capital Development Projects placed in service during the operating year	
3b.	Transitional/Short-term Facilities: Capital Development Projects placed in service during the operating year	
4.	Short-term Rent, Mortgage, and Utility Assistance	1
5.	Adjustment for duplication (subtract)	1
6.	TOTAL Housing Subsidy Assistance (Sum of Rows 1-4 minus Row 5)	1

Administrative Costs: Costs for general management, oversight, coordination, evaluation, and reporting. By statute, grantee administrative costs are limited to 3% of total grant award, to be expended over the life of the grant. Project sponsor administrative costs are limited to 7% of the portion of the grant amount they receive.

Beneficiary(ies): All members of a household who received HOPWA assistance during the operating year including the one individual who qualified the household for HOPWA assistance as well as any other members of the household (with or without HIV) who benefitted from the assistance.

Chronically Homeless Person: An individual or family who : (i) is homeless and lives or resides individual or family who: (i) Is homeless and lives or resides in a place not meant for human habitation, a safe haven, or in an emergency shelter; (ii) has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least 1 year or on at least 4 separate occasions in the last 3 years; and (iii) has an adult head of household (or a minor head of household if no adult is present in the household) with a diagnosable substance use disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002)), post traumatic stress disorder, cognitive impairments resulting from a brain injury, or chronic physical illness or disability, including the co-occurrence of 2 or more of those conditions. Additionally, the statutory definition includes as chronically homeless a person who currently lives or resides in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital or other similar facility, and has resided there for fewer than 90 days if such person met the other criteria for homeless prior to entering that facility. (See 42 U.S.C. 11360(2)) This does not include doubled-up or overcrowding situations.

Disabling Condition: Evidencing a diagnosable substance use disorder, serious mental illness, developmental disability, chronic physical illness, or disability, including the co-occurrence of two or more of these conditions. In addition, a disabling condition may limit an individual's ability to work or perform one or more activities of daily living. An HIV/AIDS diagnosis is considered a disabling condition.

Facility-Based Housing Assistance: All eligible HOPWA Housing expenditures for or associated with supporting facilities including community residences, SRO dwellings, short-term facilities, project-based rental units, master leased units, and other housing facilities approved by HUD.

Faith-Based Organization: Religious organizations of three types: (1) congregations; (2) national networks, which include national denominations, their social service arms (for example, Catholic Charities, Lutheran Social Services), and networks of related organizations (such as YMCA and YWCA); and (3) freestanding religious organizations, which are incorporated separately from congregations and national networks.

Grassroots Organization: An organization headquartered in the local community where it provides services; has a social services budget of \$300,000 or less annually, and six or fewer full-time equivalent employees. Local affiliates of national organizations are not considered "grassroots."

HOPWA Eligible Individual: The one (1) low-income person with HIV/AIDS who qualifies a household for HOPWA assistance. This person may be considered "Head of Household." When the CAPER asks for information on eligible individuals, report on this individual person only. Where there is more than one person with HIV/AIDS in the household, the additional PWH/A(s), would be considered a beneficiary(s).

HOPWA Housing Information Services: Services dedicated to helping persons living with HIV/AIDS and their families to identify, locate, and acquire housing. This may also include fair housing counseling for eligible persons who may encounter discrimination based on race, color, religion, sex, age, national origin, familial status, or handicap/disability.

HOPWA Housing Subsidy Assistance Total: The unduplicated number of households receiving housing subsidies (TBRA, STRMU, Permanent

Housing Placement services and Master Leasing) and/or residing in units of facilities dedicated to persons living with HIV/AIDS and their families and supported with HOPWA funds during the operating year.

Household: A single individual or a family composed of two or more persons for which household incomes are used to determine eligibility and for calculation of the resident rent payment. The term is used for collecting data on changes in income, changes in access to services, receipt of housing information services, and outcomes on achieving housing stability. Live-In Aides (see definition for Live-In Aide) and non-beneficiaries (e.g. a shared housing arrangement with a roommate) who resided in the unit are not reported on in the CAPER.

Housing Stability: The degree to which the HOPWA project assisted beneficiaries to remain in stable housing during the operating year. See *Part 5: Determining Housing Stability Outcomes* for definitions of stable and unstable housing situations.

In-kind Leveraged Resources: These are additional types of support provided to assist HOPWA beneficiaries such as volunteer services, materials, use of equipment and building space. The actual value of the support can be the contribution of professional services, based on customary rates for this specialized support, or actual costs contributed from other leveraged resources. In determining a rate for the contribution of volunteer time and services, use the criteria described in 2 CFR 200. The value of any donated material, equipment, building, or lease should be based on the fair market value at time of donation. Related documentation can be from recent bills of sales, advertised prices, appraisals, or other information for comparable property similarly situated.

Leveraged Funds: The amount of funds expended during the operating year from non-HOPWA federal, state, local, and private sources by grantees or sponsors in dedicating assistance to this client population. Leveraged funds or other assistance are used directly in or in support of HOPWA program delivery.

Live-In Aide: A person who resides with the HOPWA Eligible Individual and who meets the following criteria: (1) is essential to the care and well-being of the person; (2) is not obligated for the support of the person; and (3) would not be living in the unit except to provide the necessary supportive services. See *24 CFR 5.403 and the HOPWA Grantee Oversight Resource Guide* for additional reference.

Master Leasing: Applies to a nonprofit or public agency that leases units of housing (scattered-sites or entire buildings) from a landlord, and subleases the units to homeless or low-income tenants. By assuming the tenancy burden, the agency facilitates housing of clients who may not be able to maintain a lease on their own due to poor credit, evictions, or lack of sufficient income.

Operating Costs: Applies to facility-based housing only, for facilities that are currently open. Operating costs can include day-to-day housing function and operation costs like utilities, maintenance, equipment, insurance, security, furnishings, supplies and salary for staff costs directly related to the housing project but not staff costs for delivering services.

Outcome: The degree to which the HOPWA assisted household has been enabled to establish or maintain a stable living environment in housing that is safe, decent, and sanitary, (per the regulations at 24 CFR 574.310(b)) and to reduce the risks of homelessness, and improve access to HIV treatment and other health care and support.

Output: The number of units of housing or households that receive HOPWA assistance during the operating year.

Permanent Housing Placement: A supportive housing service that helps establish the household in the housing unit, including but not limited to reasonable costs for security deposits not to exceed two months of rent costs.

Program Income: Gross income directly generated from the use of HOPWA funds, including repayments. See grant administration

requirements on program income at 24 CFR 200.307.

Project-Based Rental Assistance (PBRA): A rental subsidy program that is tied to specific facilities or units owned or controlled by a project sponsor. Assistance is tied directly to the properties and is not portable or transferable.

Project Sponsor Organizations: Per HOPWA regulations at 24 CFR 574.3, any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to provide eligible housing and other support services or administrative services as defined in 24 CFR 574.300. Project Sponsor organizations are required to provide performance data on households served and funds expended.

SAM: All organizations applying for a Federal award must have a valid registration active at sam.gov. SAM (System for Award Management) registration includes maintaining current information and providing a valid DUNS number.

Short-Term Rent, Mortgage, and Utility (STRMU) Assistance: A time-limited, housing subsidy assistance designed to prevent homelessness and increase housing stability. Grantees may provide assistance for up to 21 weeks in any 52-week period. The amount of assistance varies per client depending on funds available, tenant need and program guidelines.

Stewardship Units: Units developed with HOPWA, where HOPWA funds were used for acquisition, new construction and rehabilitation that no longer receive operating subsidies from HOPWA. Report information for the units is subject to the three-year use agreement if rehabilitation is non-substantial and to the ten-year use agreement if rehabilitation is substantial.

Tenant-Based Rental Assistance (TBRA): TBRA is a rental subsidy program similar to the Housing Choice Voucher program that grantees can provide to help low-income households access affordable housing. The TBRA voucher is not tied to a specific unit, so tenants may move to a different unit without losing their assistance, subject to individual program rules. The subsidy amount is determined in part based on household income and rental costs associated with the tenant's lease.

Transgender: Transgender is defined as a person who identifies with, or presents as, a gender that is different from the person's gender assigned at birth.

Veteran: A veteran is someone who has served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.

