Español interpretación disponibles

বাংলা অনুবাদক প্রাপ্তব্য

The draft plan is a result of community outreach events and meetings with local elected officials to identify existing needs and future opportunities in order to create a shared vision for the future of East New York, Cypress Hills and Ocean Hill.

Held in partnership with the Department of City Planning, Department of Housing Preservation and Development, Department of Small Business Services, Economic Development Corporation, Department of Transportation, Department of Parks and Recreation, and School Construction Authority
