RE: **Request for Maintenance on Walkways and Bike Lanes In Hunters Point South and Gantry Plaza**

Dear Commissioner Langsam:

Community Board 2 has received numerous complaints concerning the walkways and bike lanes in Hunters Point South and Gantry Plaza.

Constituents have reported the area is in need of maintenance as the walkways and bike lanes are overgrown with plantings, weeds and trees. These overgrown plants can affect the safety and comfort of our community members and continued maintenance is vital in these verdant summer months.

CB 2 respectfully requests the assistance of the City of New York Parks and Recreation in this matter.

We thank you for your review of this request for assistance.

Sincerely,

Debra Markell Kleinert
District Manager