Housing Opportunities for Person With AIDS (HOPWA) Consolidated Annual Performance and Evaluation Report (CAPER) Measuring Performance Outputs and Outcomes

OMB Number 2506-0133 (Expiration Date: 11/30/2023)

Part 1: Grantee Executive Summary

As applicable, complete the charts below to provide more detailed information about the agencies and organizations responsible for the administration and implementation of the HOPWA program. Chart 1 requests general Grantee Information and Chart 2 is to be completed for each organization selected or designated as a project sponsor, as defined by 24 CFR 574.3.

Note: If any information does not apply to your organization, please enter N/A. Do not leave any section blank.

1. Grantee Information

HUD Grant Number	Operating Year for this report <i>From (mm/dd/yy) To (mm/dd/yy)</i>		
Grantee Name			
Business Address			
City, County, State, Zip			
Employer Identification Number (EIN) or Tax Identification Number (TIN)			
DUN & Bradstreet Number (DUNs):		System for Award Management (SAM):: Is the grantee's SAM status currently active? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, provide SAM Number:	
Congressional District of Grantee's Business Address			
*Congressional District of Primary Service Area(s)			
*City(ies) <u>and</u> County(ies) of Primary Service Area(s)	Cities:	Counties:	
Organization's Website Address	Is there a waiting list(s) for HOPWA Housing Subsidy Assistance Services in the Grantee Service Area? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, explain in the narrative section what services maintain a waiting list and how this list is administered.		

* Service delivery area information only needed for program activities being directly carried out by the grantee.

2. Project Sponsor Information

Please complete Chart 2 for each organization designated or selected to serve as a project sponsor, as defined by 24 CFR 574.3. Use this section to report on organizations involved in the direct delivery of services for client households.

Note: If any information does not apply to your organization, please enter N/A.

Project Sponsor Agency Name		Parent Company Name, if applicable	
Name and Title of Contact at Project Sponsor Agency			
Email Address			
Business Address			
City, County, State, Zip,			
Phone Number (with area code)			
Employer Identification Number (EIN) or Tax Identification Number (TIN)		Fax Number (with area code)	
DUN & Bradstreet Number (DUNS):			
Congressional District of Project Sponsor's Business Address

City(ies) <u>and</u> County(ies) of Primary Service Area(s)		Cities:	Counties:
Total HOPWA contract amount for this Organization for the operating year			
Organization's Website Address			
Is the sponsor a nonprofit organization? <input type="checkbox"/> Yes <input type="checkbox"/> No <i>Please check if yes and a faith-based organization.</i> <input type="checkbox"/> <i>Please check if yes and a grassroots organization.</i> <input type="checkbox"/>		Does your organization maintain a waiting list? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, explain in the narrative section how this list is administered.	

5. Grantee Narrative and Performance Assessment

a. Grantee and Community Overview

Provide a one to three page narrative summarizing major achievements and highlights that were proposed and completed during the program year. Include a brief description of the grant organization, area of service, the name(s) of the program contact(s), and an overview of the range/type of housing activities provided. This overview may be used for public information, including posting on HUD's website. *Note: Text fields are expandable.*

As the designated grantee for the New York City Eligible Metropolitan Statistical Area (EMSA), the New York City Department of Health and Mental Hygiene (DOHMH) administers, coordinates and executes the U.S. Department of Housing and Urban Development's (HUD) HOPWA formula grant. The Eligible Metropolitan Statistical Area (EMSA) is comprised of the five boroughs of the City of New York together with Westchester, Orange, and Rockland Counties in the Lower Hudson Valley and Middlesex, Monmouth and Ocean Counties in New Jersey. DOHMH works with these six counties and eligible localities therein to plan and evaluate their use of HOPWA funds and ensure the consistency of their efforts with those in the rest of the EMSA. HOPWA-funded programs are implemented by the New York City Human Resources Administration's HIV/AIDS Services Administration (HRA/HASA), and the New York City DOHMH.

New York City DOHMH:

DOHMH administers contracts with non-profit community-based organizations (CBOs) throughout the five boroughs of New York City (NYC), as well as three counties in New Jersey and the Lower Hudson Valley. The following HOPWA services were provided under the supervision and guidance of DOHMH in 2020:

Permanent Supportive Housing

Permanent Supportive Housing Programs identify, secure, and provide appropriate permanent supportive housing to low-income persons living with HIV/AIDS and their families. Fourteen CBOs administer 28 permanent supportive housing subcontracts that cater to the needs of different HIV/AIDS target populations such as: homeless single adults and families; adults diagnosed with mental illness; adults diagnosed with a substance abuse disorder; young adults ages 18-26; persons age 55 and over; individuals recently released from jail/institution; and the homeless/chronically homeless. Supportive services focus on case management, engagement and maintenance in HIV primary care, mental health, substance use, life skills management, and housing readiness to ensure individuals living with HIV/AIDS maintain stable housing and enjoy improved quality of life outcomes. In total, these 14 organizations provide 631 units of congregate and scattered-site supportive housing across NYC.

Tenant-Based Rental Assistance and Short-term Rent, Mortgage and Utility Assistance

Tenant-Based Rental Assistance (TBRA) is a rental subsidy program provided to HOPWA-eligible clients who wish to live independently, but need assistance in meeting their rent payments. TBRA, therefore subsidizes the rental costs associated with leasing a permanent housing unit in the private rental market. Short-term Rent, Mortgage and Utility Assistance (STRMU) subsidies are provided as emergency assistance to prevent evictions and homelessness. In 2022, one CBO delivered TBRA services to nearly 232 households across New York City.

HIV/AIDS Services Administration (HASA):

The HIV/AIDS Services Administration (HASA), a division of the NYC Human Resources Administration (HRA), provides public assistance, case management, and housing services to persons in NYC living with HIV/AIDS and their families, who seek its assistance. HASA services are comprised of assistance in determining eligibility for Public Assistance, Medicaid, and Supplemental Nutrition Assistance Program, as well as support in accessing other benefits and services as required by the client's individual circumstances. HASA's intensive case management services can include initiating evaluation and treatment of substance abuse and mental illness; home care or homemaking services; or housing services, including temporary emergency placement, as well as transitional, supportive, and independent housing options.

HASA case managers assist clients in the process of applying for Supplemental Security Income, Social Security Disability Income, and other benefits for which they may qualify. Additionally, they provide clients with referrals to CBOs for an assortment of supplementary services including legal advocacy, medical or dental care, or employment assistance.

HASA case management includes reviews and updates to clients' service plans and packages. For those who are unable to come to a HASA office for assessment or review, HASA case managers conduct home visits in addition to scheduled, periodic visits. Additionally, all clients in emergency housing are visited in their apartment periodically until a permanent and stable placement is found. HASA's intensive case management for families includes permanency planning to help survivors remain intact should the caregiver die or become unable to provide care.

In 2022, with support from HOPWA funding, HRA/HASA administered housing contracts with 19 CBOs to provide 1,316 units of permanent supportive housing for low-income persons with HIV/AIDS in congregate and scattered-site settings. These programs targeted special populations such as persons diagnosed with mental illness or substance abuse.

Lower Hudson Valley & New Jersey:

The counties of Westchester, Orange and Rockland in the Lower Hudson Valley provide TBRA services to 94 households along with supportive services, as necessary, to their clients. In the counties of Monmouth, Middlesex and Ocean in New Jersey, HOPWA funds were allocated to provide TBRA to 79 low-income persons with HIV/AIDS and their families.

b. Annual Performance under the Action Plan

Provide a narrative addressing each of the following four items:

1. Outputs Reported. Describe significant accomplishments or challenges in achieving the number of housing units supported and the number households assisted with HOPWA funds during this operating year compared to plans for this assistance, as approved in the Consolidated Plan/Action Plan. Describe how HOPWA funds were distributed during your operating year among different categories of housing and geographic areas to address needs throughout the grant service area, consistent with approved plans.

In calendar year 2022, the New York City Department of Health and Mental Hygiene (DOHMH) administered the HOPWA grant to serve a total of 5,885 households across the NYC Eligible Metropolitan Statistical Area (EMSA) with permanent housing facilities, tenant-based rental assistance (TBRA), short-term rent, mortgage and utility (STRMU) assistance, and supportive services. In addition to providing stable, safe and affordable housing, the HOPWA program also contributed to improved quality of life indicators for HOPWA beneficiaries. On an annual basis, DOHMH carefully tracks and measures consumer outcomes such as retention in care; treatment adherence; COVID-19 rates among HOPWA consumers and viral load suppression.

In the permanent housing facilities category, a total of \$34,683,064 HOPWA dollars assisted 5,493 households with permanent supportive housing. The cost per unit in this housing category is higher than HUD's national average because the low vacancy rate and average rental costs in NYC contribute to more expensive units.

