operation of which shall commence within a reasonable period following the issuance of a temporary certificate of occupancy for the #floor area# or #cellar# space to be utilized by the #FRESH food store#.

Such declaration of restrictions shall provide that the legal commitment for continued occupancy of the #floor area# or #cellar space# as a #FRESH food store# shall not apply during any:

- (1) six (6) month period from the date such #floor area# or #cellar# space is vacated by the operator, provided that the owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; or
- (2) event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Office of the City Register of the City of New York against all tax lots comprising the #FRESH food store#, and receipt of proof of recordation of such declaration in a form acceptable to the Department, shall be a precondition to <u>certification by the Chairperson</u> the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

Changes to the store layout of a #FRESH food store# that has been constructed pursuant to a previous certification under this Section, where such changes result in a #FRESH food store# that continues to comply with the requirements of this Chapter, shall not require subsequent certification by the Chairperson under this Section. #FRESH food stores# certified prior to [date of adoption] that do not comply with paragraph (c) of the definition of #FRESH food store# may change the floor layout provided that there is no increase in the degree of non-compliance with such requirement.

No later than the date on which an application for certification is first submitted, a copy of the drawings submitted pursuant to paragraph (a) of this Section shall be submitted by the applicant to the affected Community Board, which shall have 45 days to review said application. The Chairperson shall not issue a certification for an application during the Community Board review period, unless the Community Board has submitted to the Chairperson comments regarding such proposal or informed the Chairperson that the Community Board has no comments.

A copy of an application for certification pursuant to this Section shall be sent by the Department of City Planning to the affected Community Board, which may review such proposal and submit comments to the Chairperson. If the Community Board elects to comment on such application, it must be done within 45 days of receipt of such application. The Chairperson will not act on such application until the Community Board's comments have been received, or the 45-day comment period has expired, whichever is earlier.

For #zoning lots# containing increased #residential floor area# generated pursuant to Section 63-21 (Special Floor Area Regulations), if a #development# or horizontal #enlargement# fails to comply with the provisions of Section 11-331 (Right to construct if foundations completed) with respect to completion of foundations within four years of the date of certification pursuant to this Section, such building permit shall lapse, and any new building permit will require a new certification pursuant to this Section.

# 63-31 Requirements for Certificate of Occupancy

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (a)(2) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in such drawings until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a)(1) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions, where required pursuant to paragraph (c) of Section 63-30, shall be noted on any temporary or final certificate of occupancy for the #building#.

# 63-40 CERTIFICATION FOR CHANGE OF USE OF A FRESH FOOD STORE

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required fewer #accessory# off-street parking spaces than required by the new #use# pursuant to Section 63-24 (Required Accessory Off-street Parking Spaces in Certain Districts) under the applicable district regulations.

If a certification pursuant to this Section is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30 shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

# 63-50 AUTHORIZATION FOR BULK AND PARKING MODIFICATIONS

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts when a change of #use# of a #FRESH food store# for which a certification has been issued, pursuant to Section 63-30, would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in a reduction in the number of required fewer #accessory# off-street parking spaces than required by the new #use# pursuant to Section 63-24 (Required Accessory Off-street Parking Spaces in Certain Districts) under the applicable district regulations, provided that such #use# is permitted by the underlying districts.

\* \* \*
