

**THEATER SUBDISTRICT COUNCIL
LOCAL DEVELOPMENT CORPORATION
Annual Report
Fiscal Year End Date: 5/31/2022**

Assessment of the Internal Control Structure:

The TSC management documented and assessed the internal control structure and procedures of the Theater Subdistrict Council, LDC (“TSC”) for the year ending 5/31/2022. The assessment found the TSC’s internal control structure to be adequate, and determined that no corrective actions were necessary.

Management continually reviews and updates the TSC’s internal control policies and procedures, which enables it to effectively document the system(s) of internal controls presently in place. Reviews and updates to these policies are performed either as a result of an annual policy review, a problem experienced, or in an effort to adopt best practices. During the fiscal year for the year ending 5/31/2022, the following policies and guidelines were reviewed:

- Procurement Policy
- Investment Guidelines
- Mission Statement
- Performance Measures

The TSC anticipates discussing the internal controls at the annual meeting tentatively scheduled for this fall.

Additionally, in performing the annual audit of financial statements, the TSC’s independent auditor considered the TSC’s internal control over financial reporting in planning and performing their audit. Although this internal control consideration was for a limited purpose, no significant deficiencies or material weaknesses were identified. The above practices, in conjunction with those measures identified in the internal audit, serve to provide the TSC with an effective control structure.
