No. 3

RESOLUTION CONCERNING SUSPENSION OF IN-PERSON COMMISSION MEETINGS

IN THE MATTER OF a resolution to authorize the City Planning Commission to suspend in person meetings, as authorized by and in accordance with section 103-a(3) of the New York State Open Meetings Law.

WHEREAS, the City Planning Commission (“the Commission”) has been holding its review sessions and public meetings remotely since August 2020, with the exception of meetings held from July 12, 2021 through September 2, 2021, as a consequence of the COVID-19 pandemic and the resulting states of emergency declared by the Governor of New York and the Mayor of the City of New York, and as authorized by Executive Orders issued by the Governor and legislation adopted by the State Legislature, all of which, among other things, suspended the requirement of the New York State Open Meetings Law (“the OML”) that members of the public be allowed to be present at any location from which a member of a public body subject to the OML participates in the public body’s meetings (“the OML in-person meeting requirement”); and

WHEREAS, paragraph 3 of section 2 of Part WW of Chapter 56 of the Laws of 2022, codified at OML § 103-a(3), empowers the Commission to meet entirely remotely, and without regard to the OML in-person meeting requirement, if during a state disaster emergency declared by the Governor or a state of emergency declared by the Mayor, the Commission determines that the circumstances necessitating the emergency declaration affect or impair its ability to hold in-person meetings; and

WHEREAS, in Executive Order 11.6, dated May 15, 2022, Governor Kathy Hochul continued the state disaster emergency for an additional 30 days, or through June 14, 2022, finding that “New York continues to experience COVID-19 transmission, with the rate of new COVID-19 hospital admissions remaining at over 100 new admissions a day,” and that “the SARS-CoV-2 variant known as Omicron, determined a variant of concern by the World Health Organization and the Centers for Disease Control and Prevention, is known to be highly-transmissible”; and

WHEREAS, in Emergency Executive Order 103, dated May 26, 2022, Mayor Eric Adams continued the city state of emergency for an additional 30 days, or through June 25, 2022, identifying “the propensity of the virus to spread person-to-person” as a reason for the extension; and

WHEREAS, on or about May 17, 2022, the New York City Department of Health and Mental Hygiene raised the City’s COVID-19 Alert Level to High, meaning that there is “high community spread” and “substantial pressure on the health system;” and

WHEREAS, during the suspension of the in-person meeting requirement of the OML, Commissioners participated in Commission meetings by videoconference and enabled the public, including applicants, to participate in Commission meetings by videoconference or telephone, to observe Commission meetings by webcast over the internet, and to listen to Commission meetings by telephone; and

WHEREAS, the ability of the public to testify at, observe, and listen to Commission meetings remotely has benefited the public and Commission by eliminated the need for indoor gatherings and thereby protecting public health while at the same time providing greater flexibility for public participation, and increased public access to and participation in Commission meetings, and has resulted in a greater number of people testifying at public hearings.

NOW THEREFORE, the Commission adopts the following Resolution:

RESOLVED, that the City Planning Commission, consistent with the authority granted to the Commission by the State of New York, determines that the circumstances necessitating the emergency declarations by the Governor and Mayor would affect or impair the ability of the Commission to hold in person meetings, and therefore Commission meetings shall continue to be held entirely by remote means and the in-person participation requirements of the OML shall not apply; and

RESOLVED, that this Resolution shall take effect immediately and unless extended by the Commission, shall remain in effect until the earliest of 1) September 22, 2022, 2) such time as the Governor ends the state disaster emergency and the Mayor ends the city state of emergency based on COVID-19 transmission, and 3) such time that the Commission concludes that the circumstances necessitating the emergency declarations by the Governor and Mayor would no longer affect or impair the ability of the Commission to hold in-person meetings.

For consideration.

Meeting rules

1. A quorum shall consist of seven members.
2. Final action by the Commission shall be by the affirmative vote of not less than seven members.
3. Except by unanimous consent, matters upon which public hearings are required by law shall be laid over until the next meeting following the public hearing.
4. Matters not on the calendar may be considered by unanimous consent.
