\*Several facilities were observed to have ceased operations as public parking facilities

- 462-470 11th Ave. (42 spaces DCA #1298308 & #1298309) (observed by DCP staff on Nov. 19, 2014, Dec. 11, 2015, and Dec. 13, 2016)
- 517-525 W. 36th St. (25 spaces DCA #999365) (observed by DCP staff on Nov. 19, 2014, Dec. 11, 2015, and Dec. 13, 2016)

If a facility remains closed to public parking two years after the date it was first observed to be closed or if the facility's site has a new building with completed foundations or if the site has an active application for parking pursuant to Sec. 93-821 the facility shall be removed from this survey and its number of spaces subtracted from the Reservoir Surplus. 462-470 11th Ave. and 517-525 W. 36th St. have both been observed to have been closed for more than two years but as those sites have pending applications for parking spaces, some of which will be spaces of the closed on-site parking lots, the spaces of the now-closed lots will not be subtracted from the Reservoir Surplus.
