Dear Community Leaders,

### Trash, Recycling or Compost Service Update for Independence Day, Tuesday, July 4, 2023

The New York City Department of Sanitation announced the following trash, compost and recycling collection service updates for the Independence Day holiday on Tuesday, July 4, 2023:

- Residents who normally receive Tuesday trash and compost collection should **place their material at the curb Tuesday night for collection beginning on Wednesday, July 5**. Residents may experience delays, as is common after holidays. We appreciate patience as we work to collect the backlog of material.
- Residents who normally receive Tuesday recycling collection should **hold their material until the following Tuesday's recycling collection**, and place it out curbside the night of Monday, July 10 for pickup on Tuesday, July 11.

Please help us **spread the word** on social media by sharing our posts ([Facebook](#), [Twitter](#), or [Instagram](#)) or creating your own with the attached image and language below.

There's no collection on Tues., July 4, Independence Day.

If Tuesday is your normal collection day:

- Set out trash/compost Tues. night for pickup starting Wednesday.
- Hold recycling, and set at curb Mon., July 10 for pick up Tues., July 11.