Within the TBRA and STRMU categories, 364 households were served with TBRA services in 2022, and STRMU funds increased housing stability among 1 household, helping these households avoid homelessness. For TBRA services, the cost per unit exceeded HUD's national average due to higher rent costs, higher operating costs and more vulnerable consumers who were significantly impacted by job losses and faced challenges contributing more towards rent.

DOHMH also funded supportive services, which are essential to ensuring housing stability and durability for low-income persons with HIV/AIDS and their families. In 2022, 37,498 households received supportive services and an additional 811 households received supportive services in tandem with housing subsidy assistance.

2. Outcomes Assessed. Assess your program's success in enabling HOPWA beneficiaries to establish and/or better maintain a stable living environment in housing that is safe, decent, and sanitary, and improve access to care. Compare current year results to baseline results for clients. Describe how program activities/projects contributed to meeting stated goals. If program did not achieve expected targets, please describe how your program plans to address challenges in program implementation and the steps currently being taken to achieve goals in next operating year. If your program exceeded program targets, please describe strategies the program utilized and how those contributed to program successes.

In addition to providing stable, safe and affordable housing, the HOPWA program also contributed to improved quality of life indicators for HOPWA beneficiaries. DOHMH carefully tracks and measures consumer outcomes such as retention in care; treatment adherence; viral load suppression and housing stability, among others. In 2022, the year for which we have the most up to date surveillance data for HOPWA consumers residing in New York City, 99% of HOPWA consumers were engaged in HIV care.

3. Coordination. Report on program coordination with other mainstream housing and supportive services resources, including the use of committed leveraging from other public and private sources that helped to address needs for eligible persons identified in the Consolidated Plan/Strategic Plan.

In 2022, HOPWA dollars were combined with other federal resources, as well as State and City funding, to support HIV/AIDS housing and other supportive services. HASA used City Tax Levy and matching State and federal dollars to fund case management; rental assistance; permanent and transitional congregate housing; and permanent scattered-site housing for low-income individuals and families living with HIV/AIDS. Eligible clients also received medical assistance, homecare, and homemaking services funded with City, State and federal dollars. HOPWA funds distributed to community-based organizations by DOHMH augmented City and State-funded services to persons with mental illness and HIV/AIDS. In the Lower Hudson Valley and New Jersey, State, City and County funds complemented HOPWA-funded rental assistance and other supportive services. Grant and private foundation dollars provided additional support to community-based organizations funded through HASA and DOHMH. In summary, the total funding leveraged across all HOPWA programs in 2022 equaled to \$567,530,141.

Also, in 2022 we began to look at new ways to provide HOPWA Project Sponsors with additional funds to be used in the Rental Subsidy line in their budgets. We know that is by far the largest expense project sponsor have and the cost is only going up. By partnering with HRSA we were able to receive an additional \$693,000 to be distributed to the 21 HOPWA contracts that provide rental subsidies to scattered site units as of July 2023.

The NY City Council initiated a new program called the Workforce Employment Initiative (WEI) which provided all 23 HOPWA contracts with additional funds to be used for employee retention and recruitment during FY22. In addition, the NY City Council provided HOPWA Project Sponsors with funds from COLA and Indirect Costs. Below is a breakdown of City Tax Levy funds designated for HOPWA Project Sponsors:

- COLA: \$527,702.70
- Indirect Costs: \$372,221.34
- WEI: \$218,815.35 (FY22, distributed in CY23)

4. Technical Assistance. Describe any program technical assistance needs and how they would benefit program beneficiaries.

DOHMH staff monitors HOPWA project sponsors' performance and spending on a monthly basis by reviewing Monthly Program and Fiscal reports. After a hiatus in 2021 due to the COVID pandemic, in 2022 HOPWA began to conduct on-site program and fiscal monitoring visits, annual fiscal desk audit reviews, and habitability visits to ensure all HOPWA-funded housing units meet the Housing Quality Standards defined by HUD.

To meet the needs of agencies, DOHMH staff maintained monthly contact with agencies on HOPWA operations and routinely delivered technical assistance to address programmatic and/or fiscal challenges. On a quarterly basis, DOHMH staff convene to review HOPWA contract performance to determine if there are new trends or common challenges experienced among project sponsors that should prompt additional training and technical assistance.

As necessary, DOHMH seeks technical assistance from Collaborative Solutions and the Cloudburst Group.

c. Barriers and Trends Overview

Provide a narrative addressing items 1 through 3. Explain how barriers and trends affected your program's ability to achieve the objectives and outcomes discussed in the previous section.

1. Describe any barriers (including regulatory and non-regulatory) encountered in the administration or implementation of the HOPWA program, how they affected your program's ability to achieve the objectives and outcomes discussed, and, actions taken in response to barriers, and recommendations for program improvement. Provide an explanation for each barrier selected.

In the Spring of 2020, DOHMH requested HUD to waive certain requirements due to COVID-19 Pandemic. Effective May 1, 2020, Housing Inspections were waived through 2021 and virtual housing inspections were conducted for new leases in new units but not for existing units in the portfolio. In addition, FMR standards were waived through June 30, 2021 and HOPWA consumers were able to self-certify HIV status and/or income status if they were unable to provide proof of documentation at the time of enrollment. HOPWA grant recipients were instructed to follow up on required eligibility documentation as soon as COVID-19 social distancing measures were lifted by local public health officials.

As we entered 2022 DOHMH decided to move towards a hybrid model of supporting our project sponsors and consumers by incorporating virtual supports with in-person site visits. Due to vaccines being widely accessible in 2022 and through the use of PPEs, DOHMH staff resumed in-person site visits to project sponsor locations to provide supports, education and monitoring to the agencies who serve HOPWA consumers.

However, it is important to note that also in 2022, the COVID-19 pandemic, as well as the MPOX outbreak, continued to present obstacles to consumer/household health outcomes, food insecurity, increased utility costs, job-loss, fear of using public transportation, and decrease in medical visits, to name a few. In 2022 DOHMH prepared to re-establish the annual in-person HQS/Habitability as of March 2023 visits so that we can have the opportunity to meet and speak with HOPWA Project Sponsors and consumers to gauge ongoing needs and trends in service delivery. The DOHMH Housing Services Unit Director has her CSI-HQS and has initiated the use of standardized forms for all HOPWA Project Sponsors, including but not limited HUD forms and other internal reporting documents.

2. Describe any trends in the community that may affect the way in which the needs of persons living with HIV/AIDS are being addressed, and provide any other information important to the future provision of services to this population.

In December 2022, the New York City DOHMH released the *2021 HIV Surveillance Annual Report* summarizing the latest data on the state and health of New Yorkers recently diagnosed or living with HIV/AIDS. The report analyzes key HIV indicators (incidence and prevalence rates) across populations and geographic distribution, as well as health outcomes such as linkage to care, viral suppression and survival among people living with HIV. According to the 2021 report, the annual number of new HIV diagnoses decreased by 14% from 1,396 in 2020 to 1,594 in 2021. Among individuals living with HIV and engaged in care, 79% were virally suppressed.

Despite these improvements, surveillance data reveals not all groups enjoy the same outcomes and that persistent inequities across race/ethnicity, gender, sexual orientation and socio-economic status remain. In 2021, the HIV diagnosis rate among Black males in NYC was 1.5 to more than 5 times higher than the rates among males from other race or ethnicity groups. With regards to transmission risks, MSM continue to experience the highest transmission risk, accounting for 60% of new diagnoses. Across gender categories, men represented 78.4% of new infections, followed by women (17.7%), and transgender (3.8%) populations. Across age groups, in 2022, two age groups (20-29 and 30-39) experienced the majority of new infections (64.9%).

DOHMH’s role in addressing health disparities is to direct HOPWA funds to eligible households with the greatest need. Demographic data from all HOPWA clients served in 2022 demonstrates that consumers are either black (80.69%) or Hispanic (20%). Males represented 66%; females accounted for 29%, and the transgender represented

3.6% of all households served with HOPWA funds. In 2022, over half of the HOPWA consumers served were ages 51 years and older (61%), followed by consumers ages 31-50 years old (30%). Finally, of all the households served with HOPWA housing subsidy assistance in 2022, 99% reported extremely low area median incomes (0-30% of median

income levels) up from 98% in 2021—suggesting more and more consumers accessing HOPWA services experienced high levels of poverty and are at greatest risk of homelessness.

