Q&A

Dr. Forman agreed to share the PowerPoint slides and to have a link to this committee meeting recorded in the upcoming Community Board 2 Newsletter. (A copy of the presentation is attached Attachment #1.)

There was a discussion about potential sites to accommodate Automated External Defibrillators (AED), and area suggestions included train stations and active exercise equipment areas for adults.

The committee members spoke about organizations, including non-profits, such as Sunnyside Community Services, that could provide CPR training. Patrick Martinez mentioned they may have on-site equipment, given their senior events and programming. Lauren Springer added that Sunnyside Community Services may suggest where to place Automated External Defibrillators.

Amparo Abel-Bey made a motion to adjourn, and Patrick Martinez seconded the motion.

The meeting was adjourned.

Respectfully submitted by,

Rafael Nava
