

# Queens Waterfront Greenway

## Closing Gaps along the Queens Waterfront

NYC DOT is looking for feedback on potential route options for the 16-mile continuous Queens Waterfront Greenway. This Implementation Plan aims to better connect Queens communities to their waterfront and each other. The Public Workshops will be an opportunity to share feedback on potential routes.

### Public Workshop

We want to hear from you! Join us for the second round of Queens Waterfront Greenway community workshops to share input on the route alternatives.

#### West: Gantry State Park to Bowery Bay

Monday, December 8th, 6-8pm,  
Jacob A. Riis Neighborhood Settlement  
10-25 41st Avenue, Astoria, NY 11101