3. Identify any evaluations, studies, or other assessments of the HOPWA program that are available to the public.

End of PART 1

PART 2: Sources of Leveraging and Program Income

1. Sources of Leveraging

Report the source(s) of cash or in-kind leveraged federal, state, local or private resources identified in the Consolidated or Annual Plan and used in the delivery of the HOPWA program and the amount of leveraged dollars. In Column [1], identify the type of leveraging. Some common sources of leveraged funds have been provided as a reference point. You may add Rows as necessary to report all sources of leveraged funds. Include Resident Rent payments paid by clients directly to private landlords. Do NOT include rents paid directly to a HOPWA program as this will be reported in the next section. In Column [2] report the amount of leveraged funds expended during the operating year. Use Column [3] to provide some detail about the type of leveraged contribution (e.g., case management services or clothing donations). In Column [4], check the appropriate box to indicate whether the leveraged contribution was a housing subsidy assistance or another form of support.

Note: Be sure to report on the number of households supported with these leveraged funds in Part 3, Chart 1, Column d.

Resident Rent Payments by Client to Private Landlord	\$768,129		
TOTAL (Sum of all Rows)	\$567,530,141		

2. Program Income and Resident Rent Payments

In Section 2, Chart A, report the total amount of program income and resident rent payments directly generated from the use of HOPWA funds, including repayments. Include resident rent payments collected or paid directly to the HOPWA program. Do NOT include payments made directly from a client household to a private landlord.

Note: Please see report directions section for definition of program income. (Additional information on program income is available in the HOPWA Grantee Oversight Resource Guide).

A. Total Amount Program Income and Resident Rent Payment Collected During the Operating Year

Program Income and Resident Rent Payments Collected		Total Amount of Program Income (for this operating year)
1.	Program income (e.g. repayments)	\$5,261,441
2.	Resident Rent Payments made directly to HOPWA Program	\$3,039,564
3.	Total Program Income and Resident Rent Payments (Sum of Rows 1 and 2)	\$8,301,005

B. Program Income and Resident Rent Payments Expended To Assist HOPWA Households

In Chart B, report on the total program income and resident rent payments (as reported above in Chart A) expended during the operating year. Use Row 1 to report Program Income and Resident Rent Payments expended on Housing Subsidy Assistance Programs (i.e., TBRA, STRMU, PHP, Master Leased Units, and Facility-Based Housing). Use Row 2 to report on the Program Income and Resident Rent Payment expended on Supportive Services and other non-direct Housing Costs.

Program Income and Resident Rent Payment Expended on HOPWA programs		Total Amount of Program Income Expended (for this operating year)
1.	Program Income and Resident Rent Payment Expended on Housing Subsidy Assistance costs	\$7,885,335
2.	Program Income and Resident Rent Payment Expended on Supportive Services and other non-direct housing costs	\$415,670
3.	Total Program Income Expended (Sum of Rows 1 and 2)	\$8,301,005

End of PART 2

PART 3: Accomplishment Data Planned Goal and Actual Outputs

In Chart 1, enter performance information (goals and actual outputs) for all activities undertaken during the operating year supported with HOPWA funds. Performance is measured by the number of households and units of housing that were supported with HOPWA or other federal, state, local, or private funds for the purposes of providing housing assistance and support to persons living with HIV/AIDS and their families.

1. HOPWA Performance Planned Goal and Actual Outputs

HOPWA Performance Planned Goal and Actual		[1] Output: Households				[2] Output: Funding	
		HOPWA Assistance		Leveraged Households		HOPWA Funds	
		a.	b.	c.	d.	e.	f.
		Goal	Actual	Goal	Actual	HOPWA Budget	HOPWA Actual
HOPWA Housing Subsidy Assistance		[1] Output: Households				[2] Output: Funding	
1.	Tenant-Based Rental Assistance	280	364	0	18,847	\$5,276,072	\$7,549,390
2a.	Permanent Housing Facilities: Received Operating Subsidies/Leased units (Households Served)	2,262	5,493		3,063	\$34,327,573	\$34,683,064
2b.	Transitional/Short-term Facilities: Received Operating Subsidies/Leased units (Households Served) (Households Served)	0	0		0		\$0
3a.	Permanent Housing Facilities: Capital Development Projects placed in service during the operating year (Households Served)	0	0				\$0
3b.	Transitional/Short-term Facilities: Capital Development Projects placed in service during the operating year (Households Served)	0	0				\$0
4.	Short-Term Rent, Mortgage and Utility Assistance	45	1			\$168,282	\$15,244
5.	Permanent Housing Placement Services	50	49			\$175,000	\$136,565
6.	Adjustments for duplication (subtract)		22				
7.	Total HOPWA Housing Subsidy Assistance (Columns a – d equal the sum of Rows 1-5 minus Row 6; Columns e and f equal the sum of Rows 1-5)	2,637	5,885		22,737	\$39,946,927	\$42,384,263
Housing Development (Construction and Stewardship of facility based housing)		[1] Output: Housing Units				[2] Output: Funding	
8.	Facility-based units; Capital Development Projects not yet opened (Housing Units)						
9.	Stewardship Units subject to 3- or 10- year use agreements						
10.	Total Housing Developed (Sum of Rows 8 & 9)						
Supportive Services		[1] Output: Households				[2] Output: Funding	
11a.	Supportive Services provided by project sponsors that also delivered HOPWA housing subsidy assistance	2,516	811			\$4,336,174	\$2,799,639
11b.	Supportive Services provided by project sponsors that only provided supportive services.	32,500	36,687			\$1,000,000	\$1,000,000
12.	Adjustment for duplication (subtract)						
13.	Total Supportive Services (Columns a – d equals the sum of Rows 11 a & b minus Row 12; Columns e and f equal the sum of Rows 11a & 11b)	35,016	37,498			\$5,336,174	\$3,799,639
Housing Information Services		[1] Output: Households				[2] Output: Funding	
14.	Housing Information Services						
15.	Total Housing Information Services						

Grant Administration and Other Activities		[1] Output: Households				[2] Output: Funding	
16.	Resource Identification to establish, coordinate and develop housing assistance resources						
17.	Technical Assistance (if approved in grant agreement)						
18.	Grantee Administration (maximum 3% of total HOPWA grant)					\$1,253,312	\$1,283,553
19.	Project Sponsor Administration (maximum 7% of portion of HOPWA grant awarded)					\$1,189,435	\$1,315,192
20.	Total Grant Administration and Other Activities (Sum of Rows 16 – 19)					\$2,419,817	\$2,579,897
Total Expended							
						[2] Outputs: HOPWA Funds Expended	
						Budget	Actual
21.	Total Expenditures for operating year (Sum of Rows 7, 10, 13, 15, and 20)					\$43,481,723	\$48,763,799

2. Listing of Supportive Services

Report on the households served and use of HOPWA funds for all supportive services. Do NOT report on supportive services leveraged with non-HOPWA funds.

Data check: Total unduplicated households and expenditures reported in Row 17 equal totals reported in Part 3, Chart 1, Row 13.

Supportive Services		[1] Output: Number of <u>Households</u>	[2] Output: Amount of HOPWA Funds Expended
1.	Adult day care and personal assistance	0	0
2.	Alcohol and drug abuse services	137	\$268,808
3.	Case management	37,498	\$2,521,356
4.	Child care and other child services	0	0
5.	Education	0	0
6.	Employment assistance and training	0	0
7.	Health/medical/intensive care services, if approved Note: Client records must conform with 24 CFR §574.310	0	0
8.	Legal services	0	0
9.	Life skills management (outside of case management)	626	\$397,409
10.	Meals/nutritional services	26	\$5,124
11.	Mental health services	544	\$555,690
12.	Outreach	0	0
13.	Transportation	124	\$51,252
14.	Other Activity (if approved in grant agreement). Specify:	0	0
15.	Sub-Total Households receiving Supportive Services (Sum of Rows 1-14)	38,995	
16.	Adjustment for Duplication (subtract)	1,457	
17.	TOTAL Unduplicated Households receiving Supportive Services (Column [1] equals Row 15 minus Row 16; Column [2] equals sum of Rows 1-14)	37,498	\$3,799,639

3. Short-Term Rent, Mortgage and Utility Assistance (STRMU) Summary

In Row a, enter the total number of households served and the amount of HOPWA funds expended on Short-Term Rent, Mortgage and Utility (STRMU) Assistance. In Row b, enter the total number of STRMU-assisted households that received assistance with mortgage costs only (no utility costs) and the amount expended assisting these households. In Row c, enter the total number of STRMU-assisted households that received assistance with both mortgage and utility costs and the amount expended assisting these households. In Row d, enter the total number of STRMU-assisted households that received assistance with rental costs only (no utility costs) and the amount expended assisting these households. In Row e, enter the total number of STRMU-assisted households that received assistance with both rental and utility costs and the amount expended assisting these households. In Row f, enter the total number of STRMU-assisted households that received assistance with utility costs only (not including rent or mortgage costs) and the amount expended assisting these households. In row g, report the amount of STRMU funds expended to support direct program costs such as program operation staff.

