RE: **Letter of Support For Universal Daylighting**

Dear Council Member Won and Commissioner Rodriguez:

On April 7, 2025, at Community Board 2's Transportation Committee Meeting, a motion was made and seconded to support an amendment for Universal Daylighting, which is absolutely essential and important even in the absence of a painted crosswalk at an intersection.

In addition, CB 2 supports Intro Bill Number 1138, being proposed by Council Member Won concerning no standing or parking a vehicle within 20 feet of a crosswalk at an intersection.

All were in favor of the motion with none opposed and no abstentions.

Thank you for your consideration of this request.

Sincerely,

Debra Markell Kleinert
District Manager, CB 2
