Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2020 Consolidated One-Year Action Plan is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for Persons with AIDS (HOPWA).

In addition, the Proposed Action Plan serves not only as the City's application for the Entitlement funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The EMSA is comprised of the five boroughs of the City of New York plus three upstate New York jurisdictions (the counties of Westchester, Rockland and Orange), as well as three counties in central New Jersey (Middlesex, Monmouth and Ocean).

For the 2020 Program Year, the City received **\$306,571,578** in entitlement funds for the four HUD formula grant programs: **\$173,664,331** for CDBG; **\$74,618,822** for HOME; **\$43,641,388** for HOPWA; and **\$14,647,037** for ESG.

In response to the SARS COVID-19 (coronavirus) pandemic, Congress passed, and President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act, or the "CARES Act," in order to prevent, prepare for, and respond to COVID-19. Supplemental grant funds authorized under the CARES Act are to be used to support state and local efforts to respond to the emergency, such as rental assistance, supportive services, economic development, access to health care, and other necessary actions. The spread of the virus in New York City and New York State has since slowed and the economy has gradually started to reopen. New Yorkers continue to benefit from programs funded in part through the CARES Act grants.

These programs received an additional **\$613,081,402** for FY2020 in response to the COVID-19 pandemic. Each allocation having the suffix -CV: **\$102,084,020** for CDBG-CV1; **\$122,279,413** for CDBG-CV3; **\$6,351,063** for HOPWA-CV; **\$50,507,036** for ESG-CV1, and **\$331,859,870** for ESG-CV2. (The HOME Program did not receive an additional allocation.) The City has also proposed to reallocate **\$146,366,000** in unspent CDBG Entitlement funds from previous years to new programs aimed at preparing for and responding to the effects of COVID-19.

The amended changes to the 2020 Annual Action Plan include:

- reallocating CDBG funds from the Minipools program, which did not operate in 2020 due to COVID-19, to three other programs,
- reallocating \$950,000 of unspent 2019 HOPWA funds towards Resource Identification activities for 2020 as defined by regulation *24 CFR Part 574.300 Eligible Activities* to expand and improve coordination, reporting, and tracking of housing assistance and supportive service activities through the development of information technology data systems, and
- amending the HomeFirst Program to qualify eligible homebuyers for a forgivable loan used toward down payment and/or closing costs on a one- to four- family home, condominium, or cooperative purchased in one of the five boroughs of New York City in an amount up to \$100,000.

Summary of Citizen Participation Process and consultation process

The City used diverse notification methods to inform the public of the amended 2020 Annual Action Plan. Over 500 notifications were emailed to New York City residents, organizations, and public officials inviting comments during the public review period. In addition, notices regarding the public hearing were published in three local newspapers: an English-, a Spanish-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on the Department of City Planning and NYC Office of Management and Budget websites. Copies of the HUD approved 2020 Annual Action Plan are obtainable by the public for download. A PDF version of the Action Plan will be posted on DCP's website (<http://www.nyc.gov/planning>) for public review.

New York City implemented a 5-day notice and comment period as allowed by HUD guidance. A dedicated email address is provided along with a webpage that allow citizens to provide comments. Publication of amended and proposed documents will be posted on DCP's dedicated webpage that linked documents to the language translation tool.

The public comment period began June 10, 2021 and extends for 5 days ending June 14, 2021. CDBG

Through this substantial amendment, the City is proposing to reallocate the entirety of the Minipools program's 2020 allocation of \$566,000. This reallocation is necessary because the Minipools program did not operate during the 2020 season due to concerns about spreading COVID-19. The funds are proposed to be reallocated as follows:

- \$250,000 would be allocated to the Project Open House program to perform lead-based paint assessments and remediation at several sites. As these costs would benefit sites that were already projected to be completed with CDBG funds, the accomplishment projections remain the same.
- \$50,000 would be allocated to the Landmarks Preservation Commission (LPC) Planning program to photograph and otherwise record historically significant properties that pose a threat to the surrounding community and are expected to be demolished. As this is a Planning activity, LPC is not required to project accomplishments.
- \$266,000 would be allocated to the CDBG Administration program to cover indirect costs and fringe benefits attributable to CDBG-funded staff.