Data Check: The total households reported as served with STRMU in Row a, column [1] and the total amount of HOPWA funds reported as expended in Row a, column [2] equals the household and expenditure total reported for STRMU in Part 3, Chart 1, Row 4, Columns b and f, respectively.

Data Check: The total number of households reported in Column [1], Rows b, c, d, e, and f equal the total number of STRMU households reported in Column [1], Row a. The total amount reported as expended in Column [2], Rows b, c, d, e, f, and g, equal the total amount of STRMU expenditures reported in Column [2], Row a.

Housing Subsidy Assistance Categories (STRMU)		[1] Output: Number of Households Served	[2] Output: Total HOPWA Funds Expended on STRMU during Operating Year
a.	Total Short-term mortgage, rent and/or utility (STRMU) assistance	1	\$15,244
b.	Of the total STRMU reported on Row a, total who received assistance with mortgage costs ONLY.		
c.	Of the total STRMU reported on Row a, total who received assistance with mortgage and utility costs.		
d.	Of the total STRMU reported on Row a, total who received assistance with rental costs ONLY.		
e.	Of the total STRMU reported on Row a, total who received assistance with rental and utility costs.	1	\$15,244
f.	Of the total STRMU reported on Row a, total who received assistance with utility costs ONLY.		
g.	Direct program delivery costs (e.g., program operations staff time)		\$15,244

End of PART 3

Part 4: Summary of Performance Outcomes

In Column [1], report the total number of eligible households that received HOPWA housing subsidy assistance, by type. In Column [2], enter the number of households that continued to access each type of housing subsidy assistance into next operating year. In Column [3], report the housing status of all households that exited the program.

Data Check: The sum of Columns [2] (Number of Households Continuing) and [3] (Exited Households) equals the total reported in Column[1].

Note: Refer to the housing stability codes that appear in Part 5: Worksheet - Determining Housing Stability Outcomes.

Section 1. Housing Stability: Assessment of Client Outcomes on Maintaining Housing Stability (Permanent Housing and Related Facilities)

A. Permanent Housing Subsidy Assistance

	[1] Output: Total Number of Households Served	[2] Assessment: Number of Households that Continued Receiving HOPWA Housing Subsidy Assistance into the Next Operating Year	[3] Assessment: Number of Households that exited this HOPWA Program; their Housing Status after Exiting		[4] HOPWA Client Outcomes
Tenant-Based Rental Assistance	364	334	1 Emergency Shelter/Streets	0	Unstable Arrangements
			2 Temporary Housing	0	Temporarily Stable, with Reduced Risk of Homelessness
			3 Private Housing	9	Stable/Permanent Housing (PH)
			4 Other HOPWA	0	
			5 Other Subsidy	16	
			6 Institution	0	
			7 Jail/Prison	0	Unstable Arrangements
			8 Disconnected/Unknown	0	
			9 Death	5	Life Event
Permanent Supportive Housing Facilities/ Units	5,493	5,047	1 Emergency Shelter/Streets	49	Unstable Arrangements
			2 Temporary Housing	26	Temporarily Stable, with Reduced Risk of Homelessness
			3 Private Housing	164	Stable/Permanent Housing (PH)
			4 Other HOPWA	6	
			5 Other Subsidy	29	
			6 Institution	6	
			7 Jail/Prison	2	Unstable Arrangements
			8 Disconnected/Unknown	5	
			9 Death	159	Life Event

B. Transitional Housing Assistance

	[1] Output: Total Number of Households Served	[2] Assessment: Number of Households that Continued Receiving HOPWA Housing Subsidy Assistance into the Next Operating Year	[3] Assessment: Number of Households that exited this HOPWA Program; their Housing Status after Exiting		[4] HOPWA Client Outcomes
Transitional/ Short-Term Housing Facilities/ Units			1 Emergency Shelter/Streets		Unstable Arrangements
			2 Temporary Housing		Temporarily Stable with Reduced Risk of Homelessness
			3 Private Housing		Stable/Permanent Housing (PH)
			4 Other HOPWA		
			5 Other Subsidy		
			6 Institution		
			7 Jail/Prison		

		8 Disconnected/unknown		<i>Unstable Arrangements</i>
		9 Death		<i>Life Event</i>
B1: Total number of households receiving transitional/short-term housing assistance whose tenure exceeded 24 months				

Section 2. Prevention of Homelessness: Assessment of Client Outcomes on Reduced Risks of Homelessness (Short-Term Housing Subsidy Assistance)

Report the total number of households that received STRMU assistance in Column [1].

In Column [2], identify the outcomes of the households reported in Column [1] either at the time that they were known to have left the STRMU program or through the project sponsor’s best assessment for stability at the end of the operating year.

Information in Column [3] provides a description of housing outcomes; therefore, data is not required.

At the bottom of the chart:

- In Row 1a, report those households that received STRMU assistance during the operating year of this report, and the prior operating year.
- In Row 1b, report those households that received STRMU assistance during the operating year of this report, and the two prior operating years.

Data Check: The total households reported as served with STRMU in Column [1] equals the total reported in Part 3, Chart 1, Row 4, Column b.

Data Check: The sum of Column [2] should equal the number of households reported in Column [1].

Assessment of Households that Received STRMU Assistance

[1] Output: Total number of households	[2] Assessment of Housing Status		[3] HOPWA Client Outcomes
1	Maintain Private Housing without subsidy <i>(e.g. Assistance provided/completed and client is stable, not likely to seek additional support)</i>	0	<i>Stable/Permanent Housing (PH)</i>
	Other Private Housing without subsidy <i>(e.g. client switched housing units and is now stable, not likely to seek additional support)</i>	0	
	Other HOPWA Housing Subsidy Assistance	1	
	Other Housing Subsidy (PH)	0	
	Institution <i>(e.g. residential and long-term care)</i>		<i>Temporarily Stable, with Reduced Risk of Homelessness</i>
	Likely that additional STRMU is needed to maintain current housing arrangements		
	Transitional Facilities/Short-term <i>(e.g. temporary or transitional arrangement)</i>		
	Temporary/Non-Permanent Housing arrangement <i>(e.g. gave up lease, and moved in with family or friends but expects to live there less than 90 days)</i>		
	Emergency Shelter/street		<i>Unstable Arrangements</i>
	Jail/Prison		
	Disconnected		
	Death		<i>Life Event</i>
1a. Total number of those households that received STRMU Assistance in the operating year of this report that also received STRMU assistance in the prior operating year (e.g. households that received STRMU assistance in two consecutive operating years).			1
1b. Total number of those households that received STRMU Assistance in the operating year of this report that also received STRMU assistance in the two prior operating years (e.g. households that received STRMU assistance in three consecutive operating years).			0

Section 3. HOPWA Outcomes on Access to Care and Support

1a. Total Number of Households

Line [1]: For project sponsors that provided HOPWA housing subsidy assistance during the operating year identify in the appropriate row the number of households that received HOPWA housing subsidy assistance (TBRA, STRMU, Facility-Based, PHP and Master Leasing) and HOPWA funded case management services. Use Row c to adjust for duplication among the service categories and Row d to provide an unduplicated household total.

Line [2]: For project sponsors that did NOT provide HOPWA housing subsidy assistance identify in the appropriate row the number of households that received HOPWA funded case management services.

Note: These numbers will help you to determine which clients to report Access to Care and Support Outcomes for and will be used by HUD as a basis for analyzing the percentage of households who demonstrated or maintained connections to care and support as identified in Chart 1b below.

