Dear Friends,

We hope your summer has been great so far

The Board will hold its next meeting September 12th at the Knights of Columbus Hall. The agenda will be published at the end of August. The NYC charter requires that every year the board come up with a Capital and Expense budget priority list.

We encourage local civics, block associations and residents to email suggested items to the board for consideration. These requests must be City funded items only. We will hold a public hearing on Sept 12 and then at our October 10th monthly meeting we will hold another public hearing and then vote. If you have any questions please contact us at the District office.718-471-7300 or email us

It is Hurricane season until December- please go to our website or nyc.gov/knowyourzone for information.

It's still mosquito season if you dump out or abandoned pools that could breed mosquitos please call us with location so we can refer to the proper agency

Unsafe/Illegal construction – If you think a home in your neighborhood has been illegally converted to a multi-family home or work has been done illegally call the community board and we will request an inspection by the NYC Buildings Department- after 5pm or weekends call 311
