

Final
Environmental
Impact
Statement

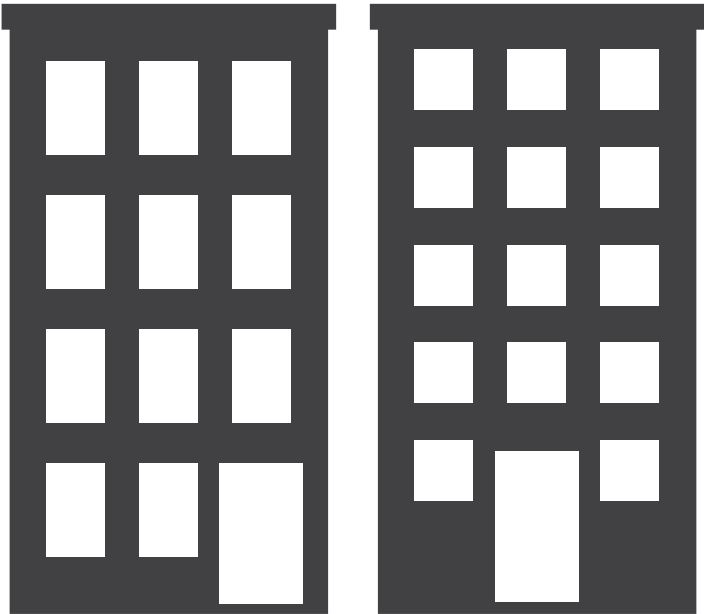

October 05, 2018

M1 Hotel Zoning Text Amendment

CEQR No. 18DCP042Y
ULURP Nos.: N 180349 ZRY, and
N 180349(A) ZRY

LEAD AGENCY
City Planning Commission
City of New York
Marisa Lago, Chair

M1 HOTEL TEXT AMENDMENT

Final Environmental Impact Statement (FEIS)

October 5, 2018

CEQR No.: 18DCP042Y

ULURP Nos.: N180349ZRY and N180349(A)ZRY

Lead Agency: City Planning Commission, City of New York

Lead Agency Contact: Olga Abinader, Acting Director
Environmental Assessment and Review Division
New York City Department of City Planning
120 Broadway, 31st Floor
New York, New York, 10271-3100
(212) 720-3493

Prepared By:

VHB Engineering, Surveying and Landscape Architecture, P.C.
1 Penn Plaza
Suite 715
New York, New York 10119

With:
BJH Advisors, LLC
BAE Urban Economics
Traffic Databank, LLC

Prepared For: The New York City Department of City Planning
Jennifer Gravel, Director
Housing, Economic, and Infrastructure Planning (HEIP) Division

Conceptual Analysis40
 Unavoidable Significant Adverse Impact.....40
 Growth-Inducing Aspects of the Proposed Action.....41
 Irreversible and Irretrievable Commitments of Resources41

Chapter 1: Project Description

Introduction..... 1
Required Approvals and Review Procedures 2
Purpose and Need 3
 Competition for Buildable Land..... 3
 Limited Supply of Buildable Land.....6
 Light Manufacturing Districts as NYC’s Areas of Opportunity 8
 Hotel Development in M1 districts16
 Conflicts Posed by Hotel Development21
Description of the Proposed Action25
 Current Zoning Regulations25
 Proposed Regulatory Mechanism28
 Ongoing Neighborhood Planning Efforts33
Analytic Framework.....33
 Executive Summary33
 Analytic Framework.....34
Reasonable Worst-Case Development Scenario (RWCDs)36
 Existing Conditions.....36
 No-Action Condition.....42
 With-Action Condition.....51
 Analytical Approach63
Public Review Process for the Proposed Action.....76
 Environmental Review.....76
 Public Review Process.....77
Conclusion78

Chapter 2: Land Use, Zoning and Public Policy

Principal Conclusions..... 2
Land Use and Zoning 2
Public Policy 2
Methodology 3
Detailed Assessment..... 4
 Existing Conditions.....4
 Future No-Action Condition.....14
Conclusion24