Total Number of Households	
1. For Project Sponsors that provided HOPWA Housing Subsidy Assistance: Identify the total number of households that received the following HOPWA-funded services:	
a. Housing Subsidy Assistance (duplicated)-TBRA, STRMU, PHP, Facility-Based Housing, and Master Leasing	5,885
b. Case Management	811
c. Adjustment for duplication (subtraction)	811
d. Total Households Served by Project Sponsors with Housing Subsidy Assistance (Sum of Rows a and b minus Row c)	5,885
2. For Project Sponsors did NOT provide HOPWA Housing Subsidy Assistance: Identify the total number of households that received the following HOPWA-funded service:	
a. HOPWA Case Management	36,687
b. Total Households Served by Project Sponsors without Housing Subsidy Assistance	36,687

1b. Status of Households Accessing Care and Support

Column [1]: Of the households identified as receiving services from project sponsors that provided HOPWA housing subsidy assistance as identified in Chart 1a, Row 1d above, report the number of households that demonstrated access or maintained connections to care and support within the operating year.

Column [2]: Of the households identified as receiving services from project sponsors that did NOT provide HOPWA housing subsidy assistance as reported in Chart 1a, Row 2b, report the number of households that demonstrated improved access or maintained connections to care and support within the operating year.

Note: For information on types and sources of income and medical insurance/assistance, refer to Charts below.

Categories of Services Accessed	[1] For project sponsors that provided HOPWA housing subsidy assistance, identify the households who demonstrated the following:	[2] For project sponsors that did NOT provide HOPWA housing subsidy assistance, identify the households who demonstrated the following:	Outcome Indicator
1. Has a housing plan for maintaining or establishing stable on-going housing	5,858	36,687	<i>Support for Stable Housing</i>
2. Had contact with case manager/benefits counselor consistent with the schedule specified in client’s individual service plan (may include leveraged services such as Ryan White Medical Case Management)	5,885	36,687	<i>Access to Support</i>
3. Had contact with a primary health care provider consistent with the schedule specified in client’s individual service plan	5,407	33,640	<i>Access to Health Care</i>
4. Accessed and maintained medical insurance/assistance	5,876	36,687	<i>Access to Health Care</i>
5. Successfully accessed or maintained qualification for sources of income	5,715	36,687	<i>Sources of Income</i>

Chart 1b, Line 4: Sources of Medical Insurance and Assistance include, but are not limited to the following (Reference only)

<ul style="list-style-type: none"> • MEDICAID Health Insurance Program, or use local program name • MEDICARE Health Insurance Program, or use local program name 	<ul style="list-style-type: none"> • Veterans Affairs Medical Services • AIDS Drug Assistance Program (ADAP) • State Children’s Health Insurance Program (SCHIP), or use local program name 	<ul style="list-style-type: none"> • Ryan White-funded Medical or Dental Assistance
--	--	--

Chart 1b, Row 5: Sources of Income include, but are not limited to the following (Reference only)

<ul style="list-style-type: none"> • Earned Income • Veteran’s Pension • Unemployment Insurance • Pension from Former Job • Supplemental Security Income (SSI) 	<ul style="list-style-type: none"> • Child Support • Social Security Disability Income (SSDI) • Alimony or other Spousal Support • Veteran’s Disability Payment • Retirement Income from Social Security • Worker’s Compensation 	<ul style="list-style-type: none"> • General Assistance (GA), or use local program name • Private Disability Insurance • Temporary Assistance for Needy Families (TANF) • Other Income Sources
---	--	--

1c. Households that Obtained Employment

Column [1]: Of the households identified as receiving services from project sponsors that provided HOPWA housing subsidy assistance as identified in Chart 1a, Row 1d above, report on the number of households that include persons who obtained an income-producing job during the operating year that resulted from HOPWA-funded Job training, employment assistance, education or related case management/counseling services.

Column [2]: Of the households identified as receiving services from project sponsors that did NOT provide HOPWA housing subsidy assistance as reported in Chart 1a, Row 2b, report on the number of households that include persons who obtained an income-producing job during the operating year that resulted from HOPWA-funded Job training, employment assistance, education or case management/counseling services.

Note: This includes jobs created by this project sponsor or obtained outside this agency.

Note: Do not include jobs that resulted from leveraged job training, employment assistance, education or case management/counseling services.

Categories of Services Accessed	[1] For project sponsors that provided HOPWA housing subsidy assistance, identify the households who demonstrated the following:	[2] For project sponsors that did NOT provide HOPWA housing subsidy assistance, identify the households who demonstrated the following:
Total number of households that obtained an income-producing job	66	0

End of PART 4

PART 5: Worksheet - Determining Housing Stability Outcomes (optional)

1. This chart is designed to assess program results based on the information reported in Part 4 and to help Grantees determine overall program performance. Completion of this worksheet is optional.

Permanent Housing Subsidy Assistance	Stable Housing (# of households remaining in program plus 3+4+5+6)	Temporary Housing (2)	Unstable Arrangements (1+7+8)	Life Event (9)
Tenant-Based Rental Assistance (TBRA)				
Permanent Facility-based Housing Assistance/Units				
Transitional/Short-Term Facility-based Housing Assistance/Units				
Total Permanent HOPWA Housing Subsidy Assistance				
Reduced Risk of Homelessness: Short-Term Assistance	Stable/Permanent Housing	Temporarily Stable, with Reduced Risk of Homelessness	Unstable Arrangements	Life Events
Short-Term Rent, Mortgage, and Utility Assistance (STRMU)				
Total HOPWA Housing Subsidy Assistance				

Background on HOPWA Housing Stability Codes

Stable Permanent Housing/Ongoing Participation

3 = Private Housing in the private rental or home ownership market (without known subsidy, including permanent placement with families or other self-sufficient arrangements) with reasonable expectation that additional support is not needed.

4 = Other HOPWA-funded housing subsidy assistance (not STRMU), e.g. TBRA or Facility-Based Assistance.

5 = Other subsidized house or apartment (non-HOPWA sources, e.g., Section 8, HOME, public housing).

6 = Institutional setting with greater support and continued residence expected (e.g., residential or long-term care facility).

Temporary Housing

2 = Temporary housing - moved in with family/friends or other short-term arrangement, such as Ryan White subsidy, transitional housing for homeless, or temporary placement in institution (e.g., hospital, psychiatric hospital or other psychiatric facility, substance abuse treatment facility or detox center).

Unstable Arrangements

1 = Emergency shelter or no housing destination such as places not meant for habitation (e.g., a vehicle, an abandoned building, bus/train/subway station, or anywhere outside).

7 = Jail /prison.

8 = Disconnected or disappeared from project support, unknown destination or no assessments of housing needs were undertaken.

Life Event

9 = Death, i.e., remained in housing until death. This characteristic is not factored into the housing stability equation.

Tenant-based Rental Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as reported under: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item: 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Permanent Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Transitional/Short-Term Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) continue in the residences (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Other Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Tenure Assessment. A baseline of households in transitional/short-term facilities for assessment purposes, indicate the number of households whose tenure exceeded 24 months.

STRMU Assistance: Stable Housing is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period and there is reasonable expectation that additional support is not needed in order to maintain permanent housing living situation (as this is a time-limited form of housing support) as reported under housing status: Maintain Private Housing with subsidy; Other Private with Subsidy; Other HOPWA support; Other Housing Subsidy; and Institution. Temporarily Stable, with Reduced Risk of Homelessness is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period or left their current housing arrangement for a transitional facility or other temporary/non-permanent housing arrangement and there is reasonable expectation additional support will be needed to maintain housing arrangements in the next year, as reported under housing status: Likely to maintain current housing arrangements, with additional STRMU assistance; Transitional Facilities/Short-term; and Temporary/Non-Permanent Housing arrangements. Unstable Situation is the sum of number of households reported under housing status: Emergency Shelter; Jail/Prison; and Disconnected.

End of PART 5

PART 6: Annual Report of Continued Usage for HOPWA Facility-Based Stewardship Units (ONLY)

The Annual Report of Continued Usage for HOPWA Facility-Based Stewardship Units is to be used in place of Part 7B of the CAPER if the facility was originally acquired, rehabilitated or constructed/developed in part with HOPWA funds but no HOPWA funds were expended during the operating year. Scattered site units may be grouped together on one page.

Grantees that used HOPWA funding for new construction, acquisition, or substantial rehabilitation are required to operate their facilities for HOPWA eligible individuals for at least ten (10) years. If non-substantial rehabilitation funds were used, they are required to operate for at least three (3) years. Stewardship begins once the facility is put into operation.

Note: See definition of Stewardship Units.

