**The Department of City Planning is inviting you to a scheduled in-person meeting**

NYC City Planning Commission Hearing Room,  
Lower Concourse, 120 Broadway, Manhattan.

The *Proposed Annual Action Plan* is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy, and the City's annual application for the four HUD Office of Community Planning and Development's entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnerships, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

The *Proposed Action Plan* serves not only as the City's application for the funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The HOPWA EMSA will be comprised of the five boroughs of the City of New York, as well as three upstate New York counties (Westchester, Rockland and Putnam).

The Public Hearing has been scheduled to obtain comments on the proposed plan and on the City's use of federal funds to address housing, services for the homeless, supportive housing service and community development needs, affirmatively further fair housing, and the development of proposed activities. In addition, agency representatives may receive comments on the City's performance of Consolidated Plan activities in 2022.
