

# SOUTHERN BOULEVARD NEIGHBORHOOD STUDY

## TOPIC-FOCUSED DEEP DIVE MEETINGS

*A series of meetings to discuss specific issues and ideas toward creating a plan for the communities along Southern Boulevard*

### Neighborhood Food Landscape

**Tuesday, 5.28.19 | 6:00p - 8:00p**

**P.S. 75, 984 Faile St (off the Hunts Point 6)**

*Meet with advocates, community groups, grassroots organizers and Dept. of Health staff working to create a healthier, more equitable food landscape.*

*Learn about local initiatives and longstanding efforts to increase access to healthy, affordable food.*

*Add your thoughts and ideas about how to create a more fair food system in the neighborhoods around Southern Boulevard.*

### Violence as a Public Health Issue

**Thursday, 6.13.19 | 6:00p - 8:30p**

**Fannie Lou Hamer Freedom High School, 1021 Jennings Street  
(off the Whitlock 6 or Freeman 2 5)**

*How should we address violence in the community?*

*How should we detect and manage conflict to create a safer and healthier community?*

*What would a truly safe community look like?*

### Previous Deep Dives:

#### Business Support Roundtable ✓

**Wednesday 1.30.19 | 3:00p - 4:00p**

**WHEDco, 1305 Louis Niñé Blvd**

*How should we support the needs of small business owners?*

*How should we create and maintain thriving commercial corridors?*

*How should we leverage the Southern Blvd Commercial District Needs Assessment?*

#### Parks, Public Space, & the Waterfront ✓

**Thursday 3.14.19 | 6:00p - 8:30p**

**East Bronx Academy, 1716 Southern Blvd**

*How should we improve access to our local parks?*

*How should we create safer streets for everyone including pedestrians and bicyclists?*

*How should we transform the Bronx River Waterfront to achieve the community vision?*

#### Housing ✓

**Thursday, 4.11.19 | 6:00p - 8:30p**

**East Bronx Academy, 1716 Southern Blvd**

*How should we ensure the community remains affordable for those living there today?*

*What resources are available to tenants, homeowners, and landlords to keep housing affordable?*

*How should we ensure healthy, quality housing?*