1. General information

HUD Grant Number(s)	Operating Year for this report From (mm/dd/yy) To (mm/dd/yy) <input type="checkbox"/> Final Yr <input type="checkbox"/> Yr 1; <input type="checkbox"/> Yr 2; <input type="checkbox"/> Yr 3; <input type="checkbox"/> Yr 4; <input type="checkbox"/> Yr 5; <input type="checkbox"/> Yr 6; <input type="checkbox"/> Yr 7; <input type="checkbox"/> Yr 8; <input type="checkbox"/> Yr 9; <input type="checkbox"/> Yr 10
Grantee Name	Date Facility Began Operations (mm/dd/yy)

2. Number of Units and Non-HOPWA Expenditures

Facility Name:	Number of Stewardship Units Developed with HOPWA funds	Amount of Non-HOPWA Funds Expended in Support of the Stewardship Units during the Operating Year
Total Stewardship Units (subject to 3- or 10- year use periods)		

3. Details of Project Site

Project Sites: Name of HOPWA-funded project	
Site Information: Project Zip Code(s)	
Site Information: Congressional District(s)	
Is the address of the project site confidential?	<input type="checkbox"/> Yes, protect information; do not list <input type="checkbox"/> Not confidential; information can be made available to the public
If the site is not confidential: Please provide the contact information, phone, email address/location, if business address is different from facility address	

End of PART 6

Part 7: Summary Overview of Grant Activities**A. Information on Individuals, Beneficiaries, and Households Receiving HOPWA Housing Subsidy Assistance (TBRA, STRMU, Facility-Based Units, Permanent Housing Placement and Master Leased Units ONLY)**

Note: Reporting for this section should include ONLY those individuals, beneficiaries, or households that received and/or resided in a household that received HOPWA Housing Subsidy Assistance as reported in Part 3, Chart 1, Row 7, Column b. (e.g., do not include households that received HOPWA supportive services ONLY).

Section 1. HOPWA-Eligible Individuals Who Received HOPWA Housing Subsidy Assistance**a. Total HOPWA Eligible Individuals Living with HIV/AIDS**

In Chart a., provide the total number of eligible (and unduplicated) low-income individuals living with HIV/AIDS who qualified their household to receive HOPWA housing subsidy assistance during the operating year. This total should include only the individual who qualified the household for HOPWA assistance, NOT all HIV positive individuals in the household.

Individuals Served with Housing Subsidy Assistance	Total
Number of individuals with HIV/AIDS who qualified their household to receive HOPWA housing subsidy assistance.	5,885

Chart b. Prior Living Situation

In Chart b, report the prior living situations for all Eligible Individuals reported in Chart a. In Row 1, report the total number of individuals who continued to receive HOPWA housing subsidy assistance from the prior operating year into this operating year. In Rows 2 through 17, indicate the prior living arrangements for all new HOPWA housing subsidy assistance recipients during the operating year.

Data Check: *The total number of eligible individuals served in Row 18 equals the total number of individuals served through housing subsidy assistance reported in Chart a above.*

Category		Total HOPWA Eligible Individuals Receiving Housing Subsidy Assistance
1.	<u>Continuing</u> to receive HOPWA support from the prior operating year	5,691
New Individuals who received HOPWA Housing Subsidy Assistance support during Operating Year		
2.	Place not meant for human habitation (such as a vehicle, abandoned building, bus/train/subway station/airport, or outside)	0
3.	Emergency shelter (including hotel, motel, or campground paid for with emergency shelter voucher)	21
4.	Transitional housing for homeless persons	30
5.	Total number of new Eligible Individuals who received HOPWA Housing Subsidy Assistance with a Prior Living Situation that meets HUD definition of homelessness (Sum of Rows 2 – 4)	51
6.	Permanent housing for formerly homeless persons (such as Shelter Plus Care, SHP, or SRO Mod Rehab)	63
7.	Psychiatric hospital or other psychiatric facility	2
8.	Substance abuse treatment facility or detox center	2
9.	Hospital (non-psychiatric facility)	3
10.	Foster care home or foster care group home	0
11.	Jail, prison or juvenile detention facility	0
12.	Rented room, apartment, or house	69
13.	House you own	0
14.	Staying or living in someone else's (family and friends) room, apartment, or house	3
15.	Hotel or motel paid for without emergency shelter voucher	1
16.	Other	0
17.	Don't Know or Refused	0
18.	TOTAL Number of HOPWA Eligible Individuals (sum of Rows 1 and 5-17)	5,885

c. Homeless Individual Summary

In Chart c, indicate the number of eligible individuals reported in Chart b, Row 5 as homeless who also are homeless Veterans and/or meet the definition for Chronically Homeless (See Definition section of CAPER). The totals in Chart c do not need to equal the total in Chart b, Row 5.

Category	Number of Homeless Veteran(s)	Number of Chronically Homeless
HOPWA eligible individuals served with HOPWA Housing Subsidy Assistance	12	257

Section 2. Beneficiaries

In Chart a, report the total number of HOPWA eligible individuals living with HIV/AIDS who received HOPWA housing subsidy assistance (as reported in Part 7A, Section 1, Chart a), and all associated members of their household who benefitted from receiving HOPWA housing subsidy assistance (resided with HOPWA eligible individuals).

Note: See definition of HOPWA Eligible Individual

Note: See definition of Transgender.

Note: See definition of Beneficiaries.

Data Check: The sum of each of the Charts b & c on the following two pages equals the total number of beneficiaries served with HOPWA housing subsidy assistance as determined in Chart a, Row 4 below.

a. Total Number of Beneficiaries Served with HOPWA Housing Subsidy Assistance

Individuals and Families Served with HOPWA Housing Subsidy Assistance	Total Number
1. Number of individuals with HIV/AIDS who qualified the household to receive HOPWA housing subsidy assistance (equals the number of HOPWA Eligible Individuals reported in Part 7A, Section 1, Chart a)	5,885
2. Number of ALL other persons diagnosed as HIV positive who reside with the HOPWA eligible individuals identified in Row 1 and who benefitted from the HOPWA housing subsidy assistance	39
3. Number of ALL other persons NOT diagnosed as HIV positive who reside with the HOPWA eligible individual identified in Row 1 and who benefitted from the HOPWA housing subsidy	366
4. TOTAL number of ALL <u>beneficiaries</u> served with Housing Subsidy Assistance (Sum of Rows 1, 2, & 3)	6,290

b. Age and Gender

In Chart b, indicate the Age and Gender of all beneficiaries as reported in Chart a directly above. Report the Age and Gender of all HOPWA Eligible Individuals (those reported in Chart a, Row 1) using Rows 1-5 below and the Age and Gender of all other beneficiaries (those reported in Chart a, Rows 2 and 3) using Rows 6-10 below. The number of individuals reported in Row 11, Column E, equals the total number of beneficiaries reported in Part 7, Section 2, Chart a, Row 4.

HOPWA Eligible Individuals (Chart a, Row 1)						
		A.	B.	C.	D.	E.
		Male	Female	Transgender M to F	Transgender F to M	TOTAL (Sum of Columns A-D)
1.	Under 18	1	0	0	0	1
2.	18 to 30 years	199	78	50	0	327
3.	31 to 50 years	1352	434	123	1	1,910
4.	51 years and Older	2430	1177	39	1	3,647
5.	Subtotal (Sum of Rows 1-4)	3,982	1689	212	2	5,885
All Other Beneficiaries (Chart a, Rows 2 and 3)						
		A.	B.	C.	D.	E.
		Male	Female	Transgender M to F	Transgender F to M	TOTAL (Sum of Columns A-D)
6.	Under 18	119	78	0	0	197
7.	18 to 30 years	59	67	0	0	126
8.	31 to 50 years	35	23	0	0	58
9.	51 years and Older	18	6	0	0	24
10.	Subtotal (Sum of Rows 6-9)	231	174	0	0	405
Total Beneficiaries (Chart a, Row 4)						
11.	TOTAL (Sum of Rows 5 & 10)	4,213	1,863	212	2	6,290

c. Race and Ethnicity*

In Chart c, indicate the Race and Ethnicity of all beneficiaries receiving HOPWA Housing Subsidy Assistance as reported in Section 2, Chart a, Row 4. Report the race of all HOPWA eligible individuals in Column [A]. Report the ethnicity of all HOPWA eligible individuals in column [B]. Report the race of all other individuals who benefitted from the HOPWA housing subsidy assistance in column [C]. Report the ethnicity of all other individuals who benefitted from the HOPWA housing subsidy assistance in column [D]. The summed total of columns [A] and [C] equals the total number of beneficiaries reported above in Section 2, Chart a, Row 4.

