Res 0696-2003	Resolution	Adopted	Resolution in support of affirmative action admission policies in higher education that take into consideration race and ethnicity among many factors used in making admissions decisions, as such policies serve a compelling state interest for institutions of higher education to achieve diverse student bodies, have the potential to enrich the life of the nation, and better enable the nation to remedy the present effects of past discrimination, and condemning President George W. Bush for attacking such affirmative action admission policies in two cases now pending before the United States Supreme Court, Gratz v. Bollinger, Board of Regents of the University of Michigan, et. al., (undergraduate lawsuit) and Grutter v. Bollinger, Board of Regents of the University of Michigan, et. al., (law school lawsuit), wherein the legal brief submitted by the Bush administration mischaracterizes the University of Michigan's admissions policy as a "quota" system, and demonstrates a profound insensitivity to civil rights.			Committee on Higher Education		Support of affirmative action admission policies in higher education that take into consideration race and ethnicity.
