# PowerUp2030:

## Prepare Your Business to Tackle Clean Energy Opportunities

### PowerUp2030

is a joint initiative of the **New York Power Authority (NYPA)** and **LaGuardia Community College**. This program is designed to support small businesses, especially those owned by minorities, women, and service-disabled veterans, looking to understand and access clean energy opportunities across New York State.

#### Is this Program for You?

It is if you have been in business for at least 5 years in one of these fields:

- Construction
- Electrical
- Plumbing
- HVAC  
or another skilled trade

This initiative is also a good fit for those looking to grow a business through clean energy contracts in the public sector.

#### What You Will Gain

- Learn what public and private clean energy buyers look for
- Strengthen your approach to pricing, permits, partnerships, and capacity planning
- Meet NYPA representatives, project developers, and clean energy experts
- Build relationships with other business owners navigating the same landscape
- Prepare your business to work on NYPA projects
