

## Trench Restoration in Queens and The Bronx

**Middle Village/ Woodhaven/ South Ozone Park/  
Fresh Meadows/ Queens Village/ Morrisania**

The New York City Department of Design and Construction (NYCDDC) is pleased to announce the completion of the capital construction project known as HWTRQX1, or Trench Restoration in Queens and the Bronx.

Work completed within the project area includes the installation of 2,665 linear feet of new water mains and 469 linear feet of combined sewers. Additionally, 5,485 linear feet of concrete and steel-faced curbs were reconstructed, and 47,720 square feet of sidewalk were replaced. The project also included the planting of 12 trees and the installation of 45 new pedestrian ramps at various locations throughout Queens and the Bronx.

**Fully reconstructed roadway on 91<sup>st</sup> Avenue  
between 85<sup>th</sup> Street and 86<sup>th</sup> Street**

### Thank you!

On behalf of NYCDDC, and the project field staff, we would like to take this opportunity to thank everyone within the community for their patience while we completed our work. Special thanks to Queens Community Boards 2, 5, 8, 9, 10, 13, and Bronx Community Board 3 for their cooperation with our efforts in keeping the community-at-large and its stakeholders informed throughout the lifetime of this project.