Chapter 3: Socioeconomic Conditions

Introduction..... 1

Principal Conclusions..... 2

Methodology..... 3

 Overview..... 3

 Determining Whether a Socioeconomic Assessment is Appropriate..... 4

 Data Sources..... 4

Preliminary Assessment 7

 Direct and Indirect Residential Displacement..... 7

 Direct Business and Institutional Displacement..... 8

 Indirect Business and Institutional Displacement..... 9

 Adverse Effects on Specific Industries..... 11

Preliminary Assessment 11

Detailed Assessment..... 12

 Existing Conditions in the Hotel Industry..... 12

 Future No-Action Condition..... 16

 Future With-Action Scenario..... 20

Conclusion..... 26

Chapter 4: Community Facilities and Services

Introduction..... 1

Principal Conclusions..... 2

Screening Analysis..... 2

Conclusion..... 3

Chapter 5: Open Space

Introduction..... 1

Principal Conclusions..... 2

Screening Analysis..... 2

 Direct Effects..... 2

 Indirect Effects..... 3

Conclusion..... 4

Chapter 6: Shadows

Introduction

Principal Conclusions..... 2

Screening Threshold..... 2

Shadow Assessment..... 3

 Tier 3 Screening Results 3

Detailed Assessment.....25
Conclusion.....26

Chapter 7: Historic and Cultural Resources

Introduction..... 1
Principal Conclusions..... 2
 Archaeological Resources2
 Architectural Resources.....2
Screening Analysis..... 3
 Archaeological Resources3
 Architectural Resources.....3
Detailed Assessments..... 3
 Archaeological Resources3
 Architectural Resources.....4
Conclusion..... 8

Chapter 8: Urban Design and Visual Resources

Introduction..... 1
Principal Conclusions..... 2
Preliminary Assessment Threshold..... 2
Preliminary Assessment 3
 Existing Conditions.....3
 No-Action Condition.....11
 With-Action Condition.....13
Conclusion.....21

Chapter 9: Natural Resources

Introduction..... 1
Principal Conclusions..... 2
Screening Analysis..... 2
Conclusion..... 3

Chapter 10: Hazardous Materials

Introduction..... 1
Principal Conclusions..... 2
Screening Analysis..... 3
Detailed Assessment..... 3
 Area 1: Manhattan below 59th4
 Area 2: Long Island City..... 5

Area 3: Jamaica.....	5
Area 4: South Slope.....	6
Area 5: Downtown Brooklyn.....	6
Area 6: Brownsville	6
Area 7: Williamsburg.....	7
Conclusion.....	7
 Chapter 11: Water and Sewer Infrastructure	
Introduction.....	1
Principal Conclusions.....	2
Water Supply.....	2
Wastewater and Stormwater Conveyance and Treatment.....	2
Screening Analysis.....	2
Water Supply.....	2
Wastewater and Stormwater Conveyance Treatment.....	3
Conclusion.....	8
 Chapter 12: Solid Waste and Sanitation Services	
Introduction.....	1
Principal Conclusions.....	2
Screening Analysis.....	2
Conclusion.....	4
 Chapter 13: Energy	
Introduction.....	1
Principal Conclusions.....	2
Screening Analysis.....	2
Conclusion.....	4
 Chapter 14: Transportation	
Introduction.....	1
Principal Conclusions.....	2
Traffic.....	2
Transit.....	3
Pedestrians.....	3
Vehicular and Pedestrian Safety.....	3
Parking.....	4
Prototypical Analysis Sites.....	4
Preliminary Analysis Methodology and Screening Assessment.....	7
Level 1 Screening Assessment	8

Level 2 Screening Assessment	10
Detailed Analysis Methodologies.....	13
Traffic.....	16
Long Island City Prototypical Site.....	16
Jamaica Prototypical Site.....	29
Downtown Brooklyn Prototypical Site.....	70
Vehicular and Pedestrian Safety Evaluation	83
Long Island City Prototypical Site.....	83
Jamaica Prototypical Site.....	85
Downtown Brooklyn Prototypical Site.....	88
Parking.....	90
Long Island City Prototypical Site.....	90
Jamaica Prototypical Site.....	98
Downtown Brooklyn Prototypical Site.....	107
Conclusion.....	116

