DISTRICT MANAGER

District Managers Report

Wednesday, March 18, 2026

Good Evening, and Happy Women's History Month!

Dept. of Transportation (DOT)

- Department of Transportation (DOT) will be installing a shared use locker as a Part of the *LockerNYC* pilot program, that aims to cut down on package thefts and reduce delivery truck trips. Locker NYC was launched in 2024 and recently, expansion of the program was announced. Lockers are available for public use free of charge with participating carrier companies . The Locker location planned for **115-10 Merrick Blvd.** outside of Johns Farmers Market.
- DOT has been working on filling potholes in the community. If you see pot holes in the community board, please call 311, and share the confirmations with our office to follow up with DOT.

Dept. of Health and Mental Hygiene (DOHMH)

The New York City Health Department issued a health care provider that a travel related mpox Clade I case is detected in New York City. It spreads primarily through close, skin-to-skin contact, including intimate sexual contact. Symptoms typically last 2–4 weeks, and treatment usually focuses on alleviating symptoms The Health Dept. recommends that new Yorkers who have traveled internationally may be at risk and suggest they received and complete the two dose vaccine that works to prevent mpox.

Department of City Planning

Atlantic Avenue between Remington Street and 150th street is being DeMapped. At this moment in the Uniform Land Use Review Procedure (ULLURP) process, it is under public review.

Respectfully Submitted
