Mr. Budabin opened the meeting and stated that tonight the committee would finalize the position and number of all preexisting Capital and Expense Priorities for Fiscal Year 2023. Mr. Marziliano briefly ran through the list of 17 capital priorities that were decided on at the committee meeting held in May. One item was struck from that list by the committee leaving 16 Capital priorities (see the attached list). Ms. Burke spoke regarding the importance of specific language regarding Capital priority #12. Also, Ms. Garippa suggested advocacy for a boardwalk rather than a simple rehab of the undermined pathway there.

The committee then reviewed the list of Expense Budget priorities from Fiscal Year 2022 for applicability toward Fiscal Year 2023. From that list, Mrs. Haider asked how many afterschool programs are active in the district's schools regarding Expense Priorities 13 & 14. The office staff believes there is just one at M.S. 158 but will follow up for future reference.

Mr. Marziliano relayed information from Borough Budget consultations that the NYPD is about 6,000 officers short citywide due to retirement attrition during the pandemic and the lack of a Police Officer class last year. The 111th Precinct is currently down about 10 officers. The Committee endeavored to add a new Expense priority at # 17 for a Police Officer Class this year. Mr. Euler asked if Expense Priority #18 regarding maintenance of catch basins could be moved up to #10. The committee agreed. Finally, Budget priority #21 will be removed from the expense list and consolidated as part of the Capital priority #16.

The meeting adjourned at 8:30 p.m.
