

COMMUNITY ADVISORY

PROJECT NAME: INSTALLATION OF COMPLEX PEDESTRIAN RAMPS

PROJECT#: HWPR20QC

BOROUGH: QUEENS

ADVISORY ISSUED: 03.25.26

WATER SERVICE INTERRUPTION

ON MONDAY, MARCH 30, 2026
Between 7:00AM & 3:30PM, at the
location listed below:

**101ST AVENUE, between the
VAN WYCK EXP., & CRESSKILL PLACE**

The above allows for the underground work to be performed, prior to the relocation of a fire hydrant. Please observe the contractor's 'No Parking' signs posted in advance and store water beforehand, as needed

If you have any questions, concerns, or would like to learn more about this DDC Project, please call the Community Construction Liaison:

Yatta Jerome-Gibbs (CCL)
Phone: 347-728-0698
Email: hwpr20qcccl@gmail.com
Office Hours: 7:00am-3:30pm

During non-construction hours please contact 311 for non-emergency city services.

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc) it may become necessary to change some scheduled work locations and operations.

Handling a temporary water shutdown

The NYC Department of Design and Construction (DDC) installs and repairs the underground pipes that deliver water in New York City. Some pipes are over 100 years old and need to be replaced. New types of pipes are more resistant to cracks and breaks. They will safely deliver high-quality water for decades to come.

To do this essential work, we have to temporarily turn off your water.

Your water will be turned back on at the end of each work shift.

BEFORE THE WATER SHUTDOWN

- Store water for cooking, cleaning, and other needs
- Shut off the water main valve in your house or building to prevent plumbing problems, including brown water from sediments (or ask your landlord or super to do so)
- Turn off water-cooled systems such as central air and heating

ONCE THE WATER IS BACK ON

- Turn on the building's water main valve (or ask your landlord or super to do so)
- Run all sink and tub faucets for 15-30 minutes to flush the plumbing

QUESTIONS OR CONCERNS?

If you have any concerns or questions, or would like to receive updates, please contact this project's dedicated **Community Construction Liaison**. If you will be uniquely impacted by this work, you may request a special accommodation, if possible.
