

Zoning Text Amendments

As of February 24, 2026

The text of the Web version of the Zoning Resolution (ZR) of the City of New York includes all text changes approved by the City Council as of **February 24, 2026**.

The following index lists all text amendments (i.e., changes to the ZR approved by the City Planning Commission and enacted by the City Council) since 1993. Each action listed includes the ULURP number, date of adoption, affected ZR Section(s) and the applicable update period (i.e., January to June or July to December) in which the text amendment is uploaded into the ZR.

Please note: Administrative corrections (indicated with a black box beside the Section number in the ZR) and minor typographic or editorial corrections are reflected in the online text as soon as they are identified. Black boxes are removed automatically from administratively corrected Sections twelve months after the administrative correction is made.
