Mr. White opened the meeting by stating that CB11's social media followers have increased to 266.

The next topic discussed was with George Hadjiconstantiou's attempt to contact the Borough President's office staffer, Georgia Catalis, to gather information on senior services. Mr. White would like to increase senior resource information to the community. Mr. Marziliano explained how the CB11 website lists senior center locations:

The last topic discussed was the plan for Mr. Euler to be interviewed as part of a series featuring Board Members. They agreed to share these interviews through Instagram and other social media platforms. It was suggested to follow elected officials, Bayside and Whitestone groups (such as the Bayside BID) to help increase followers and more content should be posted. Discussion ensued regarding events that could be posted to help attract followers. Mr. White stated that a schedule will be put together for the Committee to table at events.

Mr. Marziliano gave an update on community board member term limits. The beginning of the new term limits starts 2027 and then again in 2030. The new board member application process starts in January and closes in February.

Mr. White closed the meeting by asking who the Community Board Partner of the Month will be. It was suggested to have Auburndale Improvement Association for December, Northwest Bayside Civic Association for January and The Queens Chamber of Commerce for February.

The meeting was adjourned.