Category		HOPWA Eligible Individuals		All Other Beneficiaries	
		[A] Race [all individuals reported in Section 2, Chart a, Row 1]	[B] Ethnicity [Also identified as Hispanic or Latino]	[C] Race [total of individuals reported in Section 2, Chart a, Rows 2 & 3]	[D] Ethnicity [Also identified as Hispanic or Latino]
1.	American Indian/Alaskan Native	11	1	0	0
2.	Asian	65	3	0	0
3.	Black/African American	4,749	4898	192	22
4.	Native Hawaiian/Other Pacific Islander	4	5	0	0
5.	White	691	148	71	51
6.	American Indian/Alaskan Native & White	1	1	0	0
7.	Asian & White	1	0	0	0
8.	Black/African American & White	61	28	0	0
9.	American Indian/Alaskan Native & Black/African American	7	0	0	0
10.	Other Multi-Racial	295	489	142	132
11.	Column Totals (Sum of Rows 1-10)	5,885	1,163	405	205
<i>Data Check: Sum of Row 11 Column A and Row 11 Column C equals the total number HOPWA Beneficiaries reported in Part 3A, Section 2, Chart a, Row 4.</i>					

*Reference (data requested consistent with Form HUD-27061 Race and Ethnic Data Reporting Form)

Section 3. Households

Household Area Median Income

Report the income(s) for all households served with HOPWA housing subsidy assistance.

Data Check: The total number of households served with HOPWA housing subsidy assistance should equal Part 3C, Row 7, Column b and Part 7A, Section 1, Chart a. (Total HOPWA Eligible Individuals Served with HOPWA Housing Subsidy Assistance).

Note: Refer to <https://www.huduser.gov/portal/datasets/il.html> for information on area median income in your community.

Percentage of Area Median Income		Households Served with HOPWA Housing Subsidy Assistance
1.	0-30% of area median income (extremely low)	5,816
2.	31-50% of area median income (very low)	62
3.	51-80% of area median income (low)	7
4.	Total (Sum of Rows 1-3)	5,885

Part 7: Summary Overview of Grant Activities

B. Facility-Based Housing Assistance

Complete one Part 7B for each facility developed or supported through HOPWA funds.

Do not complete this Section for programs originally developed with HOPWA funds but no longer supported with HOPWA funds. If a facility was developed with HOPWA funds (subject to ten years of operation for acquisition, new construction and substantial rehabilitation costs of stewardship units, or three years for non-substantial rehabilitation costs), but HOPWA funds are no longer used to support the facility, the project sponsor should complete Part 6: Continued Usage for HOPWA Facility-Based Stewardship Units (ONLY).

Complete Charts 2a, Project Site Information, and 2b, Type of HOPWA Capital Development Project Units, for all Development Projects, including facilities that were past development projects, but continued to receive HOPWA operating dollars this reporting year.

1. Project Sponsor Agency Name (Required)

--

2. Capital Development

2a. Project Site Information for HOPWA Capital Development of Projects (For Current or Past Capital Development Projects that receive HOPWA Operating Costs this reporting year)

Note: If units are scattered-sites, report on them as a group and under type of Facility write "Scattered Sites."

	Type of Development this operating year	HOPWA Funds Expended this operating year (if applicable)	Non-HOPWA funds Expended (if applicable)	Name of Facility:
	<input type="checkbox"/> New construction	\$	\$	Type of Facility [Check <u>only one</u> box.] <input type="checkbox"/> Permanent housing <input type="checkbox"/> Short-term Shelter or Transitional housing <input type="checkbox"/> Supportive services only facility
	<input type="checkbox"/> Rehabilitation	\$	\$	
	<input type="checkbox"/> Acquisition	\$	\$	
	<input type="checkbox"/> Operating	\$	\$	
a.	Purchase/lease of property:		Date (mm/dd/yy):	
b.	Rehabilitation/Construction Dates:		Date started:	Date Completed:
c.	Operation dates:		Date residents began to occupy: <input type="checkbox"/> Not yet occupied	
d.	Date supportive services began:		Date started: <input type="checkbox"/> Not yet providing services	
e.	Number of units in the facility:		HOPWA-funded units =	Total Units =
f.	Is a waiting list maintained for the facility?		<input type="checkbox"/> Yes <input type="checkbox"/> No <i>If yes, number of participants on the list at the end of operating year</i>	
g.	What is the address of the facility (if different from business address)?			
h.	Is the address of the project site confidential?		<input type="checkbox"/> Yes, protect information; do not publish list <input type="checkbox"/> No, can be made available to the public	

2b. Number and Type of HOPWA Capital Development Project Units (For Current or Past Capital Development Projects that receive HOPWA Operating Costs this Reporting Year)

For units entered above in 2a, please list the number of HOPWA units that fulfill the following criteria:

	Number Designated for the Chronically Homeless	Number Designated to Assist the Homeless	Number Energy-Star Compliant	Number 504 Accessible – Mobility Units - Sensory Units
Rental units constructed (new) and/or acquired with or without rehab				
Rental units rehabbed				
Homeownership units constructed (if approved)				

3. Units Assisted in Types of Housing Facility/Units Leased by Project Sponsor

Charts 3a, 3b, and 4 are required for each facility. In Charts 3a and 3b, indicate the type and number of housing units in the facility, including master leased units, project-based or other scattered site units leased by the organization, categorized by the number of bedrooms per unit.

Note: The number units may not equal the total number of households served.

Please complete separate charts for each housing facility assisted. Scattered site units may be grouped together.

3a. Check one only

- Permanent Supportive Housing Facility/Units
- Short-term Shelter or Transitional Supportive Housing Facility/Units

3b. Type of Facility

Complete the following Chart for all facilities leased, master leased, project-based, or operated with HOPWA funds during the reporting year.

Name of Project Sponsor/Agency Operating the Facility/Leased Units:

Type of housing facility operated by the project sponsor		Total Number of Units in use during the Operating Year Categorized by the Number of Bedrooms per Units					
		SRO/Studio/0 bdrm	1 bdrm	2 bdrm	3 bdrm	4 bdrm	5+bdrm
a.	Single room occupancy dwelling						
b.	Community residence	150					
c.	Project-based rental assistance units or leased units	1,947	435	63	35	0	0
d.	Other housing facility <u>Specify:</u>						

4. Households and Housing Expenditures

Enter the total number of households served and the amount of HOPWA funds expended by the project sponsor on subsidies for housing involving the use of facilities, master leased units, project based or other scattered site units leased by the organization.

Housing Assistance Category: Facility Based Housing		Output: Number of Households	Output: Total HOPWA Funds Expended during Operating Year by Project Sponsor
a.	Leasing Costs	26	\$123,172
b.	Operating Costs	155	\$1,626,166
c.	Project-Based Rental Assistance (PBRA) or other leased units	2,035	\$54,375,064
d.	Other Activity (if approved in grant agreement) <u>Specify:</u>	0	\$0
e.	Adjustment to eliminate duplication (subtract)	63	
f.	TOTAL Facility-Based Housing Assistance (Sum Rows a through d minus Row e)	2,153	\$56,124,399

1. Grantee Information

HUD Grant Number NY-H-21-F002	Operating Year for this report January 1, 2022 – December 31, 2022
Grantee Name New York City Department of Health and Mental Hygiene	
Business Address	42-09 28 th Street, 21 st Floor
City, County, State, Zip	Long Island City, Queens, NY 11101
Employer Identification Number (EIN)	13-6400434
DUN & Bradstreet Number (DUNs)	Central Contractor Registration Active? Yes
DUN & Bradstreet Number (DUNs)	08-348-9737
Congressional District of Business Address	12
Congressional District of Primary Service Area(s)	6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19
Zip Code of Primary Service Area(s)	N/A
City(ies) and County(ies) of Primary Service Area(s)	City of New York Counties of Bronx, Brooklyn, New York, Queens, Richmond, Orange, Rockland, and Westchester New York; Counties of Ocean, Middlesex and Monmouth New Jersey.
Organization's Website Address www.nyc.gov	Is there a waiting list(s) for HOPWA Housing Subsidy Assistance Services in the Grantee Services Area? Yes

2. Project Sponsor Information

Project Sponsor Agency Name AIDS Center of Queens County, Inc.		Parent Company Name, if applicable
Name and Title of Contact at Project Sponsor Agency	Rahjene Hicks, Director of Housing	
Email Address	rhicks@acqc.org	
Business Address	161-21 Jamaica Avenue, 6th Floor	
City, County, State, Zip	Jamaica, Queens, NY 11432
