RE: Center Blvd Project

At the June 2nd, 2026, meeting of the Queens Community Board 2 Transportation Committee, a motion was made to support the NYC DOT's proposal for parking and travel lane regulation changes on Center Blvd, 57th Ave, 2nd St, and 54th Ave, as presented at the meeting that night.

The Committee's support comes with these additional requests:

- That the possibility of a 56th Ave Open Street remain open with the participation of PS 384;
- That DOT restrict automobile access to the Hunters Point South sidewalk, bike lane, and parkland by physical infrastructure, such as boulders and bollards;
- And that the DOT study locations on these streets for loading zones to facilitate deliveries and school drop-offs and pickups.

All were in favor with none opposed and no abstentions.

Sincerely,

Anatole Ashraf