Chapter 15: Air Quality

Introduction.....	1
Principal Conclusions.....	2
Screening Analyses.....	3
Mobile Source Screening Analysis.....	3
HVAC Screening Analysis.....	5
Industrial Source Screening Analysis.....	7
Major or Large Emission Sources.....	11
Detailed Analyses.....	11
Refined HVAC Analysis.....	11
Conclusion.....	18

Chapter 16: Greenhouse Gas Emissions and Climate Change

Introduction.....	1
Principal Conclusions.....	2
Screening Analysis.....	2
Resilience of Proposed Action to Climate Change	3
Conclusion.....	3

Chapter 17: Noise

Introduction.....	1
Principal Conclusions.....	2
Conclusion.....	2

Chapter 18: Public Health

Introduction..... 1
Principal Conclusions..... 2
Conclusion..... 2

Chapter 19: Neighborhood Character

Introduction..... 1
Principal Conclusions..... 2
Methodology..... 2
Preliminary Screening..... 3
 Land Use.....3
 Socioeconomic Conditions.....3
Conclusion..... 4

Chapter 20: Construction

Introduction..... 1
Principal Conclusions..... 2
Screening Assessment..... 3
Preliminary Assessments..... 4
 Construction Regulations and General Practices.....4
 Construction Assessment.....6
Conclusion.....10

Chapter 21: Mitigation

Prototypical Analysis 1
Conceptual Analysis..... 2

Chapter 22: Alternatives

Introduction..... 1
Principal Conclusions..... 2
 No-Action Alternative.....2
 M1-6 Exemption Alternative.....3
 Airport Areas Inclusion Alternative3
No-Action Alternative..... 4
 Description of Alternative4
 Shadows.....4
 Historic Resources5
 Hazardous Materials5
 Transportation.....6

M1-6 Exemption Alternative 6
 Description of Alternative 6

Airport Areas Indusion Alternative 7
 Description of Alternative 7

Conclusion 8

Chapter 23: Conceptual Analysis

Introduction..... 1

Principal Conduions..... 2

Conceptual Development Site..... 2

Technical Analysis..... 4

Land Use, Zoning and Public Policy..... 4
 Existing Conditions.....4
 No-Action Condition.....5
 With-Action Condition.....5

Socioeconomic Conditions 6

Community Facilities and Services 6

Open Space..... 7

Shadows..... 7
 Tier 1 and Tier 2 Shadows Assessment.....7
 Tier 3 Shadows Assessment.....7

Historic and Cultural Resources 8

Air Quality13
 Mobile Sources.....14
 Stationary HVAC Emissions.....14

Conclusion16

Chapter 24: Unavoidable Significant Adverse Impacts

Introduction..... 1

Principal Conduions..... 1

Conclusion 2

Chapter 25: Growth-Inducing Aspects

Introduction..... 1

Principal Conduions..... 1

Conclusion 2

Chapter 26: Irreversible and Irretrievable Commitments of Resources

Introduction..... 1
Principal Conclusions..... 2
Conclusion..... 2

Chapter 27: Responses to Comments on the DEIS

Introduction..... 1
List of Elected Officials, Organizations and Individuals who commented on the DEIS..... 2
 Elected Officials.....2
 Community Boards.....2
 Organizations and Interested Public.....2
Comments and Responses on the DEIS..... 3
 Comments Received in Support of the Proposed Action.....3
 Comments on the Purpose and Need for the Proposed Action.....3
 Comments on the Analytical Framework.....12
 Comments on the Unintended Consequences of the Proposed Action.....15
 Comments Specific to Public Purpose Hotels.....18
 Comments Specific to Areas of Applicability.....19
 Comments on the Findings/Approval Process22
 Additional Comments.....25
 Alternatives27
 Comments on the DEIS Technical Areas.....27
